WANTED

WANTED: To tell my parents that I love them. Going to college in Michigan does not always make it possible for me to show them how much I really do care. I have fond memories of my childhood and just want to tell my "super" parents that I think I've got the best one's around. Their Daughter, L.B., Grand Rapids, MI.

CARD OF THANKS

With my grateful appreciation, I want to express my deepest heartfelt thanks to all my wonderful neighbors and other very special friends, to pastors Klepper and Koder and to my very dear relatives for all the kindnesses and sympathy to me at the time of my sister, Alma's death, and for all the gracious kindnesses to Alma and me during her illness.
Mrs. Miriam S. Gainer

alleys. Decisions about which streets and alleys the borough can afford to re-surface will have to await the bids for them and also the bids for repairing Lefever Road.

Council gave its approval for the reconstruction of North Plum Street at a cost of \$20,300, funded by the Lancaster County Redevelopment Authority.

Approval was given for the purchase of backboards

for basketball, rocking devices for little children, and a small merry-go-round for children in the park.

Bids will be received for a sub-compact car for the police department.

Goals for 1980 were stated by the Property and Equipment Committee, including sub-dividing the Borough Park, sale of the house in the park, disposal of the old Friendship Fire Company building, and acquiring street sweeping and leaf collecting apparatus.

Florin Fire Co. wants jr. members

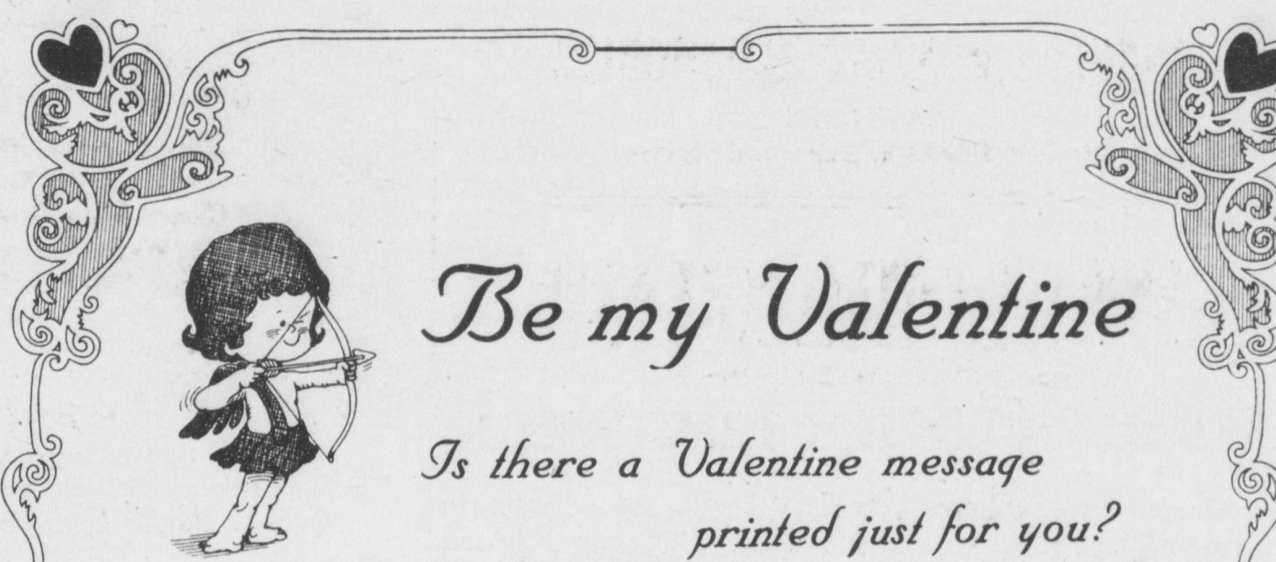

Martin Cusick of Florin Fire Company announced at the Monday night meeting of Mount Joy Borough Council that the company would like to have junior members as young as 14 years.

The juniors would be under the supervision of an assistant fire chief. Cusick explained that firefighting is becoming increasingly more complex and that training

should start as early as possible.

The juniors would not be permitted to ride on the outside of the trucks, nor could they actually fight fire until they were 18. To comply with a borough ordinance, they could not go on fire company trips after 10 p.m.

Possibly a half dozen youths might qualify as junior firemen.
