JR Hi students hear policeman

On Thursday, March 27, Mr. King from the Harrisburg City Police Force spoke to eighth grade social studies classes at Beahm Junior High School.

Mr. King used role-playing to demonstrate the different kinds of situations an officer deals with daily. Students helped act out an arrest for speeding and a family dispute.

Mr. King used the common act of shoplifting to point out to the students that crime does not pay. The students were told how difficult it was to adjust to prison life because of the mini-society that exists there.

Mr. King was quite dynamic in his presentation. He attended Elizabethtown College and graduated from Hershey Police Officer Training School.

Freshmen win soccer tourney

The ninth graders won the 1980 Donegal Jr. High Indoor Soccer championship last week-end.

Mark Zerphey scored the decisive goal with less than four minutes to play. Throny Embly, goalie for the freshman team, recorded his third shutout of the night as his team captured the title.

a new way to make your life easier

Imagine how difficult your life would be without the telephone to run your errands, keep you in touch with friends and summon help in emergencies. Now United Telephone offers the TeleDialer 32 to make your telephone even more convenient.

The TeleDialer 32 remembers up to 32 numbers you call frequently, and can dial any of them at the touch of a single button. Four "HELP" numbers (fire, police, ambulance - whatever you select) are identified by brightly colored over-size buttons, so a child, babysitter or elderly person can call for assistance fast if the need arises.

Also, the TeleDialer lets you make all your calls by push-button even if your regular phone has a conventional dial. If the number you call is busy, don't worry about forgetting the number before you call again. Just touch the "last number called" button, and presto - the TeleDialer re-dials for you.

Best of all, the TeleDialer 32 costs less than you might believe. For our United Telephone of Pennsylvania home or business customers, it's only \$5.75 per month plus applicable service connection charges.

Visit or call your United Telephone Business Office or Phone Shop to learn how easy it is to make your life easier.
