## NOTICE OF RATE FILING

Dear Customer,

Take notice that the undersigned is filing with Pennsylvania Public Utility Commission Supplement No. 73 to Tariff Electric Pa. P.U.C. No. 198 increasing your bills for service effective June 28, 1980. The total increase of approximately \$123 million is approximately 16% of the Company's annual base rate revenues, but the increase in your bill may vary slightly or substantially from this percentage, depending on use or applicable rate schedules. The annual cost of service to the average residential user would increase from \$374 to \$428, or by 14.8 cents per day. Upon request, the Company will inform you of the effect upon your bills. You may examine a copy of the material filed with the Public Utility Commission explaining the proposed increase and its justification at any of the following locations of the Company's offices: Two North Ninth Street, Allentown; Routes 309 and 22, RD #2, Allentown; 344 South Poplar Street, Hazleton; 1801 Brookwood Street, Harrisburg; 1701 Manheim Pike, Lancaster; 600 Larch Street, Scranton; and Route 220 East, Montoursville.

The proposed rate increase is subject to examination by the Pennsylvania Public Utility Commission which may suspend its effectiveness or institute a formal investigation thereof, or both, if it deems it appropriate.

Forms for the filing of a formal complaint may be obtained by you upon request to Pennsylvania Public Utility Commission, Harrisburg, Pennsylvania 17120. The timely filing of a formal complaint entitles you to a hearing at which you may present testimony and question Company witnesses, and places on the Company the burden of proving that the proposed rates are reasonable.
