Cross Roads Brethren Vacation Bible School

Cross Roads Brethren in Christ Church, Mount Joy, will be sponsoring Vacation Bible School for pre-kindergarten through sixth grade the week of June 9-13 from 7 to 9 pm. Everyone is welcome.

Volunteers still needed for Children's Fair

Volunteers are still needed for the annual Children's Fair sponsored by the Marietta Recreation Association. Officers for the organization are also needed. Persons willing to help with a stand at the Fair or to serve as an officer should call the current president, Antoinette Allum, at 426-1733.

PP&L has new format

Pennsylvania Power & Light Co. is introducing a new format for its electric service bills to provide its 870,000 residential customers with helpful, easy-to-understand energy use information.

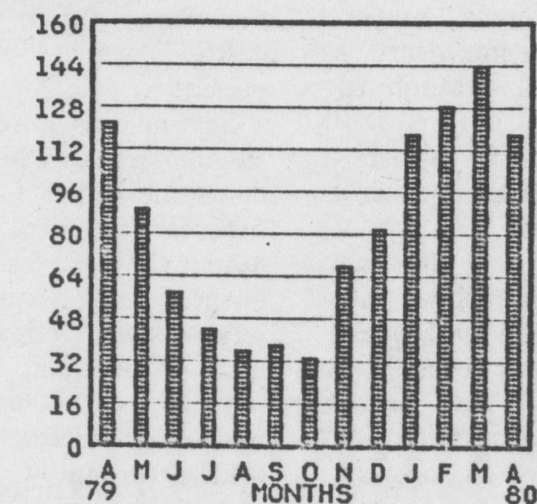

Beginning in June, the residential customer bill will include a bar graph showing the average daily kilowatt-hour use each month for a 13-month period ending with the current billing cycle.

The Electric Use Profile will include a numerical comparison between the average daily kilowatt-hour use during the current period and the same period a year ago. Since extremely cold or unusually mild weather may affect energy use, an average daily temperature comparison for both the current period and

the same period a year ago will also be supplied. PP&L is believed to be one of the first electric

utilities in the country to provide a complete Electric Use Profile for its residential customers.

AVG KWH PER DAY

PP&L's electric service bills for its 870,000 residential customers will have a new look beginning in June. An Electric Use Profile, showing average daily kilowatt-hour use each month for a 13-month period, will be included on each bill to help customers become more aware of their energy use habits.
