**a new way to make your life easier**

Imagine how difficult your life would be without the telephone to run your errands, keep you in touch with friends and summon help in emergencies. Now United Telephone offers the TeleDialer 32 to make your telephone even more convenient.

The TeleDialer 32 remembers up to 32 numbers you call frequently, and can dial any of them at the touch of a single button. Four "HELP" numbers (fire, police, ambulance - whatever you select) are identified by brightly colored over-size buttons, so a child, babysitter or elderly person can call for assistance fast if the need arises.

Also, the TeleDialer lets you make all your calls by push-button even if your regular phone has a conventional dial. If the number you call is busy, don't worry about forgetting the number before you call again. Just touch the "last number called" button, and presto - the TeleDialer re-dials for you.

Best of all, the TeleDialer 32 costs less than you might believe. For our United Telephone of Pennsylvania customers, it leases for only \$5.75 per month plus applicable service connection charges. You may also choose to buy one for only \$219.95.

Visit or call your United Telephone Business Office or Phone Shop to learn how easy it is to make your life easier.

## Jay Linard v. president of CACO

Jay M. Linard has been named vice-president and controller of the Cressona Aluminum Company (CACO), Cressona, PA. Jay is the son of Elva M. Linard and the late Mervin G. Linard, 414 W. Market Street, Marietta. He is a 1963 Donegal High graduate and holds a bachelor's degree in accounting from Elizabethtown College.

Jay Linard was employed as a corporate cost accountant for Alcoa in Pittsburg until last March, when he resigned his position to help form the Cressona Aluminum Company. The aluminum plant in Cressona reopened its 100 acre facility last May 1.

As an officer of the corporation, Linard reports that at the end of one year, CACO employs 250 workers and serves over 200 customers. The forecast for expansion includes an estimated 600 employees by the third or fourth year of operation.

Jay and his wife, Sharon, the daughter of Mrs. Stephen Bretz Ulrich, Elizabethtown, are the parents of two sons, Braden and Jayson. They will soon be moving into their new home, now under construction in Orwigsburg, PA.
