Transportation issue raised by Conoy Lions

The Conoy Lions Club discussed the need for area public transportation at its May 20 meeting. It was felt that a regularly scheduled shuttle might be established to connect villages and developments in westernmost Lancaster County with existing train and transit routes in Marietta, Elizabethtown and Middletown.

The service could be at commuter and prime shopping times. The Lions will be talking of the idea with friends and neighbors to see if the need for the service exists.

Any expression of interest can be forwarded to Lion President, Guy Koser, Bainbridge.
