ANNA W. WOLGEMUTH

Anna W. Wolgemuth, 92, died at the Brethren Village, Neffsville. She was a former resident of Rheems, and a long-time children's worker in the Elizabethtown Church of the Brethren.

She was a member of the Lancaster Church of the Brethren. She graduated from Elizabethtown College in 1922 with a bachelor of arts degree and graduated in 1923 from Bethany

Biblical Seminary, Chicago, with a bachelor of divinity degree.

She was active on the Elizabethtown Council of Church Women United, and served as an officer of the Elizabethtown Women's Christian Temperance Union.

The daughter of the late Martin N. and Susan H. Wolgemuth, she was born in East Donegal Township.

She is survived by three nieces and one nephew.

The stage area will be available for dramatic productions or social events.

In September Head Start will operate a daily program. Another allocation has been received for a kindergarten room on the west side with its fenced-in playground.

The same contractor has been engaged to make these changes.

In the future, a full-time staff will operate the center for the benefit of area youth. "Youth councils will supervise the teenagers' activities," said Harvey Reem, past president of the Jaycees and a member of the Marietta Trust.

The Marietta Youth Athletic Association has proposed winter basketball and wrestling programs.

The YMCA and YWCA have inquired about the possibility of setting up social, educational, and recreational courses.

The center has a governing board called the Marietta Trust, set up by the Jaycees to oversee the structure's conversion to a recreation center. In the future, the board may include representatives of many area organizations, but it is presently composed of Jaycees.

The school committee includes John Spickler (coordinator), Rick Sload, Harvey Reem, William Sload, James Wise, Richard Sipe and Don Pickle.

They plan to meet with the Marietta Area Business Association, the public, borough officials, the police department, and church officials, to explain their plans.

Another phase of renovations is tentatively planned for next year. The Jaycees will request \$66,000 to turn the original structure into either a sports facility or senior citizen headquarters. Eventually, they would like to build a community swimming pool in the west side parking lot, plus locker rooms near the pool.

The Jaycees have invested countless hours of work and planning in this project, and are justifiably proud of the way things are turning out.
