FIFTEEN CENTS

Bridge and Gay Streets, Marietta, to be reconstructed, resurfaced

Marietta Boro Council awarded a contract to B.R. Kreider, Manheim, for the street reconstruction and resurfacing of Bridge and Gay Streets at a cost of \$32,000. An alternate bid for resurfacing Chestnut St. was awarded to the same contractor for \$11,400. The only other bid received was from Lancaster Valite Supply Company at costs of \$42,958 and 17,305 for the

same projects.

Council voted to reimburse Sgt. Steven Englert for hours accumulated since March 17 thru June 2 for overtime acquired by Englert, who worked instead of an additional policeman. The time amounted to \$1,362.45.

A policy was established to limit part-time pay to officers on Police duty to 10 hours each week. Organiza-

tions requesting Police protection and wanting more than 2 officers will be expected to reimburse the boro for the wages of additional manpower.

Five building permits were issued for the month—an additional block building for 20 W. Market St.; day-care room alterations for the JC Center; general renovations for #8 Donegal Place; bathroom repairs for 278 W. Market St.; general alterations to 2nd floor at 214 E. Front St.

A public hearing will be held on June 18, on request from the owner of 107 W. Market St., who wants a zoning variance. Larry Gillham, housing chairman, commended the housing inspectors of the initial inspections of the rental units and rooms of Marietta Boro. Twenty property owners were in violation.

A contract was awarded to Nat Alexander Company, New Jersey, for two 100' sections of ½" hose at \$250 each, and two 50' sections at \$132 each.

Wyeth employees will be notified a speed check will be made on motorists exceeding the set rate in the area.

Plans are underway to correct a drainage problem on Apple Alley, between Gay Street and Cherry Alley.

A sum of \$120.65 was pledged by boro council to the Marietta Beneficial Association. The monies were presented to the boro when the Woman's Club disbanded in 1968. The MBA plans to erect a new plaque in honor of Veterans to replace the existing one on its property.

The personnel committee will pursue the legal possibility to have all boro employees salaried.

A deed for ½ of Tillman Alley recently closed by the council will be prepared by the solicitor at the expense of the bordering property owner. The deed will carry a written easement for drainage.

A letter will be forwarded to the proper authorities stating the Marietta Boro Council is against venting of radioactive gasses at TMI.

E. Donegal request plot plan on Country Village Development

E. Donegal Township Supervisors accepted the Planning Commission's recommendation to request a plot plan after which a public hearing will be scheduled to further progress on the Country Village Development. A representative of the developer, Penn Crest, was present and stated the plan should be ready by the July meeting of the Supervisors.

In other action Thursday night, the supervisors voted to have fences erected at the tennis and hockey courts at Rock Point Park.

The trustees of the E. Donegal-Maytown Fire Co., via letter, requested the supervisors convey the title of the Ford fire truck to the firemen in order for the vehicle to compete for prizes in parades. Further investigation into the legality of this action will be taken and, for now, the request was tabled.

Bill Martin, a representative of the Northwest Advanced Life Support Unit presented outlines of the proposed organization's functions, county requirements for operating, and asked for a contribution to be used toward matching funds to purchase a vehicle.

If a vehicle is obtained this would be the first all-volunteer unit of 25 persons, of this type, in the county. Requirements specify 2 paramedics must accompany a local ambulance run which must have an EMT aboard. The group which is incorporated feels

they can provide advanced life support cheaper than a Lancaster Unit. The unit would serve Northwestern County communities to the Lebanon Co. line. Supervisors tabled any immediate action and felt they would accept the guidelines of the local ambulance Board of Directors.

It was reported the current fund and membership drive for the ambulance fund totals \$6,985 with 349 members. Profits from the recent carnival and flea market amounted to \$887.

MRA to meet Thurs., June 19

The Marietta Restoration Associates will meet on Thursday, June 19, at 7:30PM. in the Marietta Community House.

The election of officers will be on the agenda.
