*Marietta brownie troop 34 plants a tree; reflects on year's activities & celebrations*

Brownie Troop #34, Marietta, climaxed its years' activities with the planting of a tree in front of the Zion United Church of Christ, Waterford Ave., Marietta. The project was in conjunction with Community Beautification.

Following the tree planting service the Brownies went to War Memorial Park where they enjoyed a picnic, toasted marshmallows and softball. They also recognized members who had attended all the meetings in full uniform.

The Brownie members would like to thank all the parents and friends responsible for making their year a success.

The troop made pin cushions for the Needlework Guild of America, Mount Joy chapter, in September, using a baby food jar as the

base for the object.

The group participated in the annual Marietta Halloween parade and in November attended the production of "Once Upon a Clothesline" at the Columbia Little Theater.

The girls sold calendars and Christmas wrapping paper, using the proceeds for troop supplies and activities. The also made "sit-a-pons" and book bags, and also celebrated the Christmas season with a party with Brownie Troop #666 and Girl Scout Troop #18 at the Community House.

Cookie Sales in January enabled the troop to see the Washington Zoo in April. The troop also visited a pizza hut and the Osteopathic Hospital in York. The girls went roller skating and enjoyed a mother-daughter banquet.

The group spent a weekend camping at GSCHO, Hanover, where they experienced outdoor living, the use of a buddy

burner, and the making of samores. The group also gathered seeds, leaves, and other such objects, from which they made pictures.
