"Vial of Life" comes to Mount Joy

A few minutes can make the difference between the life and death of a loved one or a neighbor. In an emergency situation, time is the essence—the medical attendants have to make the most of each precious minute.

A life-saving service will begin August 10 during the open house at the Friendship Fire Co. No. 1 of Mount Joy promoting the use of a three inch plastic vial containing medical, health, and personal data. The Ambulance is participating in the "Vial of Life" program. The vials were purchased through Lermer Packaging Corp. of Garwood, New Jersey.

The "Vial of Life" is a plastic vial containing medical information. The form includes the individual's blood type, allergies, daily medication, physical disabilities, known diseases, plus doctors' names, hospital preference and insurance information.

The vial is placed in the refrigerator, attached to the upper right hand shelf. A "Vial of Life" decal is placed on the outside of the refrigerator door indicating to the ambulance personnel that the person (or household) is a participant in the program.

"As far as we know, we are the first in this area to start the program," said Dwight Wolgemuth, Chairman of the Mount Joy Ambulance. "Our goal is to provide our community with this free service and to give them the best and newest service available."

Anyone in Mount Joy knowing of an elderly individual who lives alone or might be alone for any period of time, or who might not be able to communicate when the need arises and who would benefit from this

service, should call 653-1143 or 653-5716 and leave their name and address. An

ambulance member will visit them and explain the "Vial of Life" to them.

Three-way tie for lead in Chiques Volleyball

Action in the Chiques AAA Co-Ed Volleyball League is getting hot and heavy.

The Avengers had some trouble with the Dinkers on July 9 but managed to win two of the three games 12-15, 15-8 and 15-10. In the second match the Hot Shots also took two out of three from the Power Hitters 15-4, 15-7 and 12-15.

On July 23 the league was thrown into a three way tie

for first place when the Power Hitters defeated the Avengers 15-11, 15-1 and 15-10 and the Hot Shots defeated the Dinkers 15-12, 14-16 and 16-14. There are only three weeks left in the league's play.

The standings at present are:

Standings	W	L
Power Hitters	11	7
Avengers	11	7
Hot Shots	11	7
Dinkers	3	15

Hunter Ed. course to be in Mount Joy

The Mount Joy Sportsmen's Association will again be sponsoring a Hunter Education Course on Saturday, August 16, 1980. This one day course will start at 12:30 pm. Club instructors advise that prospective participants register upon arrival at the clubhouse, and that no equipment or materials are needed. Registration starts at 12:00 noon.

The Pennsylvania Game Commission reminds us that

all persons under 16 years of age must qualify to purchase their first hunting license by satisfactorily completing the Hunter Education Course offered by the Mount Joy Club. This is a fine opportunity to meet the requirements needed to obtain that first hunting license, and the course is free. All ages are invited, and one need not be a first time hunter to take the course.

Mount Joy stamp club to issue special cachet

The Mount Joy Stamp Club met recently and decided to have a special cachet for the dedication of the new Friendship Fire Company fire house. The meeting was held at the home of Stamp Club president Grace Shaeffer.

Plans for the cachet include a picture of the new fire house with the date of the dedication to appear on the outside of the envelope. Inside will be a card with a brief history of the Friendship Fire Company No. 1 of Mount Joy. The cachet will be available with a stamp and postmark of the dedication date and without the stamp. They will go on sale August 10, the date of the new building's dedication. This will be the third

cachet designed by the Mount Joy Stamp Club.

The first was in honor of the 125th birthday of Mount Joy's incorporation into a borough. That envelope contained a sketch of the old Mount Joy Post Office and an American flag. Inside was a brief history of Mount Joy.

The second cachet showed a picture of the railroad station which has been demolished. Inside was a brief history of the railroad's coming to Mount Joy. There are still some of these cachets without stamps available. They can be purchased from any of the members of the stamp club. The cost of cachets without stamps is \$.35 each or three for \$1.00. Stamped cachets cost \$.50 each.

Adults needed for scouting

September 1980 marks the start of a new year for Girl Scouting. In order to make this year bigger and better for the Donegal Neighborhood Chapter of the Penn Laurel Council, more adult leaders and assistants are needed for Maytown and Marietta troops. Adults are invited to share experiences and resources with the scouts.

If you can give of your time call local troop organizer Sandi Rice at 426-1338.
