The new, five-bay build-

ing includes maintenance and shop areas, offices, training areas, a locker room, lounge, public meeting and dining room, and

kitchen.

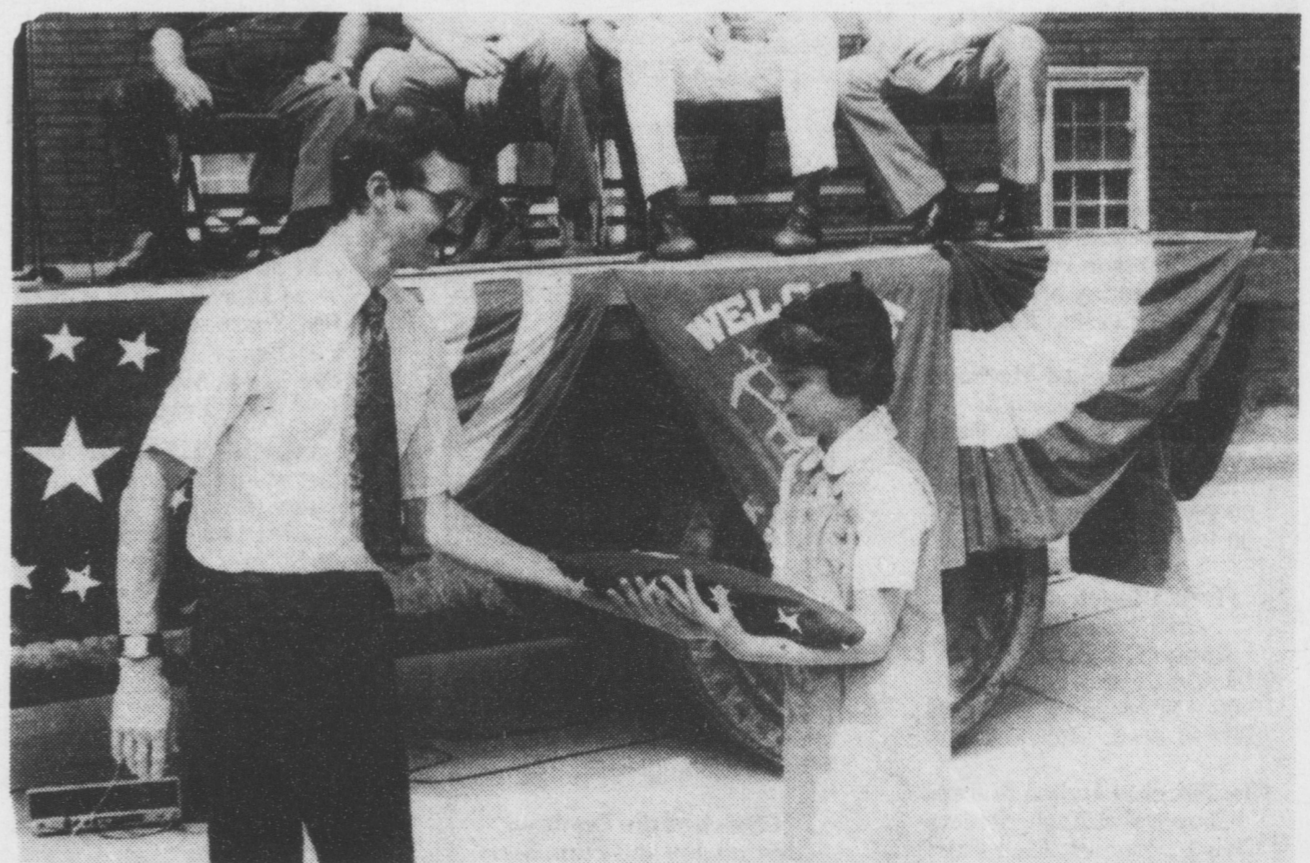

It was designed by Robert Bishop, Rheems, and built by Wohlsen Construction Co. of Lancaster.

Girl Scouting leaders needed

September 1980 marks the start of a new year for Girl Scouting. In order to make this year bigger and better for the Donegal Neighborhood Chapter of

the Penn Laurel Council, more adult leaders and assistants are needed for Maytown and Marietta troops. Adults are invited to share experiences and re-

sources with the scouts.

If you can give of your time call local troop organizer Sandi Rice at 426-1338.
