Something Wonderful has Happened

Through the research efforts of a few men and women working together to find a way to stop air pollution caused by smoke, we have reached our goal. We have developed an all organic solution that will completely stop the devastating pollution of the air caused by smoke.

Our solution, together with specially designed equipment, will stop smoke pollution.

Our method has proved effective in controlling the smoke of the following materials: all oils tested; coal; wood; paper; rubber; vinyl; and gasoline.

So far we have not found any material that is not effected by this new miracle organic solution. It completely stopped all smoke when properly applied.

As a result of research conducted to stop smoke pollution some other valuable materials have been discovered. These were found to be far more effective than products that have been in use for many years.

One such material is now available for public use. FORMULA 12 is a solution which has been proved effective in putting out oil, grease and other petroleum fires. FORMULA 12 does an excellent job on most any fire that could break out around the home.

FORMULA 12 is available in 15 ounce aerosol cans for home use, and for Fire Companies and industrial users it is available in one gallon and five gallon cans and 55 gallon drums.

FORMULA 12 is completely safe for use anywhere. It is so harmless that if a child were to accidentally drink some of the solution there would be no harm done.

If a person were trapped in a burning vehicle, FORMULA 12 could be sprayed into the fire and on the victim without any harm. In fact, the ingredients in FORMULA 12 are soothing to a burn.

FORMULA 12 is manufactured by:

Clean Air Products, Inc.

Mount Joy Rotary club to hear district gov.

"Take Time to Serve" will be the subject of Mr. John M. Aichele's address to the Mount Joy Rotary Club Tuesday, September 2. Mr. Aichele is governor of the Rotary district of which Mount Joy is a part. The district governor, a resident of Hershey, will confer with Jake Stehman, president of the Mount Joy club, and club officers about the group's planned service activities for this year.

Mr. Aichele is one of 383 Rotary governors throughout the world who represent Rotary International in districts composed of member clubs. Each district

leader supervises the clubs in his area. A member of the Rotary Club of Hershey, Mr. Aichele is Executive Vice President of Milton Hershey School. He was elected to his present office at the Rotary International Convention held this June in Chicago, Illinois. He will serve until June 30, 1981.

Rotary, with more than 18,000 clubs in some 150 lands, is an organization of business and professional men who provide humanitarian service, encourage high ethical standards in all vocations and strive to build good will and peace in the world.

Zion Nursery School accepting application

The Zion Lutheran Nursery School of Marietta, PA, is presently accepting applications for both the two-day and three-day class. The two-day class meets Tuesday and Thursday from 9:15 to 11:15 am. This class is primarily for children two years away from Kindergarten.

The three-day class meets Monday, Wednesday and

Friday, 9:15 to 11:15 am. The three-day class is mainly for children who are one year from Kindergarten.

If you would like more information regarding the Nursery School program call Mrs. Cheryl K. Ronan (state certified teacher) at 684-5689, Mrs. Jennifer L. Douglas (aide) at 426-1482, or the church office, 426-1884.

Donegal Girl Scouts planning year's activities

The Donegal Neighborhood of the Penn Laurel Girl Scout Council is getting ready for another busy year. The Mount Joy service team has been preparing for the year by placing new leaders and scouts.

In order to meet the special needs of the first grade Brownies, there will be two troops for first graders only. Judy Scanlin and Audrey Landvater, both new leaders, and Martha Bixler will be in charge of these troops. Continuing with Brownie leadership are Spring Teleky and Nancy Kulp. The Brownies will also meet new leaders and assistants, including: Barb Titus, Bonnie Jones, Sandy Gingrich, Gladys Applegate and Yvonne Lightner.

Due to the increased

interest in Junior Scouting, there will be a new Junior troop this year. Trudy Houck, a former Brownie leader, will lead the new troop. Jerri May, formerly with the Cadettes, will also be working with the Juniors this year. Continuing service with Juniors will be Nancy Kopf, Ella Gainer, Sylvia Lutz, Deb Nagel, Gail Gallagher and Linda Moore. New volunteers working with the Juniors are Cheryl Boring, Pat Hawkins and Richard Houck.

Beth Liggins and Judy Funk will lead the Cadettes, and Georgina Hammer will continue with the Seniors.

Troop leaders will be notifying the girl scouts about their first meetings. If you have any questions about the troops, call Martha Bixler at 653-1955.

King & Queen of Frost in Lancaster parade

Nominations for the King and Queen of Frost to reign over the 1980 Jack Frost Parade being sponsored by the Lancaster Jaycees on Saturday, November 15, at 1:00 pm, must be received by the parade committee by September 1, 1980.

All other parade partici-

pants must forward their applications by October 15, 1980, for inclusion in the parade line-up.

Nominations and applications should be addressed to: 1980 Jack Frost Parade, c/o Lancaster Jaycees, P.O. Box 1118, Lancaster, PA 17604.
