Decanter produced for the first annual Lancaster County Volunteer Fireman's Olympics to be held at Mount Hope Estate & Winery this Saturday.

Mount Hope Estate hosts Fire Olympics

The first annual Lancaster County Volunteer Fireman's Olympics is being held on September 6 at Mount Hope Estate & Winery and hosted by the Penryn Fire Company. Over twenty Lancaster County Volunteer Companies are expected to participate for cash prizes in five "Olympic" events which include the popular Battle of the Barrel and Bucket Brigade. The Fireman Olympics will begin at 9:00 am in the Mount Hope Gardens and continue through 6:00 pm. There will be plenty of home baked goods, live music and other surprises to mark the festivities.

Fireman's Olympics Day is also the release date of a limited edition chinaware decanter in honor of Pennsylvania Volunteer Firemen with three special one-of-a-kind versions of the Decanter produced for the Fireman's Olympics. A twenty-three carat gold Decanter, a silver Decanter, and a bronze Decanter will each be awarded to the first, second, and third place finishers in the Olympic competition.

The Decanter, in general release form, is a hand-painted figurine of the

Volunteer Firefighter in action. Fully decorated with axe in hand, silver buckles and cuffs, and VFD insignia on his helmet, the Volunteer stands proudly attired in classic firefighting garb.

Only 2,400 Decanters will be produced. The winning Volunteer Company, armed with sledges and as part of the victor's spoils, will get to break the decanter master mold so that no more can ever be made.

Pennsylvania Volunteer Firefighters benefit by both the Olympic festivities and the sale of the limited edition Mount Hope Decanters. Mount Hope Estate and Winery is setting aside part of the proceeds from the decanter sales to help defray the costs of this year's Pennsylvania State Volunteer Fireman's Convention, and, parking and other proceeds from the Fireman's Olympics are being donated to the Lancaster County Firefighting School.

Mount Hope Estate & Winery is located on Route 72, five miles north of Manheim, at Exit 20 of the Pennsylvania Turnpike. Wine-tasting tours of the Victorian Mount Hope Mansion are conducted daily from 10:00 am to 4:30 pm.
