FIFTEEN CENTS

David Presto hired as Mount Joy police officer

At its September meeting this past Monday night Mount Joy Borough Council set October 13 at 7 p.m. in the Borough Municipal Building as the time for a public hearing on rezoning the tract of land in the Borough Park on which a brick dwelling stands. The rezoning would precede sale of the dwelling and adjacent land by the borough.

Council approved the appointment of a new member of the police force, David Presto, who has served on the Strasburg force and before that, part-time, on the Mount Joy force. Presto achieved a high standing on the civil service exam.

Permission was granted by council to Eileen Hershey to open a physical fitness

center for women in the Donegal Professional Building at Donegal Springs Road across from the Crossroads Brethren in Christ Church. Ms. Hershey assured council that the center would not administer massages and that it would not be open Saturday afternoons or Sundays. In addition to group exercises, the center will offer diet counselling, yoga,

and belly dancing. The center will be well insulated for sound.

During the public hour a number of residents of Frank Street complained about commercial traffic on their street, including Grain trucks at night, using their street, creating disturbance and hazard to children.

In 1975 when the Indo-chinese came for resettlement to Fort Indiantown Gap, Timothy Mulwane of Mount Joy was eager to volunteer at the military reservation. Timothy, with his parents, Paul and Bernice Mulwane, went to the "Gap" searching for Ha Tieu Diem, an Asian woman he had met through the Alaska Magazine, and with whom he had corresponded for over a year.

Timothy hoped that his efforts to get Miss Ha out of Vietnam had resulted in her presence at Indiantown Gap. Such was not the case.

Miss Ha was not among the refugees. Instead of giving up Timothy doubled his efforts in trying to procure a trip to the U.S. for Miss Ha. For two more years the letters between Timothy and Lillie, as he fondly called her, continued.

Finally, in 1977, he received what seemed like several tons of papers to be completed in order to sponsor the Vietnamese woman. Not knowing where to turn with the paper work, Timothy went to the Service to Military Families and Veterans Department of the Lancaster County Red Cross. The Red Cross caseworker, Mrs. Florence [continued on page 6]

Indians upset E-town, 14-0

An awesome defensive effort gave Donegal High its second upset victory in as many games last Friday, as the Indians blanked E-town's Bears 14-0.

The real hero of the game was Indian Jeff Duke, a 200-pound linebacker who maneuvers his muscular bulk with startling speed and intelligence. Duke led the defense with 7 unassisted tackles and 5 assists.

Other outstanding performances were turned in by defensive tackle Phil Spickler and defensive end Scott Snyder. Spickler made 6 tackles, assisted with 2 others, recovered a fumble, and broke up a pass play by smothering Bear quarterback Campbell in his own backfield. Snyder added to [continued on page 11]

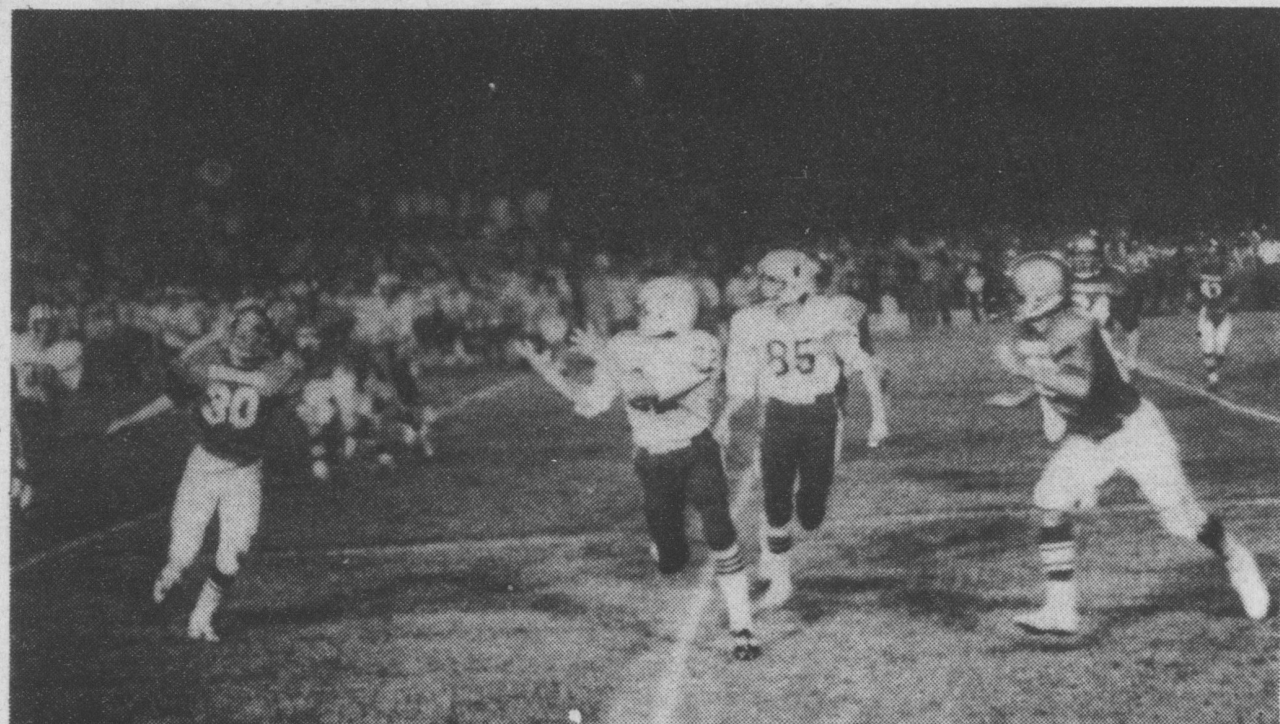

Photo shows Indian defenders in the process of breaking up an E-town pass play. Shut down on the ground, the Bears went to the air. Shut down in the air, they were shut out in the game. The Indian defense has allowed only one touchdown in two games. And that TD was given up by the third string.
