School board meeting (cont.)

[continued from front page] were "doing everything we can to implement this system."

The Donegal School district began an additional kindergarten class in the Mount Joy area, following the opening of the school year, it was announced at last Thursday's board meeting.

The new class was created because Seiler and Grandview had an enrollment of 84 students in only three classes during the first three days of school.

Mrs. Elizabeth Baley transferred from her half-time position at Riverview to a full-time place at Seiler. Mrs. Joanne K. Fry, R.D.1, Mount Joy, began as a half-time substitute at Riverview.

Mrs. Fry is a graduate of Penn State University and State College High School. She has done post graduate work at Shippensburg State College. She taught several months at Riverview last year.

In addition, Miss Catharine Zeller will receive \$5.50 an hour to tutor in a bilingual program. Miss Zeller will teach three Cuban students and several Vietnamese in Grandview, the junior high and the high school if the help is needed.

The board also voted to send letters to various government officials requesting federal reimbursement for the bilingual program.

Mrs. Sharon Hobbs was hired at \$3.30 an hour to serve as a science aide in the four elementary buildings during the year. Mrs. Hobbs will work three hours per day, four days a week.

In other personnel matters, the board accepted the resignation of Mrs. Kathleen Hughes, Seiler grade 4 teacher, to be effective September 26, 1980.

The board also approved a request for a half-year sabbatical leave to Mrs. Lou Peters, who plans to travel to various southern and mid-west states.

In other business, the board learned that the district enrollment dropped by 50 students this year.

The total number of students in all buildings is 2,513 this fall, compared with 2,563 at the same time last year.

It was also reported that the first fact finding meeting between the Donegal Education Association and the school board will be held Thursday, Sept. 25, at 4 pm.

A request for an assistant band director was denied.

The board also voted to discontinue rifle as an interscholastic activity since there is no coach available. The PIAA no longer recognizes the activity, the board was told, and the Donegal facilities have been poor for league competition.

The board voted to accept the Lancaster County Vo-Tech Joint Operating Committee resolutions of the proposed building project. This could involve the building of another Vo-Tech school in Lancaster County.

The board's building, maintenance and supply committee was given the task of coming up with a recommendation for the use of the old board minute books from the district. Local libraries and historical societies are interested in having the books.

The board heard from two residents requesting additional bus transportation

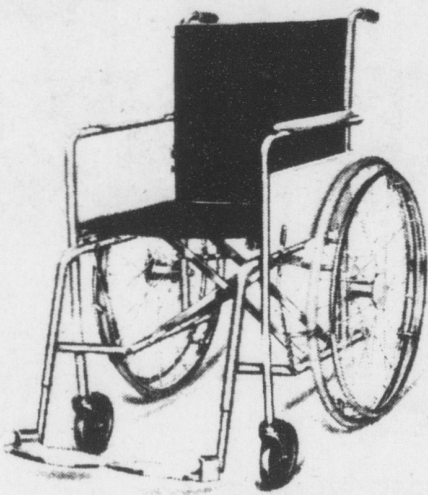

for elementary students. Mrs. Carol Hebbe requested the bus for students in the Vista Heights area of Maytown, and Mrs. Julie Hamilton for the end of North Barbara Street in Mount Joy. The proper officials will study both areas.

An emergency lighting system has been replaced in the high school, it was announced.

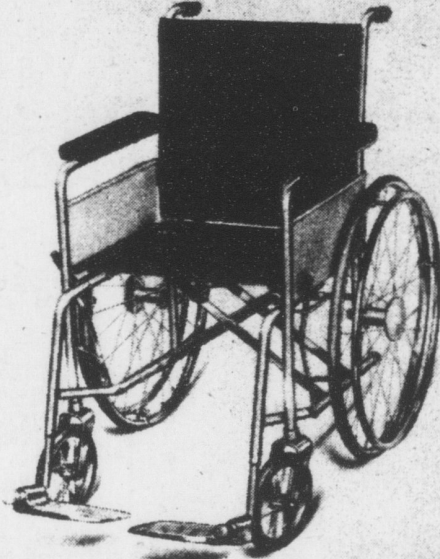

The Band Club, board members were told, is planning to sponsor the Maynard Ferguson Band in concert in the high school auditorium on October 29, 8 to 10 pm.
