The Donegal field hockey team won two games last week—both with a flick-off victory.

The girls traveled to Manheim Central Wednesday, for a game that ended 0-0. The girls won the flick-off 2-1.

Coach Joyce Zangari's team met Lampeter-Strasburg at home Friday afternoon. Sherry Dero put in the first goal of the day in the beginning period, but L-S soon came back with a goal to match. The score stood at 1-1 until the end of regulation play. Donegal won the flick-off 3-1.

The JV team lost both games: 0-2 against Manheim Central and 0-5 against L-S.

The JV team is coached by Jill Shupp.

The hockey team plays Lebanon at home today (Wednesday) and travels to Warwick Friday. Game time is 4:00 pm.

down. "Had we connected at that point, it would have been a different ball game."

Deshler felt that the teams were pretty even both offensively and defensively. "It was close and it went their way," he said.

Offensively, senior Rick Funk ran the ball 13 times for 46 yards. Quarterback Darrel Risberg connected with seven of 15 passes for 44 yards gained in the air.

Defensively, junior Ron Kennedy had four tackles, six assists and one fumble recovered.

Mike Houseal had three tackles, five assists and two quarterback sacks.

Donegal had some trouble offensively with three fumbles lost. They also had some bad penalties.

The Indians take on undefeated Garden Spot at home this Friday night.

Deshler describes Friday night's game as the big turning point for Donegal.

"If we can play as hard as we did Saturday, and correct a few errors, we can win this one. There are still six games left, and we could end up with a pretty good record."

Looking ahead to the coming weekend of play, Predicto calls for Garden Spot to overpower Donegal 27-6.

### THE FIFTEEN CENT STAMP

I don't mean to gripe or grind.  
To rising prices I'm resigned.  
But if I may have leave  
To get rid of a peeve,  
I wish the P.O would make up its mind.

A letter in the century's morn  
For just two pennies could be borne,  
But Topsey-wise (how true!)  
The stamp that we once knew  
Grew up and faster than a stalk of corn.

Though I admit I may be wrong,  
I've got a feeling, and it's strong,  
That—sunshine, wind or rain—  
The ball will bounce again,  
And the fifteen stamp won't last very long.

I know that credit pens write black,  
But P.O. ink is red. Alack!  
Who ever thought there'd be  
A future day when we  
Would want to bring the carrier pigeon back.

### THE SUPER-MARKET

The super-market is a busy place  
With canned goods neatly packed in ordered rows,  
And precooked dinners, packaged, case on case,  
For hurry-worry as it comes and goes.

A cornucopia, we would suggest,  
Might widen here its area for selection,  
Where in this shining mirror, blest and best,  
Inflation looks to see its own reflection.

Prices crawling upward day by day;  
More teaching less how to increase;  
Thinner candy bars that come to stay;  
Grapes and cherries selling "by the piece."

Steaks and chops that cost their weight in gold;  
Watermelons sliced in halves and quarters;  
A vast array of articles that hold  
A talismanic power as cash extorters.

All told the lavish scene is one that brings  
A pertinacious thought to ask us why  
Herein displayed there are so many things  
We'd like to have but can't afford to buy.
