## Maytown Fire Company receives flag; fire hose

Sara Gutshall and Mrs. William Smith, president and treasurer of the Donegal Legion Auxiliary #409, presented the Maytown-East Donegal Fire Company with 100 feet of new hose and an American flag last Monday evening.

Money for the hose was raised with the Auxiliary's annual flea market, with which the fire company

assists.

The flag, a personal contribution from Sara Gutshall, was draped over the casket of her fiance, U.S. Air Force Master Sgt. John W. Prowell, who died in 1971. Prowell was a veteran of both World War II and the Korean conflict, and he had tours of duty in foreign countries, where he was a former prisoner of war.

## School board (cont.)

[continued from back page]

\$10,800.

In personnel matters the board hired Mrs. Sandra K. Appleby, an Elizabethtown resident, to serve as a full-time substitute in Seiler grade four. Mrs. Appleby began teaching on September 29 for Mrs. Hughes. She previously taught for one year each in Doylestown, Ohio and Lower Dauphin, and three and one-half years in Elizabethtown.

Assistant winter sports coaches were also named. Mr. Forrey will serve as boys' J.V. basketball coach, Mr. Lauderdale as boys' grade seven and eight basketball coach, and Mr. Chase as an assistant wrestling coach. Mrs. Susan Forrey and Miss Pamela "Butch" Kolp, both non-staff members, were hired as assistant girls' basketball coaches. The district could not find any staff members to fill the positions.

The district is planning to begin league competition with the junior high school girls' basketball team this season. They are still seeking a coach. Games will be played in the junior high school gym and practices will be held in either the junior high school or the old Marietta building gym.

The board approved the request for Mr. Miller's Seiler grade five class to travel to Williamsburg, VA, in April, 1981. This will be the fourth year for his classes going on the trip.

The directors decided to keep the old board minutes in the district, making them available for loan or micro-filming by interested persons. They are kept in the fire-proof high school vault.

The board plans to continue participation in the Better Unemployment Compensation Service (BUCS) in 1981 with a reduction from one percent to three-quarter percent of the taxable payroll rate.
