Veterans' Day program at Donegal Saturday

Patriotic music, original drama and special scenic effects are all part of Donegal High School's 11th Annual Veterans' Day observance, to be held on Saturday, November 8, 1980, at 8:00 pm in the school's auditorium. Over 150 members of the high school band, chorus and Dramatics Club will pay tribute to the men and women of the Armed

Services in a program coordinated by the Donegal Dramatics Club.

The Saturday evening Veterans' Day performance is open to the public free of charge.

In addition to the Saturday evening performance, an in-school assembly will be held on Tuesday, November 11, at which time Congressman Robert Walker will be present.

Donegal Football

The Donegal football team assured itself of a winning season with last week's 21-6 defeat of the Cocalico Eagles at Denver.

Cocalico started strong, scoring the game's first touchdown on a blocked punt. After that, the Indian defense stopped the Eagles like a stone wall, while the Indian offense rolled through the Eagles like a Patton tank hitting a picket fence.

Running back Rick Funk led the Indian charge with 91 yards and one touchdown. Funk is now about 40 yards short of a 1000-yard season, with one game left

to play.

Quarterback Daryl Risberg also played impressively, teaming up with receiver Ron Kennedy for two touchdowns. And place kicker Scott Snyder was a perfect 3 for 3 in his extra point conversion attempts.

The defense set up one touchdown when Dwayne Porter blocked a Cocalico punt attempt at the Eagle 25.

The Indians now have seven wins, three losses, and one tie for the season. Their Section 3 record is 4-2.

They are expected to win next week's game with Lebanon Catholic, to cap a season of excellent football.

Dr. Predicto leads pack

As we enter the end of another football season, it appears that our own Doktor Predicto has escaped the sophomore jinx. If you remember, Predicto had some trouble at the beginning of this, his second season. Dr. Predicto really came through in the second half of the season, however, and with just one week of play prediction left, he is

leading all four predictors from the Lancaster Papers. Here is how things stack up going into the final week-end:

Doktor Predicto	67-25-2
	72.8% correct
Randy Montgomer	66-26-2
Jeff Young	65-27-2
Jim Hersh	62-30-2
Steve Saylor	61-31-2

Junior high soccer team has good season

This year's Donegal Junior High soccer team recorded one of the most successful seasons in the school's thirteen-year soccer history, compiling eight wins, five losses and one tie for the year. Until this year, there had only been one other soccer team from the junior high to finish with a winning season. The 1975 team posted seven wins, three losses and three ties for that year.

The highlight of the 1980 season came during the team's last game, when the Indians battled an undefeated Hempfield team, at Hempfield, to a scoreless tie. It was certainly an appropriate way for the team's year to end.

While the team's offense generated 31 goals in 14 games (2.2 goals per game average), its defense only gave up 21 goals (1.5 g.p.g. average). The defense finished exceptionally strong, not allowing a goal in the last three games. The team recorded six shut-outs for the year.

Below is the schedule for this past year, and the rosters for both the varsity and j.v. teams.

'Fun' doors at Seiler

Students at Seiler Elementary School have a smiling face to greet them each morning, before they even see their teacher. Thanks to Richard Schneider, custodian, all of the classroom doors are painted with a cartoon character. Below we have a ballet dance [for a teacher who loves to dance], at right Snoopy prepares his attack on the Red Baron, and below, Mr. Schneider, left, and Dr. James Lawrence, Seiler principal, examine a full-size Goofy.

Mr. Schneider did all the work free hand. "They kids really love it," he told us.
