## Meals on Wheels, Inc. to meet November 11

There will be a meeting for all persons desiring to volunteer their services for Meals-on-Wheels, Inc., on Tuesday, November 11, at 7:30 pm in the St. Mark's United Methodist Church Prayer Room, Mount Joy.

This meeting is open to all

persons, and an explanation of the areas needing volunteer substitution will be provided at that time.

The Meals-on-Wheels program takes only a few hours each week to help those who are in need of the service.

The Girl Scouts from the Donegal Neighborhood have also become involved in the library functions this year. Girl Scouts can be heard singing on Saturday mornings as they go about their volunteer work.

A new Girl Scout corner has been added to the library. This gives the Scouts and their leaders a chance to become involved in the library and to find resources for their scouting adventures.

The library's annual fund drive is now underway, and library officials remind you that your help is needed. With the increasing demands of running a sound library center, it becomes difficult to operate without entire neighborhood support.

The library urges everyone in the area to read, listen and to support the Mount Joy Library Center. Any contributions can be made at the library or at local banks and savings and loans.
