Library cards required by Storyhour patrons

When the Mount Joy Storyhour resumes its program on Tuesday, January 6, 1981, library cards will be required for checking out all books. A card from any of the county public libraries will be honored as the Mount Joy Library is part of the Lancaster County Library system.

Library cards may be obtained immediately upon

request, without charge, at the Mount Joy Library by completing a registration form.

The "honor system," used only for the convenience of storyhour mothers, is being discontinued because of the large number of books that have been lost, misplaced or not returned to the library within a reasonable amount of time by using this system.

Ring in the holidays.

Why just send a greeting card when you can deliver a genuine, personal greeting? Long distance can take you home (or anywhere in the continental U.S.) for little more than the price of a card and postage.

Your loved ones would much rather hear your voice than read your signature. For holiday greetings that don't get lost in the shuffle, you know you can always call on us.
