COLUMBIA IRON FOUNDRY.

The undersigned, hereby tender their sincere acknowledgments to their customers, and the public generally, for the very liberal patronage that has attended their efforts to please, and would inform them that it will be their greatest pleasure, as heretofore, to continue their business in such a manner as to merit their continued approbation and support.

We continue to make all kinds of Castings, viz: MILL GEARING, SPUR BEVEL, MITRE and MOR- TICE COG-WHEELS, CASTINGS for water wheels, &c. Also, CAR WHEELS and other Castings, together with all kinds of Rail Road Castings, for which unexceptionable reference can be given for superiority and availability.

We have quite a variety of PATTERNS for making Hot Blast Pipes, for Blast Furnaces, and for Water Pipes, and being well prepared for Casting Pipes, it will certainly be an advantage to those who want to call and examine for themselves, as we can manufacture as cheap, or cheaper, than any other establishment in this section of country.

We have different kinds of Patterns for Steam Engines, Trimming Machines, Ploughs, Cornucop Stoves, Stoves, Plates, Sove Cylinders and Grates, and many other things in our line of business, being the making and collecting of the latest modes, and having ready made at the foundry, a large number of Patterns, which we are prepared to make any thing in our line of business at the shortest notice, and being favorably situated at the Canal Basin, gives us the advantage of manufacturing and forwarding Castings to any point with despatch and at the lowest rates.

THE GREAT Lion Tamer, upon being asked the other day, "in what manner he was enabled to have his wonderful feat, of taming the Lion," replied with steady up: "What you undertake and you must be successful!" This explains the extraordinary success.
