NEW CHARITABLE INSTITUTION.—It is in contemplation by a few benevolent individuals to commence a subscription for the purpose of founding an "Asylum for Destitute Kings and their Families."

Scrofula Cured.

A child of Florentine Benny, about ten years old, living in Colerain Township, Lancaster county, Pa., had been afflicted several years with Scrofula in the face and neck, which not only set all of the popular remedies of the day at defiance, but actually baffled the skill of the best physicians of the country. After other means had failed in affording the slightest relief, a trial was made of Wright's Indian Vegetable Pills. The result was, before the first three boxes had been used, the ulcers began to assume a healthy appearance, several pieces of the jaw-bone were thrown out, and in a short time every vestige of the Scrofula had disappeared. Some time has now elapsed since using the medicine, and so far from there being any appearance of relapse, the child presents every appearance of robust health.

BEWARE OF COUNTERFEITS AND IMITATIONS.—Remember, that the original and only genuine Indian Vegetable Pills have the written signature of WILLIAM WRIGHT on the top label of each box.

To the Sick and Afflicted.—The original and only genuine preparation. Testimonials will never cease. Be careful of your colds. Many people are very apt to consider a cold but a trifling matter, and think that "it will go away of itself in a few days," and they give themselves no trouble about it. But to such we would say, "be careful of your colds," do not tamper with your consututions. If you desire to live to a good "old age," use such remedies as will effect an easy and permanent cure. Doctor SWAYNE'S COMPOUND SYRUP OF WILD CHERRY has cured more colds than any other medicine offered for sale in this country. The certificates of cures effected by this invaluable medicine, which the proprietor is daily receiving, are of the most gratifying character.

ANOTHER LIFE PRESERVED.

PHILADELPHIA, Sept. 28, 1846.

Dr. H. Swayne—Dear Sir: Having seen the astonishing cure performed on Mr. Thomas by your Compound Syrup of Wild Cherry, I was induced to try it on myself. I was taken with a violent cough, spitting of blood, shortness of breathing, together with violent attacks of asthma; I had overdone myself from exertion, which I was not able to perform, which prostrated my system to a great extent. I commenced the use of your Compound Syrup of Wild Cherry, which gave me almost immediate relief, and I am glad to give my testimony to all who may be afflicted in a similar way. It may be well to see that the signature of Dr. H. Swayne is on each bottle of Wild Cherry. WM. B. WALTON.

GREAT DESTRUCTION.

HOW many die a most horrible death without the simple cause being suspected. Some linger for years, as they suppose, from dispepsia, when it is worms, which causes most diseases. There has come under our notice several cases of supposed dispepsia, of several years' standing, when we have recommended the Syrup, which has entirely restored them to health. We would say to AULTS when they are afflicted with Sour Stomach, Sick Head Ache, Fits, a frequent deceive to make Stools, Leanness, Bloated Stomach, Nervousness, Sickness after eating, Sensation of rising in the throat after eating, &c., be assured it is simply worms, and it needs but a trial of

HOBENSACK'S WORM SYRUP

to satisfy you it is so, and if you have any of the above symptoms and the Syrup fails to cure, the agent will refund the money. TO PARENTS we would say, that the greatest sin you are convicted of, is to let your children suffer and die, when there is a simple pleasant Vegetable remedy at hand. It is said by our oldest Physicians, that Worms cause more deaths yearly, than all the other diseases the human family are subject to. Then, how important it is to have a safe and pleasant remedy at hand. Parents, when your children have sore or inflamed eyes, you may rest satisfied that it is caused by worms, and you will do well to call on the storekeepers of your neighborhood and get a Book of Hobensack's, containing certificates of cures and the symptoms of worms. Always keep a Bottle of Hobensack's Worm Syrup on hand, it is a friend in need.

READ ON! READ ON!! READ ON!!!

MESSRS HOBENSACK—Gentlemen: I take great pleasure in informing you of the great efficacy of your Worm Syrup; having been afflicted for five years, and wasted away to a mere skeleton, without receiving any benefit from various medicines, I was induced by Jesse Roberts to try your Worm Syrup, as he informed me it had brought worms from him; also, of Squire A. Tomlinson, of Bucks county, a man over fifty years old, whom I am well acquainted with. I then commenced taking your Syrup, and it brought a very large quantity of worms, some ten inches in length, and entirely restored me to health, and, I must say I feel like a new man.

Yours, truly, JOHN HART, Phil'a co.

Mr. J. Hart is a gentleman thirty-three years of age, living five miles out of the city, back of Second st. road, and is only one amongst the hundred grown persons that have been saved by HOBENSACK'S WORM SYRUP.

Messrs. Hobensack:

I have been looking for some of your Worm Syrup for some time; I have sold all but one bottle; I wish you to send me two dozen immediately. I believe it to be a good medicine; I have seen it tried to my satisfaction. I have known one dose to bring from a child three worms, ten inches long, and from another twenty worms, eight inches long in one day. I have sold different Worm Medicines for a number of years, but never sold any that gave such universal satisfaction.

Respectfully, yours, WM. BROOKFIELD,

Bridgeton, New Jersey

PHILADELPHIA, May 25, 1847.

Messrs. J. N. & G. S. I think it among the very best preparations in use. C. W. APPLETON, M. D., No. 46, South st.

ATWOOD'S

EMPIRE COOKING STOVE. In again calling attention to this unequalled STOVE, the proprietor has the pleasure to inform the public that (externally) it has undergone an entire change—the pipe and hearth placed opposite each other, and a

SUMMER HEARTH AND BROILING APPARATUS,

being added, thus rendering it faultless, and unless there is another *faultless* Stove in the market, this is unquestionably the best, as it now embraces every valuable improvement possessed by any other Stove in addition to some peculiar to itself, secured by Letters Patent.

The success of this Stove, since its introduction, is unequalled. Nothing has ever been offered for culinary purposes, that has given such general satisfaction. Stoves have been copied after its form; some dealers have even used its fundamental principles, but the proportions were so unlike the original, that they bear the relative value, that a counterfeit does to a genuine coin.

CHINA STORE.—The Subscribers, proprietors of one of the oldest and most extensive China Stores in the United States, have now on hand a very large supply of

COMMON WARE, GRANITE WARE, CHINA WARE AND GLASS WARE,

embracing all the varieties ever imported, which they will sell in large or small quantities, WHOLESALE OR RETAIL, to suit the wants of the people, at prices to defy competition.

The advantages to be derived from having a large stock to select from, ought certainly to be apparent to every one; only two need be mentioned:

1st. The variety to please the taste.

2d. The advantage of purchasing at the lowest prices: for it is certainly evident to every thinking mind, THAT THE LARGER THE BUSINESS DONE, THE SMALLER THE PROFIT REQUIRED. It is so in every branch of trade. The manufacturer sells to the wholesale packsge dealer; the wholesale package dealer sells to the jobber, and the jobber to the retail country dealer; so that the farmer or consumer of the article PAYS AT LEAST FOR PROFIT!!!
