DR. TOWNSEND'S

COMPOUND EXTRACT OF SARSAPARILLA. This Extract is put up in QUART BOTTLES—it is six times cheaper, pleasanter, and warranted superior to any sold. It cures diseases without vomiting, purging, sickness, or debilitating the patient, and is particularly adapted for a

FALL AND WINTER MEDICINE.

The great beauty and superiority of this Sarsaparilla, over all other remedies is, whilst it eradicates disease, it invigorates the body.

CONSUMPTION CURED.

CLEANSE AND STRENGTHEN.

CONSUMPTION CAN BE CURED.

Bronchitis, Consumption, Liver Complaint, Colds, Coughs Catarrh, Asthma, Spitting of Blood, Soreness in the Chest, Hectic Flush, Night Sweats, Difficult or Profuse Expectoration, and Pain in the Side, &c., have and can be cured.

Probably there never was a remedy that has been so successful in desperate cases of consumption as this. It cleanses and strengthens the system, and appears to heal the ulcers on the lungs, and the patients gradually regain their usual health and strength.

CURIOUS CASE OF CONSUMPTION.

There is scarcely a day passes but there are a number of cases of Consumption reported as cured by the use of Dr. Townsend's Sarsaparilla. The following was recently received:

Dr. Townsend—Dear Sir: For the last three years I have been afflicted with general debility, and nervous consumption of the last stage, and did not expect to ever gain my health at all. After going through a course of medicine under the care of some of the most distinguished regular physicians and members of the Board of Health in New York and elsewhere, and spending most of my earnings, in attempting to regain my health, and after hearing in some paper of your Sarsaparilla, I resolved to try it.—After using six bottles I found it done me great good and called to see you at your office, with your advice I kept on, and do most heartily thank you for your advice I persevered in taking the Sarsaparilla, and have been able to attend to my usual labors for the last four months, and I hope by the blessings of God and your Sarsaparilla to continue my health. It helped me beyond the expectations of all who knew my case. CHARLES QUIMBY.

SPITTING BLOOD

Read the following, and say that Consumption is incurable if you can:

New York, April 23, 1847.

Dr. Townsend—I verily believe that your Sarsaparilla has been the means, through Providence, of saving my life. I have for several years had a bad cough. It became worse and worse. At last I raised large quantities of blood, had night sweats, and was greatly debilitated and reduced, and did not expect to live. I have only used your Sarsaparilla but a short time, and there has a wonderful change been wrought in me. I am now able to work all over the city. I have no hemorrhage, and my cough has left me. You can well imagine that I am thankful for these results. Your obedient servant

WM. RUSSELL, 65, Catharine st.

TWO CHILDREN SAVED.

Very few families indeed—in fact we have not heard of one—that used Dr. Townsend's Sarsaparilla in time last any children the past summer, while those that did not sickened and died. The certificate we publish below is conclusive evidence of its value, and is only another instance of its saving the lives of the children.

D. Townsend—Dear Sir: I had two children cured by your Sarsaparilla of the summer complaint and dysentery, one was only 15 months old, and the other 3 years. They were very much reduced, and we expected they would die, they were given up by two respectable physicians. When the doctor informed us that we must lose them, we resolved to try your Sarsaparilla we had heard so much of, but had but little confidence, there being so much stuff advertised that is worthless; but we are very thankful that we did, for it undoubtedly saved the lives of both. I write this that others may be induced to use it.

Yours, respectfully, JOHN WILSON, JR

Myrtle-Avenue, Brooklyn, Sept. 15, 1847.

LUNATIC ASYLUM.

James Cummings, Esq., one of the assistants in the Lunatic Asylum, Blackwell's Island, by the gentleman spoken of in the following letter:

RHEAUMATISM.

This is only one of more than four thousand cases of rheumatism that Dr. Townsend's Sarsaparilla has cured. The most severe and chronic cases are weekly eradicated by its extraordinary virtues.

BLACKWELL'S ISLAND, Sept. 11, 1847.

Dr. Townsend—Dear Sir: I have suffered terribly for nine years with rheumatism, considerable of the time I could not eat, sleep or work; I had the most distressing pains, and my limbs were terribly swollen. I have used four bottles of your sarsaparilla, and they have done me more than one thousand dollars' worth of good—I am so much better. Indeed, I am nearly relieved. You are at liberty to use this for the benefit of the afflicted

Yours Respectfully,

JAMES CUMMINGS.

TO THE LADIES

DR. TOWNSEND'S SARSAPARILLA is a favorite of the Ladies. It renovates them at a time of year when they are suffering, and gives them the rose and lily to the cheek. Mrs. Parker kindly send us the following:

SOUTH BROOKLYN, July 17 1847

Dr. Townsend—Sir: It gives me pleasure to testify to the benefits I have experienced from the use of your Sarsaparilla. My system was very much debilitated by nervousness and general debility, and with a variety of female complaints. I read your advertisement, and was induced to try the effect of your remedy. It restored me to a better state of health, than I had ever enjoyed for several years previous to taking it, and I do most cheerfully recommend it as a valuable medicine to all who are afflicted as I have been.

MRS. PARKER, Pulte st., South Brooklyn

LADY SAVED.

The following is from a very respectable farmer residing at Hempstead:

Dr. Townsend—Dear Sir: My wife has been suffering so severely from the Dyspepsia and general derangement of the system, that we supposed she must die. The Physicians could not resist the disease, and she would have died beyond doubt if we had not given her your Sarsaparilla. It has saved her life certainly. She is almost entirely relieved, and is gaining strength and health. She still continues the use of it.

Yours, respectfully, ELIZA ABRAM.

LIVER COMPLAINT

NEW YORK, SEPT. 9, 1847.

Dr. Townsend—Dear Sir—I am constrained, as an act of justice, to publicly acknowledge the great benefits received from the use of your Sarsaparilla, being in town about two years since in a very weak and debilitated state. My disease was a chronic inflammation of the liver and stomach, and as many thought consumption; I was so reduced that I had very little hope of recovery. Hearing and reading considerably of the effects of your medicine, I resolved to try it, though I entertained a prejudice against all secret remedies. I had taken the medicine but a short time, and began to recover gradually and continued to get better, and am now well. Indeed I am so much improved that my friends scarcely recognized me when I returned to the city. You are at liberty to publish this if you think it will extend the use of your excellent remedy. T. TWINING.

DR. DRAKE'S PANACEA,

THE only radical cure for Consumption!! It also removes and permanently cures all diseases arising from an impure state of the blood, viz:

Scrotula or King's Evil, Rheumatism, Obstinate Cutaneous Eruptions, Pimples or Pustules on the face, Blotches, Biles, Chronic Sore Eyes, Ring Worm or Tetter, Scald Head, Enlargement and Pain of the Bones and Joints, Stubborn Ulcers, Syphilitic Symptoms, Sciatica or Lumbago, Diseases arising from an injurious use of Mercury, Dropsy, Exposure, or Imprudence in life. Also, Chronic Constitutional Disorders.

In this medicine several innocent but very potent articles of the vegetable kingdom are united, forming a compound entirely different in its character and properties from any other preparation and unrivalled in its operation on the system when laboring under disease. It should be in the hands of every person, who by business, or general course of life, is predisposed to the very many ailments that render life a curse, instead of a blessing, and so often result in death

CONSUMPTION.

The following testimony is from an able practitioner of this city:

PHILADELPHIA, December 14, 1847.

Dear Sir:—In reply to your question respecting the use of Dr. Drake's Panacea, I will say that although a perfect disbeliever in the existence of a Panacea or cure for all diseases, however valuable it may be in certain conditions of the system, still I have believed that a cure for Consumption would be discovered sooner or later, and was led to try your medicine in two very inveterate cases. They were pronounced by the attending physicians to be PULMONARY CONSUMPTION, and abandoned by them as incurable. One of the persons had been under the treatment of several very able practitioners for a number of years, and they said she had "old-fashioned Consumption combined with Scrotula," and that she might linger for sometime, but could not be permanently relieved. In both cases the effect of the Panacea has been most gratifying. Only four or five bottles were used by one of the persons before she began to improve rapidly. The other took about ten. They are both well. I will only add, that unfamiliar as I am with Consumption by inheritance and by extensive observation in a study, and knowing also the injurious effects in nine cases out of ten of tar, boneset, and other vegetable tonics, as well as of many of the expectorants and sedatives, I should never have recommended the use of Drake's Panacea if I had not been acquainted with the ingredients. Suffice it to say these are recommended by our most popular and scientific physicians, and in their present combined state, form probably the best alternative that has ever been made. The cure is in accordance with a theory of Consumption broached in France a few years ago, by one of her most eminent writers on medicine, and now established by facts which admit of no dispute. Very Respectfully Yours,

L. C. GUNN, Corner Chest. and Fifth st.

LIVER COMPLAINT AND DYSPEPSIA

Astonishing cure of Liver Complaint and Dyspepsia, in connection with General Debility of the whole system:

PHILADELPHIA, March 7, 1843.

Messrs Storrs & Co—Gentlemen:—My wife has been for several years afflicted with a pain through her right side and shoulder, accompanied with chills through her whole system, and almost constantly a sick stomach, attended with pain, invariably after eating or drinking; so much so as to deprive her of all satisfaction in attempting to eat, even if she had a desire for food, which was not often the case, as her appetite was completely gone. A friend persuaded her to give DR. DRAKE'S PANACEA a trial and I am now happy to say the first bottle gave her relief. Our family physician examined the Panacea, and approved of her using it. She has taken three bottles since, and is greatly benefitted. She has now a good appetite, and can eat her meals with satisfaction. The chills, pain, and sick stomach have entirely left her, and we feel confident that the Panacea has affected a couple cure of her difficulties, and would recommend to all who are afflicted as she has been to try Dr Drake's Panacea.

WILLIAM ASHMAN,

No 334, North Third Street.

The above are but a few of the numerous testimonials we are constantly receiving, of the wonderful efficacy of Dr Drake's Panacea. It is a pleasant, yet most searching remedy; and the first trial will prove its power. Its reputation has increased since its introduction to a degree hitherto unknown to all medical discoveries.

With the firm conviction that no other remedy, so called, of the present age, is equal to this, and that the theory upon which it is compounded is too firmly established to be overthrown, the proprietors solicit a trial of Dr. Drake's Panacea, willing to stand or fall upon its own merits, well satisfied it will sustain the reputation it has already acquired.

☞CAUTION—The genuine DR. DRAKE'S PANACEA is put up in large square bottles—it has the signature of Geo F Storrs on the wrappers—and also the name "Dr. Drake's Panacea, Phila" blown in the glass.

Prepared only by Storrs & Co., Druggists, No. 21 North Sixth Street Philadelphia.
