Dr. Swayne in the South.—The following letter just come to hand, and will be read with interest. The patient suffered intolerably, and could find no relief until he used DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY. It is certainly the most wonderful cure on record! Read it:

Wilmington, N. C., Jan. 12, 1847.

Dr. Swayne—Dear Sir:—Having been almost miraculously cured by your valuable medicine, I think it not more than common gratitude in me to make one addition to the long list of certificates which you have received of remarkable cures by your medicine. During the two years preceeding last August, I was very much distressed by a very bad cold and Racking Cough, and during the latter part of the time, it continued to grow worse, and indeed in July my friends gave me over, having tried all kinds of medicine, said to be good for such diseases, without the least good effect. I was reduced almost to a perfect corpse, and had scarcely any flesh upon my body, and for a long time never thought to rise from my bed again. A friend one day asked me if I had tried Dr. Swayne's Compound Syrup of Wild Cherry, and advised me to do so at once, as he heard that it had worked a great many wonderful cures. I took his advice, and after using up several bottles of it, I grew so much better that I was enabled to leave my room, and afterwards to walk about the house, and go out into the street. I was encouraged by this, and continued the use of your medicine, and now, by means of its wonderful curative powers, I am perfectly well, and enjoying the use of all my faculties, just as much as if I had never been afflicted in the way I have described to you. I have written this, not thinking that it will at all interest you, but humbly hoping that it will have its mite of influence in causing your valuable medicine to be spread among mankind, and in assisting to raise you to that station which you so richly deserve, for your persevering efforts for the public good.

Respectfully your friend and admirer,
JAMES R. MAISELAND.

BEWARE OF IMPOSITION.—Attemps have often been made by unprincipled individuals to impose upon the community a spurious article, stealing nearly the whole of the name of my preparation. To fully guard against such base and palpable imposition, the public should shun all preparations purporting to contain Wild Cherry, except that bearing the signature of Dr. H. Swayne on each bottle. Beware of the worthless "Balsams," "Bitters," "Syrups," &c., as they contain none of the virtues of the original preparation.

The (original and only) genuine article is prepared by DR. SWAYNE, corner of Eighth and Race sts., Philadelphia, and for sale by agents in all parts of the United States, and some parts of Europe.

FROM THE

HERB DOCTOR, Front Street, Columbia, to the SICK AND AFFLICTED EVERY WHERE—Every one of you are now called upon to visit the Herb Doctor—he has a medicine called the Indian Specific. It is of the utmost importance that you should all take to supply with you to the different section of country to which you belong. You well know what scourges the Dysentery, Bloody Flux, Summer Complaint, Cholera Morbus, Cholera Infantum, or other disorders of the bowels are. If you desire that none should die of these complaints; if you wish to be a blessing to your neighbors, to keep death out of your own family and thousands of families around you—if you are a philanthropist, come, I charge you, come, get the Herb Doctor's Indian Specific. Do you ask the question, will this Medicine cure these diseases? I tell you candidly,—it has never failed! Never! Never! In the most hopeless, despairing cases, after physicians have exhausted every means known to them, after patients have laid weeks, when there was no prospect of a cure, and the disease had taken that fearful turn, consumption of the bowels; then, at this critical period, this wonderful medicine, this gift of God, was used, and health again was obtained. The Herb Doctor feels constrained to urge it upon you, if you wish to have an easy conscience to rest upon your bed at night, feeling you have done good, not to neglect whenever you visit Columbia, to call before you leave and get this medicine. If you neglect it, and you see this disease again making its ravages amongst you, how will you feel? It will come to your mind thus. Well, I could have prevented this, I could have saved my child, I could have saved my wife. You will think of this many of you, when you are dying.

The Herb Doctor is determined to leave no stone unturned—to use every exertion to cure, if possible, all that is curable, and that too by the simple Herb Medicines.—He believes the day is not far distant, when the gifts of God, the blessed healing herbs, will be more prized—when they will be all that are looked to as medicine—when the giver of poisons will be ashamed to show his face than guillotine head—when man will be more exempt from disease—when his days will number at least fourscore, and he will stand erect, of manly size, full of nerve, a being of health; when pail faces and palsied limbs are nowhere to be found.

It should be had in every family; every house far and near, should have it, and if any person, young or old, has any derangement in the bowels, immediately use it. It is only prepared for diseases of the bowels, and for them it is an absolute specific. It was among the Indians the remedy was first discovered; from them the recipe was obtained It is my wish that the bills of mortality should be considerably lessened this summer; and to aid me in this good work I call upon every well-wisher. We have large quantities prepared, and are ready to fill all orders from every section. As soon as you read this notice, come, or it it be impossible to do so immediately, then make a note of it in your memorandum book, and use soon as convenient call at MARTIN & KELLING'S

Medical dispensary, Front street.

TO THE LADIES

OF the United States. It being now conceded that GODEY'S LADY'S BOOK stands at the head of American Magazines It becomes the publisher to show every Lady what amount of reading, and how many useful embelishments she will receive for three dollars.

Be not deceived by new beginners; who promise every thing and perform nothing. Now is about the season when the country will be deluged by prospectuses—making all kinds of promises. The Lady's Book has been published by the present proprietor for 18 years—and he is well known to the public, and publishes a throughout the United States. His promises are always kept, which is not the case with all other magazines; for instance, in every number he publishes a colored Fashion plate, and gives 60 pages of reading matter, and sometimes more There is not another magazine published that does this—sometimes with them the plates are colored, and again they are not—some months 60 pages, and others 48. The reason is obvious, the coloring of our Fashion Plates alone, we say nothing of the Flowers and Cottages, costs us over $2,000 in one year. To omit this is certainly a saving, but is it just to subscribers, is it honorable? We cannot practice such a deception. We were the first to give Fashion plates, we have hosts of imitators who boast wonderfully; we have no need to bolster up the Lady's own Book by such means. Paris Fashions as published in Paris—the ladies of this country DARE not wear; they are altered by one of our most fashionable dress-makers to suit the more refined taste of American Ladies.

Compare our reading matter with any other magazine, see which contains the most solid as well as pleasant reading. Our object is to elevate the female mind, to give it tone, and to enable women to take that place in the community to which their worth entitle them.

STEEL AND OTHER ENGRAVINGS IN GODEY'S LADY'S BOOK.

MOTHERS

READ this attentively. Dr. KEELER'S CORDIAL and CARMINATIVE, for the speedy and permanent cure of

DIARRHŒA, DYSENTERY, CHOLERA MORBUS, SUMMER COMPLAINT, CHOLIC, CHOLERA INFANTUM, FLATULENCY, &c., &c.;

and for all the derangements of the Stomach and Bowels from TEETHING.

IT-TENS OF THOUSANDS die annually from diseases of the Stomach and Bowels. In the face of this alarming mortality, the best impulses of our nature are enlisted in mitigating suffering we cannot prevent. More than FIVE HUNDRED persons to our knowledge were cured during the past summer; and we unhesitatingly say, that ninety-nine out of every hundred are speedily cured. There is no mistake about this fact, and as a test of our sincerity and assertion, as a medical and responsible individual, we promise to refund the amount paid in every well authenticated case where it fails. Will you suffer, will you let your little ones suffer when you have at hand a remedy like this, so potent in subduing disease. To doubting ones I'll Read what physicians, the press, and others say of the Cordial.

[Extract of a letter from the Rev. Dr. Earle.]

Daylesville, Bucks county, August 25, 1847.

Dear Sir:—I am now prepared to recommend your Cordial from having used it with success in several instances; and I am now trying your Panacea in a case of protracted debility, attended with cough, apparently produced in the young lady by her "outgrowing her strength," to use a common phrase. Yours, &c., ALFRED EARLE, M. D.

[Extract of a letter from Ebenezer Cook.]

New York City, July 20, 1847.

Dr. Keeler: Sir—I have used in my family all of the Cordial which you left with me last summer except two bottles which I persuaded a customer of mine to try, and having proved very beneficial, he has recommended it to some of his friends, who wish to have some of it. I therefore wish you would send me some by express. I am satisfied from my own experience that it is the best medicine for children TEETHING and SUMMER COMPLAINTS that is offered to the public, and all that is necessary for a recommendation is to try it. Very respectfully,

EBENEZER COOK, 281, Grand st., cor. of Alley.

This is to Certify, that I have used Dr. Keeler's Cordial, and have found it a valuable medicine in diarrhœa, dysentery and all derangements of the stomach and bowels, caused by Teething, and is particularly adapted to all diseases of those organs caused by acid mats or the debilitating effects of season and climate.

D. M. ALLISON, M. D., Plum st., Philad.

Dr. Keeler's Cordial.—We would call the attention of our readers to this invaluable medicine, which will be found advertised at length in our columns. As a corrective in cases of Diarrhœa, a disease very prevalent at the present time, it is highly spoken of by all who have used it. It is perfectly safe in its operation, and speak experimentally, when we say that it affords immediate relief.—[Neal's Saturday Gazette of August 28, 1847.

Dr. Keeler's Cordial and Carminative.—This article is advertised in another part of our paper, it is warmly recommended by families who have tried it. It is especially a send among children, and has effected hundreds of cures The doctor is abundantly supplied with testimony upon the subject, some of which is very strong. The Cordial is not a quack nostrum, but carefully prepared medicine, and perfectly free from any thing injurious.—[Pennsylvanian of September 1, 1847.

Dr. Keeler:—Dear Sir—As it is our duty to use every honest means to promote the happiness of our fellow creatures, I take great pleasure in stating to you the advantage I received from your valuable Cordial and Carminative. Last autumn I was attacked with Diarrhœa, which debilitated my system very much; for nearly three weeks I tried many remedies, but found little or no benefit, when my daughter informed me of your Cordial. I bought a bottle, and had not taken but two doses before I obtained relief. I was entirely recovered before I used the whole of it; and have remained hearty ever since.

Respectfully, yours, S. BUDD, D. D.

TOWER HALL CLOTHING BAZAAR,

No 192 Market Street, between Fifth and Sixth, Philadelphia.

The Proprietors feel a reluctance in promulgating what in any way might appear like the usual Bombastic exaggeration of some of the trade, but will beg leave to quote the following notice from one of our city papers

"One of the greatest curiosities that our City affords to the stranger is BENNET & CO'S great Clothing Store, No. 192 Market Street, between Fifth and Sixth, which has been styled "Tower Hall," from the peculiar finish of the front. The building is an immense one, containing seven capacious rooms, all of which are stocked with every variety of seasonable garments, arranged in the most perfect order and regularity. The proprietors take great pleasure in showing their building and contents to the citizens, particularly strangers, and to those coming from the country—we know of no place more worthy of a visit."
