THE HERB DOCTOR,

WHO has been performing such wonderful cures, at *Marietta, has removed to* FRONT street Columbia, Pa., where, from the increased numbers that flock to him for relief, he has been compelled to fit up a commodious establishment. Them, if you are sick, no matter what may be your disease, the *Herb Doctor's* Dispensary you can obtain the appropriate remedy. Private rooms for consultation.

The Herb Doctor informs the public, that he is the only person in this section, who derived his medical knowledge *from the Herb Doctor at Philadelphia*, and has studied his justly celebrated "Medical Practice." The GENUINE Indian Medicines, which have cured so many where every other remedy and every other doctor has failed, can *only* be obtained at this establishment. The Herb Doctor has practiced his system for some time, during which he believes *he has* rendered general and entire satisfaction: out of the hundreds that he has treated, he has heard of no person being injured by his medicines. He professes not to cure all disease, with one remedy, but prepares a different medicine for each of the numerous "ills which flesh is heir to,"—which are compounded from roots, herbs, barks, flowers, &c., which, while they possess great curative powers, also strengthen the system as they remove the disease. Hence they cannot injure the weakest constitution, but are good in every case, as hundreds who have been rescued by them from the grave, can testify. Having a knowledge of several plants unknown to any other person in this part of the country, he uses no mineral or chemical poisons in his preparations. They may be taken without regard to diet—further than the stomach directs, and will not interfere with the patients customary vocation. The afflicted, particularly those laboring under

DISEASE OF LONG STANDING,

are cordially invited to come and make a trial of these medicines, or at least have a talk with the Doctor, who charges nothing for advice.

The Herb Doctor is content if he gets only the cases that have been given up as incurable by the old school or other doctors, for the numerous cases of this kind which he has cured, are sure evidences that if there be hope yet, it is in his medicines.

Mothers, Fathers! by the dear tie that binds you to your little ones, try the Herb Doctor, before giving them up!

To you my dear female friends, who have been neglected or worse; to you who suffer most, and who have not heretofore been properly treated, I offer a remedy suited to your delicate constitutions, and adapted to the diseases to which you are liable. Within the past few years, many, too many, of your number have been removed from the sphere of their affections and of their usefulness; but do not despair, but call at the Herb Doctors Dispensary, Front street, Columbia, where he will furnish you a suitable remedy. If you cannot call, enclose Two Dollars in a letter, post paid, containing a statement of your situation, and you will receive medicines, with full directions.

Persons wishing attendance at their houses, will state their residence at the Herb Doctor's Dispensary, next door west of Mr. Boyle's tavern, Front street, Columbia, Lancaster county, Pennsylvania.

Office Hours, from 7 in the morning till 9 in the evening. Closed on the evening of the Sabbath.

Read these certificates:

From the N. O. Sentinel, Oct., 1844.

One of our subscriber, Mr. H. Leonard, informs us that he has been cured of old, scaly Salt Rheum, of eighteen years standing, on his head, fingers and hands, by a cake of an article much advertised lately—we speak of Jones's Italian Chemical Soap. He also informs us that he has tried its effects on his female slave Rose, much marked *with sun spots, and he found in two weeks her skin much* clearer and whiter.

James Eltham, a planter in Jersey City, was cured of carbuncles and pimples, which he was afflicted with for many years, by a part of a cake of Jones's Italian Chemical Soap.

Persons in purchasing this must always ask for Jones's ITALIAN CHEMICAL SOAP,—and perhaps, as many who have been cheated with the counterfeits, will be too much discouraged to try the genuine, we say to such, try this one—you will not regret it; but always see that the name of C. P. Jones is on the Wrapper.

"O TEMPORA! O MORES!"

CAUTION TO THE PUBLIC—The only genuine "DR. WISTAR'S BALSAM OF WILD CHERRY," bears the written signature of the General Agent, W. M. SPEAR, on the out side wrapper surrounding each bottle: this is believed to be the only article, bearing the above title, as emanating from the Doctor. The virtues of Wild Cherry, for relieving affections of the Lungs, and that all important organ, the Liver, has long enjoyed the confidence of domestic practice.

City of Philadelphia, ss—William M. Spear, of the city of Philadelphia, being duly sworn according to law, deposes and says that he is in the possession of the original receipe for preparing a Balsam of Wild Cherry, for affections of the Lungs, which was given to him by Dr Wistar, a regularly educated Physician, and that he believes it to be the only one in possession of any person except the said Dr. Wistar himself. WM. M. SPEAR.

Sworn and subscribed before me, and city seal affixed, on the first day of November, A D. 1847.

(L. S.) JOHN SWIFT, Mayor.

A copy right for the Balsam is secured.

Absurd as it may appear in the face of the above undeniable proof, an individual from Boston, Mass, recently applied to the United States District Court of Pennsylvania for an injunction on the General Agent for the United States and the British Provinces, to prevent and Agent from selling the only genuine Dr Wistar's Balsam of Wild Cherry, (said individual assuming the right.) Of course the Hon. Judge of said Court promptly refused it.

The Balsam is not one of the quack nostrums of the day, claiming to cure per-sons whose cases are beyond the reach of medicine, (or restoring others to life;) it only claims, and has proved in thousands of cases, to be the *safest* most efficacious, and only genuine preparation of Wild Cherry of the nineteenth century, for affections of the Lungs, Liver, and Kidneys, frequently terminating in consumption, ever offered to the public

A liberal discount to druggists and country dealers.

NOTICE TO THE PUBLIC.—I have this day appointed T. W. DYOTT & SONS, No 132, North Second street, Philadelphia, Wholesale Purchasing Agents for the (only genuine) DR. COMPOUND EXTRACT OF SARSAPARILLA. This Extract is put up in QUART BOTTLES—it is six times cheaper, pleasanter, and warranted superior to any sold. It cures diseases without vomiting, purging, sickness, or debilitating the patient, and is particularly adapted for a

FALL AND WINTER MEDICINE.

The great beauty and superiority of this Sarsaparilla, over all other remedies is, whilst it eradicates disease, it invigorates the body.

CONSMPTION CURED.

CLEANSE AND STRENGTHEN.

CONSUMPTION CAN BE CURED.

Bronchitis, Consumption, Liver Complaint, Colds, Coughs, Catterh, Asthma, Spitting of Blood, Soreness in the Chest, Hectic Flush, Night Sweats, Difficult or Profuse Expectoration, and Pain in the Side, &c, have and can be cured.

Probably there never was a remedy that has been so successful in desperate cases of consumption as this; it cleanses and strengthens the system, and appears to heal the ulcers on the lungs, and the patients gradually regain their usual health and strength.

CURIOUS CASE OF CONSUMPTION.

There is scarcely a day passes but there are a number of cases of Consumption reported as cured by the use of Dr. Townsend's Sarsaparilla. The following was recently received:

Dr. Townsend—Dear Sir:—For the last three years I have been afflicted with general debility, and nervous consumption of the last stage, and did not expect to ever gain my health at all. After going through a course of medicine under the care of some of the most distinguished regular physicians and members of the Board of Health in New York and elsewhere, and spending most of my earnings, in attempting to regain my health, and after reading in some paper of your Sarsaparilla, I resolved to try it.—After using six bottles I found it done me great good and called to see you at your office; with your advice I kept on, and do most heartily thank you for your advice. I persevered in taking the Sarsaparilla, and have been able to attend to my usual labors for the last four months, and I hope by the blessing of God and your Sarsaparilla to continue my health. It helped me beyond the expectations of all who knew my case. CHARLES QUIMBY.

SPITTING BLOOD.

Read the following and say that Consumption is incurable if you can:

New York, April 23, 1847.

Dr. Townsend—I verily believe that your Sarsaparilla has been the means, through Providence, of Saving my life. I have for several years had a bad cough. It became worse and worse. At last I raised large quantities of blood, had night sweats, and was greatly debilitated and reduced, and did not expect to live. I have only used your Sarsaparilla but a short time, and there has a wonderful change been wrought in me. I am now able to walk all over the city. I raise no blood, and my cough has left me. You can well imagine that I am thankful for these results. Your obedient servant.

TWO CHILDREN SAVED.

Very few families indeed—in fact we have not heard of one—that used Dr. Townsend's Sarsaparilla in time lost any children the past summer, while those that did not sickened and died. The certificate we publish below is conclusive evidence of its value, and is only another instance of its saving the lives of the children:

D. Townsend—Dear Sir: I had two children cured by your Sarsaparilla of the summer complaint and dysentery: one was only 15 months old, and the other 3 years. They were very much reduced, and we expected they would die; they were given up by two respectable physicians. When the doctor informed us that we must lose them, we resolved to try your Sarsaparilla we had heard so much of, and but little confidence there being so much stuff advertised that is worthless but we are very thankful that we did, for it undoubtedly saved the lives of both. I write this that others may be induced to use it.

Yours, respectfully, JOHN WILSON, Jr.
Myrtle-Avenue, Brooklyn, Sept. 15 1847.

LUNATIC ASYLUM.

James Cummings, Esq., one of the assistants in the Lunatic Asylum, Blackwell's Island, by the gentlemans spoken of in the following letter:

RHEUMATISM.

This is only one of more than four thousand cases of rheumatism that Dr. Townsend's Sarsaparilla has cured. The most severe and chronic cases are weekly eradicated by its extraordinary virtues:

BLACKWELL'S ISLAND, Sept. 14, 1847.

DR. TOWNSEND—Dear Sir: I have suffered terribly for nine years with rheumatism; considerable of the time I could not eat, sleep or work: I had the most distressing pains, and my limbs were terribly swollen. I have used four bottles of your sarsaparilla, and they have done me more than one thousand dollars' worth of good—I am so much better. I feel as though restored. You are at liberty to use this for the benefit of the afflicted.

Yours, Respectfully,
JAMES CUMMINGS.

TO THE LADIES.

DR. TOWNSEND'S SARSAPARILLA is a favorite of the Ladies. It relieves them of a great amount of suffering, and gives them fine complexions, and buoyant spirits. Mrs. Parker kindly sent us the following:

SOUTH BROOKLYN, Aug., 17, 1847.

DR. TOWNSEND—Sir: It gives me pleasure to testify to the beneficial effects I have experienced from the use of your Sarsaparilla. My system was very much reduced by nervousness and general debility, and with a variety of female complaints. I read your advertisement, and was induced to try the effect of your remedy. It restored me to a better state of health. I had not enjoyed for several years previous to taking it; and I do most cheerfully recommend it as a valuable medicine to all who are afflicted as I have been.

Mrs. PARKER, Baltic st, South Brooklyn.

LADY SAVED.

The following is from a very respectable farmer residing at Hempstead:

DR. TOWNSEND—Dear Sir: My wife has been suffering so severely from the Dyspepsia and general derangement of the system, that we supposed she must die. The Physicians could not resist the disease, and she would have died beyond doubt if we had not given her your Sarsaparilla. It has saved her life certainly. She is almost entirely relieved, and is gaining strength and health. She will continues the use of it.

Yours, respectfully, ELIZA ABRAM.

LIVER COMPLAINT.

NEW YORK, SEPT. 9, 1847.

DR. TOWNSEND:—Dear Sir—I am constrained, as an act of justice, to publicly acknowledge the great benefits *received from the use of your Sarsaparilla*, being in town about two years since in a very weak and debilitated state. My disease was a chronic inflammation of the liver and stomach, and, as many thought consumption; I was so reduced that I had very little hope of recovery. Hearing and reading considerably of the effects of your medicine, I resolved to try it, though I entertained a prejudice against advertised remedies. I had taken the medicine but a short time, and began to recover gradually and continued to get better, and am now well. Indeed I am so much improved that my friends scarcely recognized me when I returned to the city. You are at liberty to publish this if you think it will extend the use of your *excellent* remedy. T. TOWNE.

One thousand or more additional agencies, for the sale of Dr Townsend's Sarsaparilla, will be established in such places where an agency is not already appointed, in the States of Pennsylvania, New Jersey, Delaware, Maryland, Virginia, and other Southern and Western States.

The terms of agency to be complied with will be as follows: Not more than one person will have the appointment in a place, who will be advertised as such in one or more papers published at such place, or the nearest paper to the place. The will also be furnished with aland handbills setting forth the virtues of the medicine, with their names printed as the Agents, for circulation.

A list of all such names will be regularly published in DYOTT'S ORACLE OF HEALTH; copies of all such will be furnished them for circulation gratis, with splendid showbills of Dr. Townsend's entire establishment.

For all these advantages, the payment for a supply of the Sarsaparilla will be required when ordered, and at any time when the Agency is relinquished, if any of the Medicine should remain unsold, it will be taken back at the price paid for it.

And at the same time they will mention the names of any newspapers published in or near the place in which they reside.

N. B—Persons inquiring for this medicine should not be induced to take any other. Druggists put up Sarsaparillas, and of course prefer selling their own; others have purchased that put up in small bottles, and because they make a greater profit, recommend them. Scrofula or King's Evil, Rheumatism, Obstinate Cutaneous Eruptions, Tumors or Pustules on the face, Blotches, Biles, Chronic Sore Eyes, Ring Worm or Tetter, Scald Head, Enlargement and Pain of the Bones and Joints, Stubborn Ulcers, Syphilitic Symptoms, Scrofica or Lumbago, Diseases arising from an injurious use of Mercury, Dropsy, Exposure or Imprudence in life. Also, Chronic Constitutional Disorders.

In this medicine several innocent but very potent articles of the vegetable kingdom are united, forming a compound entirely different in its character and properties from any other preparation, and unrivalled in its operation on the system when laboring under disease. It should be in the hands of every person, who by business, or general course of life, is predispo-sed to the very many ailments that render life a curse, instead of a blessing, and so often result in death.

CONSUMPTION.

The following testimony is from an able practitioner of this city:

PHILADELPHIA, December 11, 1847.

DEAR SIR:—In reply to your question respecting the use of Dr. Drake's Panacea, I will say that although a perfect disbeliever in the existence of a Panacea, or cure for all diseases, however valuable it may be in certain conditions of the system, still I have believed that a cure for Consumption would be discovered sooner or later, and was led to try your medicine in two very inveterate cases. They were pronounced by the attending physicians to be PULMONARY CONSUMPTION, and abandoned by them as incurable. One of these persons had been under the treatment of several very able practitioners for a number of years, and they said she had "old fashioned Consumption combined with Scrofula," and that she might linger for sometime, but could not be permanently relieved. In both cases the effect of the Panacea has been most gratifying. Only four or five bottles were used by one of the persons before she began to improve rapidly. The other took about ten. They are both well. I will only add, that familiar as I am with Consumption by inheritance and by extensive observation as a study, and knowing also the injurious effects in nine cases out of ten of tar, boneset, and other vegetable tomes, as well as of many of the expectorants and sedatives, I should never have recommended the use of Drake's Panacea if I had not been acquainted with its properties. Suffice it to say these are recommended by our most popular and scientific physicians, and in their present combined state, form probably the best alterative that has ever been made. The cure is in accordance with a theory of Consumption broached in France a few years ago, by one of her most eminent writers on medicine, and now established by facts which admit of no dispute. Very Respectfully Yours,

L. C. GUNN, Corner Chest. and Fifth st.

LIVER COMPLAINT AND DYSPEPSIA.

Astonishing cure of Liver Complaint and Dyspepsia, in connection with General Debility of the whole system:

PHILADELPHIA, March 7, 1848.

Messrs. Storrs & Co.—Gentlemen:—My wife has been for several years afflicted with a pain through her right side and shoulder, accompanied with chills through her whole system, and almost constantly a sick stomach, attended with pain invariably after eating or drinking; so much so as to deprive her of all satisfaction in attempting to eat, even if she had a desire for food, which was not often the case, as her appetite was completely gone. A friend persuaded her to give DR. DRAKE'S PANACEA a trial and I am now happy to say the first bottle gave her relief. Our family physician examined the Panacea, and approved of her using it. She has taken three bottles since, and is greatly benefited. She has now a good appetite, and can eat hot meats with satisfaction. The pain, pain and sick stomach have entirely left her, and we feel confident that the Panacea has affected a couple cure of her difficulties, and would recommend to all who are afflicted as she has been to try Dr. Drake's Panacea.

WILLIAM ASHMAN,
No 33, North Third Street.

The above are but a few of the numerous testimonials we are constantly receiving, of the wonderful efficacy of Dr. Drake's Panacea. It is a plea-ant, yet most searching remedy; and the first trial will prove its power. Its reputation has increased since its introduction to a degree hitherto unknown in all medical discoveries.

With the firm conviction that no other remedy, so called, of the present age, is equal to this, and that the theory upon which it is compounded is too truly established to be overthrown, the *proprietors* submit to the world Dr. Drake's Panacea, willing to stand or fall upon its own merits, well satisfied it will sustain the reputation it has already acquired.

☞ CAUTION.—*The genuine* DR. DRAKE'S PANACEA is put up in large square bottles—it has the signature of Geo P. Storrs on the wrapper—and also the name "Dr. Drake's Panacea, Phila." blown in the glass.

Prepared only by Storrs & Co., Druggists, No. 21 North Sixth Street, Phila.

THIS ATTENTIVELY! Doctor Hofland's Celebrated GERMAN BITTERS,

Will effectually cure the Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, Indigestion Flatulence, Asthma, Diabetes, Disease of the Kidneys, Pulmonary Affections, (arising from disease of the stomach and liver,) and all diseases arising from a weak or disordered stomach in both Male and Female, such as Female Weakness, Dizziness, Fullness or Blood to the Head, Inward Piles, Fluttering of the Heart, Difficulty of Breathing, Constant Imaginings of Evil, Great Depression of Spirits, Dimness of Vision, Pain in the Side, Back, Breast, or Limbs, Cold Feet, &c.

They remove all acidity, and give tone and action to the stomach, and assist digestion; they contain no alcoholic *stimulant, and can be taken by the most delicate* stomach, and will in every case entirely destroy Costiveness, and renovate the whole system, removing all im*purities from the body*, and remnants of previous disease, and give health and vigor to the whole frame, thereby preventing frightful dreams, walking while asleep, &c., *which often result in accident.*

The functions of the stomach are of the utmost importance to every one, constituting the source and fountain *of life, which is nutrition.* No organ possesses such remarkable sympathies, none such remarkable power in modifying every part of the system. A greater number of persons fall victims to the harrowing of Consumption *and Dispepsia and more organic diseases commencing in* the digestive system, than all other diseases combined. The many thousands who die with Yellow Fever, Cholera, *Influenza, and other epidemics*, is owing to disease or derangement there. If the digestive system is in perfect health, the nervous system and the circulation of the blood will be free from *ills*, as upon it they depend, then epidemics *loose all their terror.*

Those living in, or visiting districts harrassed with *FEVER AND AGUE annually*, will find that by the timely use of one or two bottles to renovate and strengthen the system, no excess of bile will accumulate, and they will not in any one instance take the disease. Prevention *is far better than cure.*

The rare success in treating diseases of the stomach successfully, has not been so much a want of pathological *knowledge of its functions*, as the preparation of suitable Vegetable compounds, so as to obtain not only their whole power, but as they would be most effectual and *grateful.*

We are all aware that too many preparations have been, and are now before the public, that act only as palliatives, and some that change the locality of the disease, or prevent it for a short period, then it returns more formidable than in the first instance. Such preparations have destroyed the public confidence. This article standing alone in its number of cures, and unrivalled, as thousands of our citizens can attest who have tested its virtues, can always be depended upon for the above named diseases. It will cure any case that can be cured by medicine, no matter who, or what else has failed; it will *perfectly restore* the diseased organic functions of the Stomach, Intestines, Respiration, Circulation, &c.

These Bitters, and the Spikenard Ointment will cure any case of Inward Piles; it is a rare occurrence to re*quire more than one* bottle of each for the worst cases

PHILADELPHIA ADVERTISEMENTS.

GREAT DESTRUCTION.

HOW many die a most horrible death without the simple cause being suspected. Some linger for years, as they suppose, from dispepsia, when it is worms, which causes most diseases. There has come under our notice several cases of supposed dispepsia, of several years' standing, when we have recommended the Syrup, which has entirely restored them to health. We would say to AULTS when they are afflicted with Sour Stomach, Sick Head Ache, Fits, *a frequent deceive to make Stools*, Leanness, Bloated Stomach, Nervousness, Sickness after eating, Sensation of rising in the throat after eating, &c., be assured it is simply worms, and it needs but a trial of

HOBENSACK'S WORM SYRUP

to satisfy you it is so, and if you have any of the above *symptoms and the Syrup fails to cure, the agent will re*fund the money. TO PARENTS we would say, that the greatest sin you are convicted of, is to let your children suffer and die, when there is a simple pleasant Vegetable *remedy at hand.* It is said by *our oldest Physicians, that* Worms cause more deaths yearly, than all the other dis*eases the human family are subject to.* Then, how important it is to have a safe and pleasant remedy at hand. Parents, when your children have sore or inflamed eyes, you may *rest sat
