One of our exchanges says:—"A large man-eating shark was captured off Cape Cod. Another newspaper reports the circumstance as follows;—"A large man, eating shark, was captured off Cape Cod."

Consumption. The terrible disease is commonly attributed to our climate. But if the climate were to blame, the disease would have been inflicted on that, and not upon the people. We think the fault is in the people, and that if the people would keep the skins of themselves and their children properly washed, and abstain from gluttony, poison, and idleness for a generation or two, consumption would be no more known than is now, in good society, the disease for which scratching and sulphur are the principal remedies.

However, consumption prevails as matters are, and picks off the best and prettiest of us, in our prime. In this state of things we must do the best we can, piece out and patch out the web of life, with journeys, voyages and medicines. Of all the medicines we know of, Dr. Wistar's "Balsam of Wild Cherry" is what we should first recommend. We have in our office a living proof of its efficacy, who, but for it, would have been beneath the sod long ago. The inventor of this medicine, Dr. Wistar, was a man of science of humanity, and undoubtedly prepared the remedy in its best form, and the public may rely upon Mr. Fowle for the genuine article.—Boston Daily Chronotype, Jan. 18, 1847.

Dr. Swayne's COMPOUND SYRUP OF WILD CHERRY. AN IMPORTANT LETTER.

Read the following letter from Wm. Shaw, a respectable Druggist in Wilmington, N. C., a gentleman of undoubted veracity, in whose word the most implicit confidence may be placed, another proof of the superiority of Dr. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY, in curing Coughs, Colds, CONSUMPTION, Asthma, Bronchitis, Liver Complaint, Spitting Blood, and all diseases of the Lungs and Breast.

WILMINGTON, N. C., Jan. 5, 1846.

DR. SWAYNE—DEAR SIR:—You will please send me twelve dozen, or more, as you see fit, of your SYRUP OF WILD CHERRY. From sales to-day, I have but a half dozen on hand; the sales are rapidly increasing and will. I have no doubt, continue to do so. An acquaintance of mine called a few days ago to say he would give me a certificate of its good effects. He is from the country, and a minister in the Methodist Church. Shortly after obtaining the agency, I prevailed upon him to try a bottle though I doubted whether any benefit would be derived, for he, as well as myself, thought his case was confirmed Consumption; in fact every symptom was indicative—Shortly after, he wrote to me to send him four or five bottles more. He came to town last week. I will quote his own language: "Sir," said he, "I am a new man, and I consider it a duty I owe to the public, to tell what Dr. Swayne's Compound Syrup of Wild Cherry has done for me." I will publish his certificate, and as he is generally known all over our section. I expect good results from it.

With every feeling of respect, yours truly,

WM. SHAW.

Letters such as the above are daily received from all parts of the country, but we publish this as one of the many proofs of its efficacy. Avoid all preparations purporting to contain Wild Cherry, except that bearing the written signature of Dr. Swayne, as they are most likely quite destitute of the article from which they borrow a name.

The (original and only) genuine article is prepared by DR. SWAYNE, corner of Eighth and Race sts., Philadelphia, and for sale by agents in all parts of the United States, and some parts of Europe.

Please take Notice—We have been frequently annoyed by a soap vender in Philadelphia, named Hauol, who meanly copies our advertisements and applies the same to his own use. Now, what principle can a man possess who will condescend to make use of such mean artifices to insure his success and make his articles sell. A man's composition or his stereotype matter, is as much his property as his stock in business, or goods, wares and chattels: if, then, another man meanly adopts such composition or property for his own use, what better is he than a rogue who will make illegal use of your goods? In a little handbill of ours, which we wrap around our Chinese Medicated Soap, we have at the head of the bill a small paragraph which reads thus:

"In an evil hour the serpent entered Paradise, and Beauty lost its charm. But the Allwise gave man power over all animal and vegetable matter. And the mysterious secret of restoring unto woman her former pure, clear and beautiful complexion, is combined in Radway's Chinese Medicated Soap."

On looking over the Philadelphia Ledger on Monday, the 16th Oct., we were surprised to see our matter made use of for dressing up another man's article, and that man our competitor in business, and for the public's approbation of our respective articles. We offer to the public Radway's Chinese Medicated Soap as a sure exterminator of the Cuticle, and a certain cure for all eruptions of the skin. As a Toilet Soap, we candidly believe it to be the most superior soap extant. As a Medicated Soap we sincerely believe it to possess qualities which no other soap possesses.

For the cure of salt rheum, ringworm, erysipelas, chapped, cracked and repulsive skin, we know it is certain in its effects, and is superior to all others ever invented.—Lastly, we never condescend to make use of other men's composition to make our articles sell. We furthermore warn this man, Jules Hauol, not to infringe on our rights, or make use in any manner whatever of our stereotype composition. With these few remarks we leave the public to judge the merits of our Chinese Medicated Soap, and the merits of an article clothed in false colors to make it sell.

Ladies and gentlemen, if you wish to get Radway's Soap in all its purity, call on R. WILLIAMS, and WM. A. LEADER, Columbia, and Zahm & Jackson, in Lancaster.

Thousands of cases of Rheumatism, Dyspepsia, Liver Complaint, Mercurial Diseases, Ulcers and Impurities of the blood, have been cured by this Panacea. The testimonials of which will be furnished in pamphlet form gratis.

ISAAC BROOKS' CASE.

We the undersigned, having visited Mr. Isaac Brooks, Jr., at the office of Messrs. Rowand & Walton, 376 Market street, Philadelphia, consider his case the most remarkable one we have ever witnessed or heard of.

His disease was Scrofula, and terrible must have been his twelve years' conflict with the destroyer! His palate, the entire roof of his mouth, nose, upper lip, and lower lid of the right eye have been destroyed, his face nearly eaten up, and part of the jaw bone carried away. And yet we can give no description of his case.

Mr. B. informs us that in January last, the whole interior of his mouth, as well as most of his face, was a mass of deep and painful ulcers!

On the 14th of January last, he commenced taking Dr. Cullen's Indian Vegetable Panacea, which checked the disease in a few days, and from that time the cure has progressed without intermission.

New flesh has supplied the place of the deep ulcers, and though badly disfigured, his face is sound, and his general health is restored.

We are assured that in the treatment of Mr. Brooks' case, no Mercurials, Ointments, or Caustic applications have been used,—in fact, the Panacea alone, has wrought this wonderful change.

And thousands of others equally respectable, whose names might be added if necessary.

If there should be one who still hesitates to use this valuable medicine, or disposed to give the preference to any other, or yield to the advice of prejudiced physicians not to use the PANACEA, we ask that one to read the following certificates. Mr. Caldwell a gentleman of respectability and well known in the lower part of the city, where he carries on his business as a currier.

Mrs. Foster is also well known as a respectable member of the Ebenezer M. E. Church. We would remind the afflicted, that it is but a few weeks since we published THREE new certificates—here are two more—Is there a medicine in existence that cures with the certainty that this does? We invite those who have any doubts to call upon Mr. Caldwell or Mrs. Foster, and they will have a much fuller account than can be given in a certificate.

MEASLES.

To ROWAND & WALTON—Gents

I with pleasure give you a brief statement of the CURE performed on my son by your Dr. Cullen's Indian Vegetable Panacea. In the early part of last spring my little boy, about four years of age, had the measles badly, during which time he took cold. After the measles left him, his ears commenced discharging matter—his eyes became much inflamed and very sore. I found his sight would be entirely destroyed. His head was literally covered with scabby ulcers, which extended over a considerable portion of his face. We tried several remedies, but without benefit. I saw in the "Daily Sun" newspaper a cure performed on a child of Mr. Hopkins, by your Panacea, and inviting those interested to call on him. I did so, and became satisfied to give it a trial. The first bottle produced a decided change for the better. He took four bottles and the disease is completely mastered, and I have no fears of a return.

I must say I was much opposed to patent medicines, as they are called—believed them to be catch-penny humbugs—but my mind is changed. I now believe your Panacea to be the most valuable medicine ever introduced, and have no hesitation in recommending it to all who need a medicine of the kind.

I remain gratefully yours, &c.

JOHN CALDWELL. 356 south 2d street.

ERYSIPELAS.

PHILADELPHIA, March 17th, 1848.

ROWAND & WALTON, Gents.—For the benefit of the afflicted, and in gratitude to you, I cheerfully make the following statement.

About eleven years since a red spot made its appearance upon my ankle. It did not trouble me for some years. About four years ago it became inflamed and painful. I was then informed it was Erysipelas. I procured some salve from Dr. S., which spread the disease over my body and head. My face was so much swollen that I was blind. I then applied to Dr. Gardner—he gave me some powders, which I took for some time without any benefit, I was now suffering more than pen or tongue can describe—none can know anything of my sufferings unless they have been like afflicted.

Mr. Chase, a particular friend of mine, had so much confidence in your Dr. Cullen's Indian Vegetable Panacea, that he insisted on my giving it a trial. "HE KNEW IT WOULD CURE ME." At his request I called upon you, and procured a bottle of the medicine, which gave me encouragement to go on. I have taken six bottles, and am entirely well, and have been so for almost two years. I would say to all who need a purifying medicine of the kind, "get it by all means," I believe it to be the best medicine ever known. Yours, truly,

ELIZABETH C. FOSTER.

South 2d street, west side, 2d door above Washington street.

KING'S EVIL.

PHILADELPHIA, April 11th, 1848.

ROWAND & WALTON—Gentlemen. I feel it to be my duty to give you a statement of the wonderful cure Dr. Cullen's Indian Vegetable Panacea has effected upon me, that others like afflicted may know where they can procure that great and. I believe, the only cure for.

SCROFULA, OR KING'S EVIL.

About two years since, my neck began to swell; kernels formed under my jaws and ears, they continued to swell and become very painful. I was advised to try many things, but to no purpose, except a waste of my money. Poultices brought them to a head, causing them to break and discharge very freely.

The swellings instead of diminishing in size, increased until the lumps extended completely around my neck, many as large as a hen's egg, and one as large as my fist, I was in this condition when your Panacea was recommended to me by Mr. Garrison. I commenced its use.—The swellings began to diminish almost from the time I began to take it. My friend who recommended me to take the medicine, insisted that I should continue to use it as he knew of so many persons who had been cured by it. I accordingly persevered, and have now used about one dozen bottles, and consider myself a well man. I do not think there is such another medicine in the world. I will be pleased to see any one wishing further information at Mr. Jesse Baker's hand box manufactory, No. 22, Bank street, who can also certify to the above statement. JOHN FARROW.

Mr. Baker and Mr. Garrison whose store is at No. 23, Jones alley, are both well known in this city, and will corobarate the above statement.

SHOWER-BATH. An entirely new article for Shower Bathing, with warm or cold Water.

A great and important improvement is made in this Shower-Bath over all others, by throwing the water immediately on the body, without wetting the head, unless at the will or pleasure of the bather; but a greater point is gained by being enabled to bathe with warm water, which no other Shower-Bath is adapted to—and most of all, the Bath can be medicated without injury to the hair.

Many persons cannot take a cold bath—their case in met in this as they can regulate the temperature of the water to suit their wish, and commence bathing at any season of the year without any unpleasant result. Ladies can have the advantage of bathing without wetting the head or covering the same.

The arrangements are simple and complete, and not liable to get out of order. The Bath can be adjusted to suit any height, from a small child to the tallest person. When the door is closed, the fixtures are hid and the outside appearance is that of a neat piece of furniture.

They have received the approbation of several medical gentlemen—others are requested to call and examine them. Manufactured by the Patentee.

ALL DISEASES

OF THE head, face and hands, such as scurvey, erysipelas, saltrheum, itch, sores, sore heads, tetr, freckles, sunburn, morphew, yellow, dark disfigured skin are cured. When these causes are removed, persons who use the bath freely should remember that more than water is required to remove the humor from the pores. I have seen persons who have had filthy skin diseases, for years, and after trying everything in vain, have been cured by washing the skin with Jones's Italian Chemical Soap, and can conscientiously offer it for any of the above complaints. It is particularly adapted to persons from the sunny South. They would find their skin much whiter, clearer and smoother by its use. But they must be sure to ask for Jones's Chemical Soap, as there are *numerous counterfeits*. Price 50 cents. For sale by R. Williams, agent for Columbia. au26'48-1dec26
