JONES'S

ITALIAN Chemical Soap cures Pimples, Blotches, Salt Rheum, Scurvy, Erysipelas, Sore Heads, Old Sores, Sore Beard and Barber's Itch, Chapped and tender Flesh, Freckles, Tan, Sunburn, and changing Dark, Sunburnt or Yellow Skin to a pure clear white, as smooth and soft as an infant's. And, in fact, every kind of eruption and disfigurement. Read these certificates:

From the N. O. Sentinel, Oct., 1844.

One of our subscriber, Mr. H. Leonard, informs us that he has been cured of old, scaly Salt Rheum, of eighteen year's standing, on his head, fingers and hands, by a cake of an article much advertised lately—we speak of Jones's Italian Chemical Soap. He also informs us that he has tried its effects on his female slave Rose, much marked with sun spots, and he found in two weeks her skin much clearer and whiter.

James Elsham, a planter in Jersey City, was cured of carbuncles and pimples, which he was afflicted with for many years, by a part of a cake of Jones's Italian Chemical Soap.

Persons in purchasing this must always ask for Jones's ITALIAN CHEMICAL SOAP,—and perhaps, as many who have been cheated with the counterfeits, will be too much discouraged to try the genuine, we say to such, try this once—you will not regret it; but always see that the name of T. Jones is on the Wrapper.

THE CLIMATE

OF NEW YORK is strangely destructive to the human cuticle, (or skin,) the air from the sea, the sudden change from heat to cold, and the smoke causes YELLOW, DARK COARSE COMPLEXIONS.

It is requisite that the pores of the skin should be kept kept open—that the emunctories should be freed from impurity—twas thus the ancient Roman Philosophers cured all diseases—they computed that more diseases and unhealthy vapors left through the pores of the skin, than for any other outlet of the body. It is necessary, therefore, to keep the pores open—all humors are dispelled from the skin from the pores, when washed with Jones's Italian Chemical Soap. I have seen it cure the worst and oldest cases of Salt Rheum, Erysipelas, Old Sores, Barber's Itch, Sore Head, Ringworm, when every internal and external remedy had failed—its effects in rendering the skin white, clear and soft, though it be yellow and coarse, is wonderful—it removes Freckles, Tan, Sunburn, Morphew and disfigurement of the skin—but persons must be particular and ask for Jones's Soap. DR. TOWNSEND'S

COMPOUND EXTRACT OF SARSAPARILLA. This Extract is put up in QUART BOTTLES—it is six times cheaper, pleasanter, and warranted superior to any sold. It cures diseases without vomiting, purging, sickness, or debilitating the patient, and is particularly adapted for a

FALL AND WINTER MEDICINE.

The great beauty and superiority of this Sarsaparilla, over all other remedies is, whilst it eradicates disease, it invigorates the body.

CONSUMPTION CURED.

CLEANSE AND STRENGTHEN.

CONSUMPTION CAN BE CURED.

Bronchitis, Consumption, Liver Complaint, Colds, Coughs, Catarrh, Asthma, Spitting of Blood, Soreness in the Chest, Hectic Flush, Night Sweats, Difficult or Profuse Expectoration, and Pain in the Side, &c., have and can be cured.

Probably there never was a remedy that has been so successful in desperate cases of consumption as this; it cleanses and strengthens the system, and appears to heal the ulcers on the lungs, and the patients gradually regain their usual health and strength.

CURIOUS CASE OF CONSUMPTION.

There is scarcely a day passes but there are a number of cases of Consumption reported as cured by the use of Dr. Townsend's Sarsaparilla. The following was recently received:

Dr. Townsend—Dear Sir:—For the last three years I have been afflicted with general debility, and nervous consumption of the last stage, and did not expect to ever gain my health at all. After going through a course of medicine under the care of some of the most distinguished regular physicians and members of the Board of Health in New York and elsewhere, and spending most of my earnings, in attempting to regain my health, and after reading in some paper of your Sarsaparilla, I resolved to try it.—After using six bottles I found it done me great good and called to see you at your office; with your advice I kept on, and do most heartily thank you for your advice. I persevered in taking the Sarsaparilla, and have been able to attend to my usual labors for the last four months, and I hope by the blessing of God and your Sarsaparilla to continue my health. It helped me beyond the expectations of all who knew my case. CHARLES QUIMBY.
Orange, Essex Co., N. J., August 2, 1847.

State of New Jersey, Essex County, ss:

Charles Quimby being duly sworn according to law, on his oath saith, that the foregoing statement is true according to the best of his knowledge and belief.

Sworn and subscribed to before me at Orange, the 3rd August, 1847. CYRUS BALDWIN,
Justice of the Peace.

SPITTING BLOOD.

Read the following and say that Consumption is incurable if you can:

New York, April 23, 1847.

Dr. Townsend—I verily believe that your Sarsaparilla has been the means, through Providence, of Saving my life. I have tor several years had a bad cough. It became worse and worse. At last I raised large quantities of blood, had night sweats, and was greatly debilitated and reduced, and did not expect to live. I have only used your Sarsaparilla but a short time, and there has a wonderful change been wrought in me. I am now able to walk all over the city I raise no blood, and my cough has left me. You can well imagine that I am thankful for these results. Your obedient servant.

TWO CHILDREN SAVED.

Very few families indeed—in fact we have not heard of one—that used Dr. Townsend's Sarsaparilla in time lost any children the past summer, while those that did not sickened and died. The certificate we publish below is conclusive evidence of its value, and is only another instance of its saving the lives of children:

D. Townsend—Dear Sir: I had two children cured by your Sarsaparilla of the summer complaint and dysentery; one was only 15 months old, and the other 3 years. They were very much reduced, and we expected they would die; they were given up by two respectable physicians. When the doctor informed us that we must lose them, we resolved to try your Sarsaparilla we had heard so much of, but had but little confidence, there being so much stuff advertised that is worthless; but we are very thankful that we did, for it undoubtedly saved the lives of both. I write this that others may be induced to use it.

Yours, respectfully, JOHN WILSON, JR.
Myrtle-Avenue, Brooklyn, Sept. 15 1847.

LUNATIC ASYLUM.

James Cummings, Esq., one of the assistants in the Lunatic Asylum, Blackwell's Island, by the gentlemans spoken of in the following letter:

RHEUMATISM.

This is only one of more than four thousand cases of rheumatism that Dr. Townsend's Sarsaparilla has cured. The most severe and chronic cases are weekly eradicated by its extraordinary virtues:

BLACKWELL'S ISLAND, Sept. 14, 1847.

DR. TOWNSEND—Dear Sir: I have suffered terribly for nine years with rheumatism: considerable of the time I could not eat, sleep or work; I had the most distressing pains, and my limbs were terribly swollen. I have used four bottles of your sarsaparilla, and they have done me more than one thousand dollars' worth of good—I am so much better. Indeed, I am entirely relieved. You are at liberty to use this for the benefit of the afflicted.

Yours, Respectfully,
JAMES CUMMINGS.

TO THE LADIES.

DR. TOWNSEND'S SARSAPARILLA is a favorite of the Ladies. It relieves them of a great amount of suffering, and gives them fine complexions, and buoyant spirits. Mrs. Parker kindly sent us the following:

SOUTH BROOKLYN, Aug., 17, 1847.

DR. TOWNSEND—Sir: It gives me pleasure to testify to the beneficial effects I have experienced from the use of your Sarsaparilla. My system was very much reduced by nervousness and general debility, and with a variety of female complaints. I read your advertisement, and was induced to try the effect of your remedy. It restored me to a better state of health, I had not enjoyed for several years previous to taking it; and I do most cheerfully recommend it as a valuable medicine to all who are afflicted as I have been.

MRS. PARKER, Baltic st., South Brooklyn.

LADY SAVED.

The following is from a very respectable farmer residing at Heampstead:

DR. TOWNSEND—Dear Sir: My wife has been suffering so severely from the Dyspepsia and general derangement of the system, that we supposed she must die. The Physicians could not resist the disease, and she would have died beyond doubt if we had not given her your Sarsaparilla. It has saved her life certainly. She is almost entirely relieved, and is gaining strength and health. She still continues the use of it.

Yours, respectfully,
ELIZA ABRAM.

LIVER COMPLAINT.

NEW YORK, SEPT. 9, 1847.

DR. TOWNSEND:—Dear Sir—I am constrained, as an act of justice, to publicly acknowledge the great benefits received from the use of your Sarsaparilla, being in town about two years since in a very weak and debilitated state. My disease was a chronic inflammation of the liver and stomach, and, as many thought consumption; I was so reduced that I had very little hope of recovery. Hearing and reading considerably of the effects of your medicine, I resolved to try it, though I entertained a prejudice against advertised remedies. I had taken the medicine but a short time, and began to recover gradually and continued to get better, and am now well. Indeed I am so much improved that my friends scarcely recognized me when I returned to the city. You are at liberty to publish this if you think it will extend the use of your excellent remedy. T. THWING.

DR. DRAKE'S PANACEA,

THE only radical cure for Consumption!! It also removes and permanently cures all diseases arising from an impure state of the blood, viz:

Scrofula or King's Evil, Rheumatism, Obstinate Cutaneous Eruptions, Pimples or Pestules on the face, Blotches, Biles, Chronic Sore Eyes, Ring Worm or Tetter, Scald Head, Enlargement and Pain of the Bones and Joints, Stubborn Ulcers, Syphilitic Symptoms, Sciatica or Lumbago, Diseases arising from an injurious use of Mercury, Dropsy, Exposure or Imprudence in life. Also, Chronic Constitutional Disorders.

In this medicine several innocent but very potent articles of the vegetable kingdom are united, forming a compound entirely different in its character and properties from any other preparation, and unrivalled in its operation on the system when laboring under disease. It should be in the hands of every person, who by business, or general course of life, is predisposed to the very many ailments that render life a curse, instead of a blessing, and so often result in death.

CONSUMPTION.

The following testimony is from an able practitioner of this city:

PHILADELPHIA, December 14, 1847.

Dear Sir:—In reply to your question respecting the use of Dr. Drake's Panacea, I will say that although a perfect disbeliever in the existence of a Panacea, or cure for all diseases, however valuable it may be in certain conditions of the system, still I have believed that a cure for Consumption would be discovered sooner or later, and was led to try your medicine in two very inveterate cases. They were pronounced by the attending physicians to be PULMONARY CONSUMPTION, and abandoned by them as incurable. One of these persons had been under the treatment of several very able practitioners for a number of years, and they said she had "old fashioned Consumption combined with Scrofula," and that she might linger for sometime, but could not be permanently relieved. In both cases the effect of the Panacea has been most gratifying. Only four or five bottles were used by one of the persons before she began to improve rapidly. The other took about ten. They are both well. I will only add, that from what I am with Consumption by inheritance and by extensive observation as a study, and knowing also the injurious effects in nine cases out of ten of tar, boneset, and other vegetable tonics, as well as of many of the expectorants and sedatives, I should never have recommended the use of Drake's Panacea if I had not been acquainted with the ingredients. Suffice it to say these are recommended by our most popular and scientific physicians, and in their present combined state, form probably the best alterative that has ever been made. The cure is in accordance with a theory of Consumption broached in France a few years ago, by one of her most eminent writers on medicine, and now established by facts which admit of no dispute. Very Respectfully Yours,

LIVER COMPLAINT AND DYSPEPSIA.

Astonishing cure of Liver Complaint and Dyspepsia, in connection with General Debility of the whole system:

PHILADELPHIA, March 7, 1843.

Messrs. Storrs & Co.—Gentlemen:—My wife has been for several years afflicted with a pain through her right side and shoulder, accompanied with chills through her whole system, and almost constantly a sick stomach, attended with pain, invariably after eating or drinking; so much so as to deprive her of all satisfaction in attempting to eat, even if she had a desire for food, which was not often the case, as her appetite was completely gone. A friend persuaded her to give DR. DRAKE'S PANACEA a trial and I am now happy to say the first bottle gave her relief. Our family physician examined the Panacea, and approved of her using it. She has taken three bottles since, and is greatly benefitted. She has now a good appetite, and can eat her meals with satisfaction. The chills, pain, and sick stomach have entirely left her, and we feel confident that the Panacea has affected a couple cure of her difficulties, and would recommend to all who are afflicted as she has been to try Dr. Drake's Panacea

WILLIAM ASHMAN,
No. 331, North Third Street.

The above are but a few of the numerous testimonials we are constantly receiving, of the wonderful efficacy of Dr. Drake's Panacea. It is a pleasant, yet most searching remedy; and the following will prove its power. Its reputation has increased since its introduction to a degree hitherto unknown in all medical discoveries.

With the firm conviction that no other remedy, so called, of the present age, is equal to this, and that the theory upon which it is compounded is too firmly established to be overthrown, the proprietors solicit a trial of Dr. Drake's Panacea, willing to stand or fall upon its own merits, well satisfied it will sustain the reputation it has already acquired.

☞ CAUTION.—The genuine DR. DRAKE'S PANACEA is put up in large square bottles—it has the signature of Geo. F. Storrs on the wrapper—and also the name "Dr. Drake's Panacea, Phila." blown in the glass.

Prepared only by Storrs & Co., Druggists, No. 21 North Sixth Street, Phila.

THIS ATTENTIVELY! Doctor Hofland's Celebrated

GERMAN BITTERS,

Will effectually cure the Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, Indigestion Flatulence, Asthma, Diabetes, Affections of the Kidneys, Pulmonary Affections, (arising from disease of the stomach and liver,) and all diseases arising from a weak or disordered stomach in both Male and Female, such as Female Weakness, Dizziness, Fullness or Blood to the Head, Inward Piles, Fluttering of the Heart, Difficulty of Breathing, Constant Imaginings of Evil, Great Depression of Spirits, Dimness of Vision, Pain in the Side, Back, Breast, or Limbs, Cold Feet, &c.

They remove all acidity, and give tone and action to the stomach, and assist digestion; they contain no alcoholic stimulant, and can be taken by the most delicate stomach, and will in every case entirely destroy Costiveness, and renovate the whole system, removing all impurities from the body, and remnants of previous disease, and give health and vigor to the whole frame, thereby preventing frightful dreams, walking while asleep, &c., which often result in accident.

The functions of the stomach are of the utmost importance to every one, constituting the source and fountain of life, which is nutrition. No organ possesses such remarkable sympathies, none such remarkable power in modifying every part of the system. A greater number of persons fall victims to the harrassing of Constipation and Dispepsia and more organic diseases commencing in the digestive system from, than all other diseases combined. The many thousands who die with Yellow Fever, Cholera, Influenza, and other epidemics, is owing to disease or derangement there. If the digestive system is in perfect health, the nervous system and the circulation of the blood will be also, as upon it they depend, then epidemics loose all their terror.

Those living in, or visiting districts harrassed with FEVER AND AGUE annually, will find that by the timely use of one or two bottles to renovate and strengthen the system, no excess of bile will accumulate, and they will not in any one instance take the disease. Prevention is far better than cure.

The rare success in treating diseases of the stomach successfully, has not been so much a want of pathological knowledge of its functions, as the preparation of suitable Vegetable compounds, so as to obtain not only their whole power, but as they would be most effectual and grateful.

We are all aware that too many preparations have been, and are now before the public, that act only as palliatives, and some that change the locality of the disease, or prevent it for a short period, then it returns more formidable than in the first instance. Such preparations have destroyed the public confidence. This article standing alone in a number of cures, and unrivalled, as thousands of our citizens can attest, who have tested its virtues, can always be depended upon for the above named diseases. It will cure any case that can be cured by medicine, no matter who, or what else has failed; it will perfectly restore the diseased organic functions of the Stomach, Intestines, Respiration, Circulation, &c.

These Bitters, and the Spikenard Ointment will cure any case of Inward Piles; it is a rare occurrence to require more than one bottle of each for the worst cases.

For sale at the GERMAN MEDICINE OFFICE, No. 278, Race Street, one door above Eighth, south side, Philadelphia. In Lancaster, by John F. Long; in Harrisburg, by Daniel W. Gross; in Pittsburg, by Wm. Thorn—and by dealers generally throughout the United States.

GREAT DESTRUCTION.

HOW many die a most horrible death without the simple cause being suspected. Some linger for years, as they suppose, from dispepsia, when it is worms, which causes most diseases. There has come under our notice several cases of supposed dispepsia, of several years' standing, when we have recommended the Syrup, which has entirely restored them to health. We would say to AULTS when they are afflicted with Sour Stomach, Sick Head Ache, Fits, a frequent deceive to make Stools, Leanness, Bloated Stomach, Nervousness, Sickness after eating, Sensation of rising in the throat after eating, &c., be assured it is simply worms, and it needs but a trial of

HOBENSACK'S WORM SYRUP

to satisfy you it is so, and if you have any of the above symptoms and the Syrup fails to cure, the agent will refund the money. TO PARENTS we would say, that the greatest sin you are convicted of, is to let your children suffer and die, when there is a simple pleasant Vegetable remedy at hand. It is said by our oldest Physicians, that Worms cause more deaths yearly, than all the other diseases the human family are subject to. Then, how important it is to have a safe and pleasant remedy at hand. Parents, when your children have sore or inflamed eyes, you may rest satisfied that it is caused by worms, and you will do well to call on the storekeepers of your neighborhood and get a Book of Hobensack's, containing certificates of cures and the symptoms of worms. Always keep a Bottle of Hobensack's Worm Syrup on hand, it is a friend in need.

MESSRS HOBENSACK—Gentlemen: I take great pleasure in informing you of the great efficacy of your Worm Syrup; having been afflicted for five years, and wasted away to a mere skeleton, without recieving any benefit from various medicines, I was induced by Jesse Roberts to try your Worm Syrup, as he informed me it had brought worms from him; also, of Squire A. Tomlinson, of Bucks county, a man over fifty years old, whom I am well acquainted with. I then commenced taking your Syrup, and it brought a very large quantity of worms, some ten inches in length, and entirely restored me to health, and, I must say I feel like a new man.

Yours, truly, JOHN HART, Phil'a co.

Mr. J. Hart is a gentleman thirty-three years of age, living five miles out of the city, back of Second st. road and is only one amongst the hundred grown persons that have been saved by HOBENSACK'S WORM SYRUP.

Messrs. Hobensack:

I have been looking for some of your Worm Syrup for some time; I have sold all but one bottle; I wish you to send me two dozen immediately. I believe it to be a good medicine; I have seen it tried to my satisfaction. I have known one dose to bring from a child three worms, ten inches long, and from another twenty worms, eight inches long in one day. I have sold different Worm Medicines for a number of years, but never sold any that gave such universal satisfaction.

Respectfully, yours, WM. BROOKFIELD,

Messrs. J. N. & G. S. Hobensack—Gentlemen—I have been for some time using your "Vermifuge" in my practice, and I am happy to say that in my hands it has succeeded in its intention, so as fully to justify my confidence in its use. I think it among the very
