CHILD BIRTH.

A Valuable Scientific Work, upon the subject of Gestation and Child-Birth, by R. M. Weisselhoff, M. D., late of Paris, just published by the author.

This work contains information upon subjects of the highest importance to married persons, or those contemplating marriage. It will be found of special value to those whose means, health, or other circumstances do not permit them to increase the number of their family, without great inconvenience, suffering, or perhaps risk of life. A method of avoiding these troubles and dangers at will, (recently discovered by a celebrated French physician) is fully communicated in this work, so that any person may avail himself of it at once. The means cost comparatively nothing, and are within the reach of all. The process is new, safe, infallible, convenient, simple, and cannot injure the most delicate. Nor does it curtail matrimonial privileges in the least.

Copies of this work will be sent, in a close envelope, at a single letter postage, to any part of the United States for $1 sent, post paid, to Dr. R. M. WEISSELHOFF, box 2710, New York City. Copyright secured. No Bookseller allowed to sell this work. Sept. 2, 1848. 6mo.

ALL DISEASES

OF THE head, face and hands, such as scurvey, erysipelas, saltrheum, itch, sores, sore heads, tan, freckles, sunburn, morphew, yellow, dark disfigured skin are cured. When these causes are removed, persons who use the bath freely should remember that more than water is required to remove the humor from the pores. I have seen persons who have had filthy skin diseases, for years, and after trying everything in vain, have been cured by washing the skin with Jones's Italian Chemical Soap, and can conscientiously offer it for any of the above complaints. It is particularly adapted to persons from the sunny South. They would find their skin much whiter, clearer and smoother by its use. But they must be sure to ask for Jones's Chemical Soap, as there are numerous counterfeits. Price 50 cents. For sale by R. Williams, agent for Columbia. au26'48-tdec24

JONES'S

ITALIAN Chemical Soap cures Pimples, Blotches, Salt Rheum, Scurvy, Erysipelas, Sore Heads, Old Sores, Sore Beard and Barber's Itch, Chapped and tender Flesh, Freckles, Tan, Sunburn, and changing Dark, Sunburnt or Yellow Skin to a pure clear white, as smooth and soft as an infant's. And, in fact, every kind of eruption and disfigurement. Read these certificates:

From the N. O. Sentinel, Oct., 1841.

One of our subscriber, Mr. H. Leonard, informs us that he has been cured of old, scaly Salt Rheum, of eighteen year's standing, on his head, fingers and hands, by a cake of an article we have often advertised lately—we speak of Jones's Italian Chemical Soap. He also informs us that he has tried its effects on his female slave Rose, much marked with sun spots, and he found in two weeks her skin much clearer and whiter.

James Elthum, a planter in Jersey City, was cured of carbuncles and pimples, which he was afflicted with for many years, by a part of a cake of Jones's Italian Chemical Soap.

Persons in purchasing this must always ask for Jones's ITALIAN CHEMICAL SOAP,—and perhaps, as many who have been cheated with the counterfeits, will be too much discouraged to try the genuine, we say to such, try this once—you will not regret it; but, always see that the name of T. Jones is on the Wrapper.

THIS LETTER. Who will be without a beautiful head of Hair, when they can have one for three shillings! Twenty years' loss of hair and wonderful restoration!

Baltimore, July 17, 1847.

Dear Sir—The powerful effects of Jone's Coral Hair Restorative has been so decisively demonstrated in the cases of several respectable citizens of the town, who, on the strength of your selling three shilling bottles, try it without fear. One instance, which has attracted particular attention, is the case of a gentleman who had little or no hair for twenty years; he had tried numerous preparations in vain, and ultimately had his head shaved and wore a wig. At my recommendation, he tried the Restorative, and after using it, according to the direction, for a short time, the young hair appeared, and he has now as fine a head of hair as any person in Baltimore

THE CLIMATE

OF NEW YORK is strongly destructive to the human cuticle, (or skin,) the air from the sea, the sudden change from heat to cold, and the smoke causes

YELLOW, DARK, COARSE COMPLEXIONS.

It is requisite that the pores of the skin should be kept kept open—that their mouths should be freed from impurity—'twas thus the ancient Roman Philosophers cured all diseases—they computed that more diseases and unhealthy vapors left through the pores of the skin, than for any other outlet of the body. It is necessary, therefore, to keep the pores open—all humors are dispelled from the skin from the pores, when washed with Jones's Italian Chemical Soap. I have seen it cure the worst and oldest cases of Salt Rheum, Erysipelas, Old Sores, Barber's Itch, Sore Head, Ringworm, when every internal and external remedy had failed—its effects in rendering the skin white, clear and soft, though it be yellow and coarse, is wonderful—it removes Freckles, Tan, Sunburn, Morphew and disfigurement of the skin—but persons must be particular and ask for Jones's Soap. DR. DRAKE'S PANACEA,

THE only radical cure for Consumption!! It also removes and permanently cures all diseases arising from an impure state of the blood, viz:

Scrofula or King's Evil, Rheumatism, Obstinate Cutaneous Eruptions, Pimples or Pustules on the face, Blotches, Biles, Chronic Sore Eyes, Ring Worm or Tetter, Scald Head, Enlargement and Pain of the Bones and Joints, Stubborn Ulcers, Syphilitic Symptoms, Sciatica or Lumbago, Diseases arising from an injurious use of Mercury, Dropsy, Exposure or Imprudence in life. Also, Chronic Constitutional Disorders.

In this medicine several innocent but very potent articles of the vegetable kingdom are united, forming a compound entirely different in its character and properties from any other preparation, and unrivalled in its operation on the system when laboring under disease. It should be in the hands of every person, who by business, or general course of life, is predisposed to the very many ailments that render life a curse, instead of a blessing, and so often result in death.

CONSUMPTION.

The following testimony is from an able practitioner of this city:

PHILADELPHIA, December 14, 1847.

Dear Sir:—In reply to your question respecting the use of Dr. Drake's Panacea, I will say that although a perfect disbeliever in the existence of a Panacea, or cure for all diseases, however valuable it may be in certain conditions of the system, still I have believed that a cure for Consumption would be discovered sooner or later, and was led to try your medicine in two very inveterate cases. They were pronounced by the attending physicians to be PULMONARY CONSUMPTION, and abandoned by them as incurable. One of the persons had been under the treatment of several very able practitioners for a number of years, and they said she had "old fashioned Consumption combined with Scrofula," and that she might linger for sometime, but could not be permanently relieved. In both cases the effect of the Panacea has been most gratifying. Only four or five bottles were used by one of the persons before she began to improve rapidly. The other took about ten. They are both well. I will only add, that familiar as I am with Consumption by inheritance and by extensive observation as a study, and knowing also the injurious effects in nine cases out of ten of tar, boneset, and other vegetable cures, as well as of many of the expectorants and sedatives, I should never have recommended the use of Drake's Panacea if I had not been acquainted with the ingredients. Suffice it to say these are recommended by our most popular and scientific physicians, and in their present combined state, form probably the best alterative that has ever been made. The cure is in accordance with a theory of Consumption broached in France a few years ago, by one of her most eminent writers on medicine, and now established by facts which admit of no dispute. Very Respectfully Yours,

L. C. GUNN, Corner Chest. and Fifth st.

PHILADELPHIA, March 7, 1848.

Messrs. Storrs & Co.—Gentlemen:—My wife has been for several years afflicted with a pain though her right side and shoulder, accompanied with chills through her whole system, and almost constantly a sick stomach, attended with pain, invariably after eating or drinking; so much so as to deprive her of all satisfaction in attempting to eat, even if she had a desire for food, which was not often the case, as her appetite was completely gone. A friend persuaded her to give DR. DRAKE'S PANACEA a trial and I am now happy to say the first bottle gave her relief. Our family physician examined the Panacea, and approved of her using it. She has taken three bottles since, and is greatly benefitted. She has now a good appetite, and can eat her meals with satisfaction. The chills, pain, and sick stomach have entirely left her, and we feel confident that the Panacea has affected a comple cure of her difficulties, and would recommend to all who are afflicted as she has been to try Dr. Drake's Panacea.

WILLIAM ASHMAN,
No. 231, North Third Street.

The above are but a few of the numerous testimonials we are constantly receiving, of the wonderful efficacy of Dr. Drake's Panacea. It is a pleasant, yet most searching remedy; and the first trial will prove its power. Its reputation has increased since its introduction to a degree hitherto unknown in all medical discoveries.

With the firm conviction that no other remedy, so called, of the present age, is equal to this, and that the theory upon which it is compounded is too firmly established to be overthrown, the proprietors solicit a trial of Dr. Drake's Panacea, willing to stand or fall upon its own merits, well satisfied it will sustain the reputation it has already acquired.

☞ CAUTION.—The genuine DR. DRAKE'S PANACEA is put up in large square bottles—it has the signature of Geo. F. Storrs on the wrapper—and also the name "Dr. Drake's Panacea, Phila" blown in the glass.

Prepared only by Storrs & Co., Druggists, No. 21 North Sixth Street, Phila.

THIS ATTENTIVELY! Doctor Hofland's Celebrated

GERMAN BITTERS,

Will effectually cure the Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, Indigestion Flatulence, Asthma, Diabetes, Disease of the Kidneys, Pulmonary Affections, (arising from disease of the stomach and liver,) and all diseases arising from a weak or disordered stomach in both Male and Female, such as Female Weakness, Dizziness, Fullness or Blood to the Head, Inward Piles, Fluttering of the Heart, Difficulty of Breathing, Constant Imaginings of Evil, Great Depression of Spirits, Dimness of Vision, Pain in the Side, Back, Breast, or Limbs, Cold Feet, &c.

They remove all acidity, and give tone and action to the stomach, and assist digestion; they contain no alcoholic stimulant, and can be taken by the most delicate stomach, and will in every case entirely destroy Costiveness, and renovate the whole system, removing all impurities from the body, and remnants of previous disease, and give health and vigor to the whole frame, thereby preventing frightful dreams, walking while asleep, &c., which often result in accident.

The functions of the stomach are of the utmost importance to every one, constituting the source and fountain of life, which is nutrition. No organ possesses such remarkable sympathies, none such remarkable power in modifying every part of the system. A greater number of persons fall victims to the harrassing of Constipation and Dispepsia and more organic diseases commencing in the digestive system than all other diseases combined. The many thousands who die with Yellow Fever, Cholera, Influenza, and other epidemics, is owing to disease or derangement there. If the digestive system is in perfect health, the nervous system and the circulation of the blood will be also, as upon it they depend, then epidemics loose all their terror.

Those living in, or visiting districts harrassed with FEVER AND AGUE annually, will find that by the timely use of one or two bottles to renovate and strengthen the system, no excess of bile will accumulate, and they will not in any one instance take the disease. Prevention is far better than cure.

The rare success in treating diseases of the stomach successfully, has not been so much a want of pathological knowledge of its functions, as the preparation of suitable Vegetable compounds, so as to obtain not only their whole power, but as they would be most effectual and grateful.

We are all aware that too many preparations have been, and are now before the public, that act only as patiatives, and some that change the locality of the disease, or prevent it for a short period, then it returns more formidable than in the first instance. Such preparations have destroyed the public confidence. This article standing alone in its number of cures, and unrivalled, as thousands of our citizens can attest who have tested its virtues, can always be depended upon for the above named diseases. It will cure any case that can be cured by medicine, no matter who, or what else has failed: it will perfectly restore the diseased organs functions of the Stomach, Intestines, Respiration, Circulation, &c.

These Bitters, and the Spikenard Ointment will cure any case of Inward Piles; it is a rare occurrence to require more than one bottle of each for the worst cases.

GREAT DESTRUCTION.

HOW many die a most horrible death without the simple cause being suspected. Some linger for years, as they suppose, from dispepsia, when it is worms, which causes most diseases. There has come under our notice several cases of supposed dispepsia, of several years' standing, when we have recommended the Syrup, which has entirely restored them to health. We would say to AULTS when they are afflicted with Sour Stomach, Sick Head Ache, Fits, a frequent deceive to make Stools, Leanness, Bloated Stomach, Nervousness, Sickness after eating, Sensation of rising in the throat after eating, &c., be assured it is simply worms, and it needs but a trial of

HOBENSACK'S WORM SYRUP

to satisfy you it is so, and if you have any of the above symptoms and the Syrup fails to cure, the agent will refund the money. TO PARENTS we would say, that the greatest sin you are convicted of, is to let your children suffer and die, when there is a simple pleasant Vegetable remedy at hand. It is said by our oldest Physicians, that Worms cause more deaths yearly, than all the other diseases the human family are subject to. Then, how important it is to have a safe and pleasant remedy at hand. Parents, when your children have sore or inflamed eyes, you may rest satisfied that it is caused by worms, and you will do well to call on the storekeepers of your neighborhood and get a Book of Hobensack's, containing certificates of cures and the symptoms of worms. Always keep a Bottle of Hobensack's Worm Syrup on hand, it is a friend in need.

MESSRS HOBENSACK—Gentlemen: I take great pleasure in informing you of the great efficacy of your Worm Syrup; having been afflicted for five years, and wasted away to a mere skeleton, without recieving any benefit from various medicines, I was induced by Jesse Roberts to try your Worm Syrup, as he informed me it had brought worms from him; also, of Squire A. Tomlinson, of Bucks county, a man over fifty years old, whom I am well acquainted with. I then commenced taking your Syrup, and it brought a very large quantity of worms, some ten inches in length, and entirely restored me to health, and, I must say I feel like a new man.

Yours, truly, JOHN HART, Phil'a co.

Mr. J. Hart is a gentleman thirty-three years of age, living five miles out of the city, back of Second st. road and is only one amongst the hundred grown persons that, have been saved by HOBENSACK'S WORM SYRUP.

Messrs. Hobensack:

I have been looking for some of your Worm Syrup for some time; I have sold all but one bottle; I wish you to send me two dozen immediately. I believe it to be a good medicine; I have seen it tried to my satisfaction. I have known one dose to bring from a child three worms, ten inches long, and from another twenty worms, eight inches long in one day. I have sold different Worm Medicines for a number of years, but never sold any that gave such universal satisfaction.

Respectfully, yours, WM. BROOKFIELD,
