THE NIAGARA

SHOWER-BATH. An entirely new article for Shower Bathing, with warm or cold Water.

A great and important improvement is made in this Shower-Bath over all others, by throwing the water immediately on the body, without wetting the head, unless at the will or pleasure of the bather; but a greater point is gained by being enabled to bathe with warm water, which no other Shower-Bath is adapted to—and most of all, the Bath can be medicated without injury to the hair

Many persons cannot take a cold bath—their case is met in this as they can regulate the temperature of the water to suit their wish, and commence bathing at any season of the year without any unpleasant result. Ladies can have the advantage of bathing without wetting the head or covering the same.

The arrangements are simple and complete, and not liable to get out of order. The Bath can be adjusted to suit any height, from a small child to the tallest person. When the door is closed, the fixtures are hid and the outside appearance is that of a neat piece of furniture.

They have received the approbation of several medical gentlemen—others are requested to call and examine them. Manufactured by the Patentee.

EPHRAIM LARRABEE.
24 South Calvert street, Baltimore.

BATHING.—Read what Armstrong says:

Do not omit, ye who would health secure,
The daily fresh ablution, that shall clear
The sluices of the skin; enough to keep
The body sacred from undecent soil.
Still to be pure, even if it did not conduce
(As much as it does) to health, very greatly worth
Your daily pains; 'tis this adorns the rich;
The want of this is poverty's worst foe,
With this external virtue, age maintains
A decent grace; without it, youth and charms
Are loathsome. sept30'48–tonu20'49

NATURE'S

OWN REMEDY—The invalid's best friend!—The original and only genuine

INDIAN MEDICINE.

BLEEDING PILES CURED!!

[From Manheim Centre, Herkimer Co., N. Y.]

Dr. Wright—Dear sir—It is with pleasure that I certify to the efficacy of your Indian Vegetable Pills. I had been long afflicted with the Bleeding Piles, and had used many prescribed remedies to no purpose. Your agent at Little Falls persuaded me to give the Pills a trial, and it is with extreme gratification that I say they entirely cured me, which has induced me to believe that whenever a fair trial is made of them, they will be found a cheap, speedy, and effectual remedy for the above complaint. JESSE LEWIS.

April 25, 1848. Blacksmith.

Mr. Lewis is a well known and respectable citizen of Herkimer county, N. York, and considered himself incurable. Since his recovery, through the use of Wright's Indian Vegetable Pills, he has adopted them as his only family medicine, and considers them the best he ever had in his house, not only for himself but down to the youngest child.

A PHYSICIAN'S TESTIMONY.

[From Catskill, Green County, New York.]

Dr. W. Wright—Dear sir—I have found your Indian Vegetable Pills a valuable remedy in cases of general debility of the system, and in all Bilious disorders. I am also in the habit of recommending them to females in peculiar cases. I observe them to operate in the system without producing debility or pain, leaving it in a healthy condition. JOHN DOANE, M. D.

June 20, 1848.

THE BEST FAMILY MEDICINE.

[From Norton Hill, Greene County, N. Y.]

Dr. Wright—We have used and sold your Indian Vegetable Pills for three years past, and do not hesitate to recommend them to our friends and customers as the best Family Medicine in use. N. & L. RAMSDELL.

[From Marble Hall, Pa.]

To Dr. W. Wright—Dear sir—For the last two years I have had the agency for the sale of your Indian Vegetable Pills at this place, and have sold annually large quantities at retail. They have, in every instance, given entire satisfaction. Many families in this section keep them, and consider them invaluable as a family medicine.—There is no medicine sold here that can be so universally recommended as Wright's Indian Vegetable Pills.

Very truly yours, WM. M. LUKENS.

UTERINE

SUPPORTERS. Mrs. James Betts, North East Corner of Eleventh and Walnut streets, Philadelphia, original inventor and sole proprietor,

To Physicians, Ladies, and Druggists.

Mrs. Betts most respectfully communicates the continued success and increasing demand for her Uterine Supporters; they are now very generally adopted by Physicians as the most successful medium of relief for the distressing malady for which they were invented, of any offered to the public.

The evil results attending the use of Pessaries, are obviated by the application of her Supporter, and the patient is enabled, in a short period, to resume her domestic concerns and duties; and the long confinement to the sick chamber, with all its attendant distressing consequences, rendered unnecessary.

Twenty thousand ladies are now using them with the greatest ease, comfort, and advantage.

CAUTION.—PLEASE OBSERVE—That proceedings have been commenced in the Supreme Court of Pennsylvania against a Surgical Instrument making firm in Philadelphia, for counterfeiting and selling the Supporters as and for "Betts' Utero Abdominal Supporters." All genuine Supporters have her written signature enclosed in a circle of letter press; on each instrument and in the box, are a book and written directions.

Mrs. B. refers with pleasure to eminent Medical Professors of all the schools in Philadelphia, and to celebrated Professors and Physicians in other cities of the United States.

Mrs. Betts offers the following:

The fine Supporter for Ladies, adapted to the various dimensions of Patients, $8 00: an entire new Supporter for SUMMER use, for Ladies requiring the use of a very cool, light, and transparent article; weight only from 2 oz. to 3 oz., and possessing all the important requisites, $7 00: a very strong and durable Supporter, with all the latest improvements in its arrangement, (for poor patients,) $5 00.

The above are subject to a very liberal discount to sell again, when three or more are taken.

R. Williams, Agent, Columbia, where pamphlets can be had containing certificates of the most eminent physicians in this country as well as in Europe.

Dr. CULLEN'S INDIAN

VEGETABLE PANACEA. We give below a number of Certificates of Cures of Scrofula or King's Evil, Tetter, Erysipelas, and Old Sores, which have been cured in Philadelphia by the above most extraordinary

MEDICINE EVER DISCOVERED.

Thousands of cases of Rheumatism, Dyspepsia, Liver Complaint, Mercurial Diseases, Ulcers and Impurities of the blood, have been cured by this Panacea. The testimonials of which will be furnished in pamphlet form gratis.

ISAAC BROOKS' CASE.

We the undersigned, having visited Mr. Isaac Brooks, Jr., at the office of Messrs. Rowand & Walton, 376 Market street, Philadelphia, consider his case the most remarkable one we have ever witnessed or heard of.

His disease was Scrofula, and terrible must have been his twelve years' conflict with the destroyer! His palate, the entire roof of his mouth, nose, upper lip, and lower lid of the right eye have been destroyed, his face nearly eaten up, and part of the jaw bone carried away. And yet we can give no description of his case.

Mr. B. informs us that in January last, the whole interior of his mouth, as well as most of his face, was a mass of deep and painful ulcers!

On the 14th of January last, he commenced taking Dr. Cullen's Indian Vegetable Panacea, which checked the disease in a few days, and from that time the cure has progressed without intermission.

New flesh has supplied the place of the deep ulcers, and though badly disfigured, his face is sound, and his general health is restored.

We are assured that in the treatment of Mr. Brooks' case, no Mercurials, Ointments, or Causic applications have been used,—in fact, the Panacea alone has wrought this wonderful change.

Rev. Levi Brink,	P. Sken Smith, Esq.

And thousands of others equally respectable, whose names might be added if necessary.

If there should be ONE who still hesitates to use this valuable medicine, or disposed to give the preference to any other, or yield to the advice of prejudiced physicians NOT to use the PANACEA, we ask that one to read the following certificates. Mr. Caldwell a gentleman of respectability and well known in the lower part of the city, where he carries on his business as a currier.

Mrs. Foster is also well known as a respectable member of the Ebenezer M. E. Church. We would remind the afflicted, that it is but a few weeks since we published THREE new certificates—here are two more.—Is there a medicine in existence that cures with the certainty that this does? We invite those who have any doubts to call upon Mr. Caldwell or Mrs. Foster, and they will have a much fuller account than can be given in a certificate.

MEASLES.

To ROWAND & WALTON—Gents.

I with pleasure give you a brief statement of the CURE performed on my son by your Dr. Cullen's Indian Vegetable Panacea. In the early part of last spring my little boy, about four years of age, had the measles badly, during which time he took cold. After the measles left him, his ears commenced discharging matter—his eyes became much inflamed and very sore. I found his sight would be entirely destroyed. His head was literally covered with scabby ulcers, which extended over a considerable portion of his face. We tried several remedies, but without benefit. I saw in the "Daily Sun" newspaper a cure performed on a child of Mr. Hopkins, by your Panacea, and inviting those interested to call on him. I did so, and became satisfied to give it a trial. The first bottle produced a decided change for the better. He took four bottles and the disease is completely mastered, and I have no fears of a return.

I must say I was much opposed to patent medicines, as they are called—believed them to be catch-penny humbugs—but my mind is changed. I now believe your Panacea to be the most valuable medicine ever introduced, and have no hesitation in recommending it to all who need a medicine of the kind.

I remain gratefully yours, &c.
JOHN CALDWELL, 356 south 2d street.

ERYSIPELAS.

PHILADELPHIA, March 17th, 1848.

ROWAND & WALTON, Gents.—For the benefit of the afflicted, and in gratitude to you, I cheerfully make the following statement.

About eleven years since a red spot made its appearance upon my ankle. It did not trouble me for some years. About four years ago it became inflamed and painful. I was then informed it was Erysipelas. I procured some salve from Dr. S., which spread the disease over my body and head. My face was so much swollen that I was blind. I then applied to Dr. Gardner—he gave me some powders, which I took for some time without any benefit. I was now suffering more than pen or tongue can describe—none can know anything of my sufferings unless they have been like afflicted.

Mr. Chase, a particular friend of mine, had so much confidence in your Dr. Cullen's Indian Vegetable Panacea, that he insisted on my giving it a trial. "HE KNEW IT WOULD CURE ME." At his request I called upon you, and procured a bottle of the medicine, which gave me encouragement to go on. I have taken six bottles, and am entirely well, and have been so for almost two years. I would say to all who need a purifying medicine of the kind, "get it by all means," I believe it to be the best medicine ever known. Yours, truly,

ELIZABETH C. FOSTER.

KING'S EVIL.

PHILADELPHIA, April 11th, 1848.

ROWAND & WALTON—Gentlemen. I feel it to be my duty to give you a statement of the wonderful cure Dr. Cullen's Indian Vegetable Panacea has effected upon me, that others like afflicted may know where they can procure that great and, I believe, the only cure for.

SCROFULA, OR KING'S EVIL.

About two years since, my neck began to swell; kernels formed under my jaws and ears, they continued to swell and become very painful. I was advised to try many things, but to no purpose, except a waste of my money. Poultices brought them to a head, causing them to break and discharge very freely.

The swellings instead of diminishing in size, increased until the lumps extended completely around my neck, many as large as a hen's egg, and one as large as my fist, I was in this condition when your Panacea was recommended to me by Mr. Garrison. I commenced its use.—The swellings began to diminish almost from the time I began to take it.
