FIRST LOVE.—If we could look into the heart of a girl when she first begins to love, we should find the nearest resemblance to what poetry has described as the state of our parents when in Paradise, which this life ever presents.

A Certificate from Mr. Ingerson, of Lancaster, N. H., a highly respectable citizen of that place, and Jailer of the county of Coos.

I, George W. Ingerson, of Lancaster, hereby certify that I have been troubled with the Asthma for about twenty years. Last November, when I began taking Wistar's Balsam of Wild Cherry, I had been unable to do anything for several months, and had not, except a very few nights, been able to rest in my bed. Almost as soon as I began to take it, I felt relieved. I have taken about two bottles. My health is altogether improved. A few returns of the Asthma, which I have had in that time, were almost immediately reproved by taking of the Balsam. I feel well, and my health is, and has been for months better than at any time previous for many years. I cheerfully recommend this medicine to all who are similarly afflicted.

GEO. W. INGRSON.

Inflammation of the Eyes, like all other inflammation, is caused by impurity of the blood. Wright's Indian Vegetable Pills will be found a certain cure for the above painful malady; because they purge from the body those corrupt and stagnant humors which are the cause not only of inflammation of the eyes, but of every description of disease. From three to six of the above named Indian Vegetable Pills, taken every night on going to bed, will in a short time completely rid the body of everything that is opposed to health; and therefore will most assuredly make a perfect cure of inflammation of the eyes, and at the same time the blood and other fluids will be of such a healthy quality, that disease of of any kind will be absolutely impossible.

BEWARE OF COUNTERFEITS AND IMITATIONS.—Remember, that the original and only genuine Indian Vegetable Pills have the written signature of WILLIAM WRIGHT on the top label of each box.

THE NIAGARA

SHOWER-BATH. An entirely new article for Shower Bathing, with warm or cold Water.

A great and important improvement is made in this Shower-Bath over all others, by throwing the water immediately on the body, without wetting the head, unless at the will or pleasure of the bather; but a greater point is gained by being enabled to bathe with warm water, which no other Shower-Bath is adapted to—and most of all, the Bath can be medicated without injury to the hair.

Many persons cannot take a cold bath—their case in met in this as they can regulate the temperature of the water to suit their wish, and commence bathing at any season of the year without any unpleasant results. Ladies can have the advantage of bathing without wetting the head or lowering the same.

The arrangements are simple and complete, and not liable to get out of order. The Bath can be adjusted to suit any height, from a small child to the tallest person. When the door is closed, the fixtures are hid and the outside appearance is that of a neat piece of furniture.

They have received the approbation of several medical gentlemen—others are requested to call and examine them. Manufactured by the Patentee.

BATHING.—Read what Armstrong says:

Do not omit, ye who would health secure,
The daily fresh ablution, that shall clear
The sluices of the skin; enough to keep
The body sacred from undecent soil.
Still to be pure, even if it did not conduce
(As much as it does) to health, very greatly worth
Your daily pains; 'tis this adorns the rich;
The want of this is poverty's worst foe,
With this external virtue, age maintains
A decent grace; without it, youth and charms
Are loathsome. sept30'48-tou20'49

UTERINE

SUPPORTERS. Mrs. James Betts, North East corner of Eleventh and Walnut streets, Philadelphia, original inventor and sole proprietor.

To Physicians, Ladies, and Druggists.

Mrs. Betts most respectfully communicates the continued success and increasing demand for her Uterine Supporters; they are now very generally adopted by Physicians as the most successful medium of relief for the distressing malady for which they were invented, of any offered to the public.

The evil results attending the use of Pessaries, are obviated by the application of her Supporter, and the patient is enabled, in a short period, to resume her domestic concerns and duties; and the long confinement to the sick chamber, with all its attendant distressing consequences, rendered unnecessary.

Twenty thousand ladies are now using them with the greatest ease, comfort, and advantage.

CAUTION.—PLEASE OBSERVE—That proceedings have been commenced in the Supreme Court of Pennsylvania against a Surgical Instrument making firm in Philadelphia, for counterfeiting and selling the Supporters as and for "Betts' Utero Abdominal Supporters." All genuine Supporters have her written signature enclosed in a circle of letter press; on each instrument and in the box, are a book and written directions.

Mrs. B. refers with pleasure to eminent Medical Professors of all the schools in Philadelphia, and to celebrated Professors and Physicians in other cities of the United States.

Mrs. Betts offers the following:

The fine Supporter for Ladies, adapted to the various dimensions of Patients, $8 00: an entire new Supporter for SUMMER use, for Ladies requiring the use of a very cool, light, and transparent article; weight only from 2 oz. to 3 oz., and possessing all the important requisites, $7 00: a very strong and durable Supporter, with all the latest improvements in its arrangement, (for poor patients.) $5 00.

The above are subject to a very liberal discount to sell again, when three or more are taken.
