town of Mount Joy.

ing the ordinance giving the Lancaster &

Schock Suggests.
From Schock's Marietta Register.
Mount Joy evidently does not desire
a trolley line to pass over its main
street, as council on Monday evening
refused to pass an ordinance giving a
railway company that privilege. The
main street of Mount Joy is a fine one,
and the putting down of a track there
on would not improve it. Why not
demand a good sum for the privilege
and have the road built above the
tree tops,
