MOUNT JOY, PENNA., WEDNESDAY, JANUARY 7, 1902.

50 CENTS A YEAR

32

First Meeting This Year.

Our Borough fathers met in regular session in the council chamber on Monday evening with Messrs. Brown, Detwiler, Mumma, Engle, Stauffer, Hamaker and Clerk Fellenbaum present.

Mr. Detwiler, chairman of the Water committee reported all the nipples placed on the plugs, and the telephone at the water works out of order. The Clerk was instructed to notify the proper persons to repair the phone. The matter of more room in the postoffice was discussed but no definite action was taken. That water pipe subject relative to M. N. Brukaker on Columbia Avenue, was talked over. After discussing it at intervals since 1896, a motion was carried that Mr. Brukaker be paid for the pipes.

The electric light bill for the last quarter, was received and council's action on same truly pleases the population. As the lights were not burning various times, the bill was returned. We think, no light, no money.

Auditors H. E. Ebersole, John L. Long and B. E. Hiestand handed in their report after carefully auditing the water account. Upon motion same was ordered to be printed in letter form by the Herald and also inserted in its advertising columns. After the payment of a number of bills, Council adjourned.

Friday Night's Feed.

Otsego Tribe No. 59, I. O. R. M. at this place, was entertained at supper at B. F. Gochmayer's Red Lion Hotel, on Friday evening. The "setout" consisted of pork and sauerkraut, mashed potatoes, bread, pickles, etc., and was very enjoyed by all present, not only a number of pale faces but also other incidents that were the feed, Postmaster, announced that he came 42 years ago that he came and ate his first meal in the dining room.

A Fine Heating Plant.

On Tuesday John H. Buohl completed the work on the large heating apparatus in the property of Miss Catharine Snyder. It is an entirely new system of vapor heating which excels either hot water or the steam heating process as all radiators are fed by a half inch pipe. The apparatus was put in operation yesterday and gives first-class satisfaction. This is the finest heating plant, bar none, in town.

Did a Big Business.

Messrs. E. S. & Carson, the extensive poultry and produce dealers on West Donegal street, this morning shipped 8,672 pounds of dressed poultry aside from many dozens of eggs during Christmas week. You can realize the amount of work it took in gathering and preparing that poultry.

Attended a Shoot.

Dougherty & Gingrich, proprietors of Hotel Marietta, at Marietta, held a live bird shoot in Duffy's meadow, on New Year's Day. B. F. Gochmayer, a crack shot of this place, had luck against him that day and only killed 5 in a 10-bird event. He got fifth prize.

Honored Their Employes.

Although a little late, it may not be out of place to state that the Rollman Manufacturing Company favored each of their employes on Christmas with a day's wages and a foodchopper while Emanuel Sump and G. Moyer gave each of their men a large turkey.

Don't Worry.

This is easier said than done, yet it may be of some help to consider the matter. If the cause is something over which you have no control it is obvious that worrying will not help the matter in the least. On the other hand, if within your control you have only to act. When you have a cold and fear an attack of pneumonia, buy a bottle of Chamberlain's Cough Remedy and use it judiciously and all cause for worry as to the outcome will quickly disappear. There is no danger of pneumonia when it is used. For sale by J. S. Carmany, Florin, and all Mount Joy druggists.

Died in Maytown.

Sarah L., wife of Daniel B. Nissley died at her home, in Maytown, Tuesday evening of dropsy. She was in the sixty-ninth year of her age. Beside her husband, she was survived by one son and one daughter, Frank Nissley, a butcher, and Emma, wife of Albert Risser, both of Maytown.

Mrs. Johanna Soderholm, of Fergus Falls, Minn., fell and dislocated her shoulder. She had a surgeon get it back in place as soon as possible but it was quite sore and pained her very much. Her son mentioned that he had seen Chamberlain's Pain Balm advertised for sprains and soreness, and she asked him to buy her a bottle of it, which he did. It quickly relieved her and enabled her to sleep which she had not done for several days. The son was so much pleased with the relief it gave his mother that he has since recommended it to many others. For sale by J. S. Carmany, Florin, and all Mount Joy druggists.
