 made by H. B. Nissley of town at...  
 his buildings on the farm at Donegal...  
 George Shires, a carpenter of town...  
 was working on the hog pen on...  
 Saturday morning and tread on the...  
 end of a board which was not sup...  
 ported by a joist. A hatchet was...  
 lying on the board and was thrown...  
 up, striking Mr. Shires on the fore...  
 head and cutting a deep gash. The...  
 unfortunate man fell down into the...

 close the scalp wound. Mr. Shires...

 time and should be a warning for...

 a stone, and when protest was made...  
 by the mother of the child a wordy...  
 battle ensued, followed by a clinch.

 be, paid a visit to Columbia on...  
 Wednesday for the purpose of being...  
 vaccinated. When they found that...  
 there was no more smallpox in that...  
 village, they returned home disap...  
 pointed, their grief being appeased...  
 by the killing of the fatted ground...  
 hog in honor of their safe return and...  
 that is not piling the limburger on...  
 the bread too thick either.
