

His Big Boots.

As a sergeant was bawling out his orders in a barracks in Dublin and watching the line of feet as the new recruits endeavored to obey the word of command, he found to his astonishment that one pair of feet, more noticeable on account of their extra large size, never turned.

Without taking his eyes off those feet, the sergeant bawled out a second order.

"About face."

He could see that all the feet except those he watched turned in obedience.

Rushing up to the owner, a little fellow, he seized him by the shoulder, shouting—

"Why don't you turn with the rest?"

"I did," replied the trembling recruit.

"You did, eh? Well, I watched your feet, and they never moved."

"It's the boots they gave me, sir," said the poor fellow. "They're so large that when I turn, my feet turns inside of them."

ALL TIRED OUT.

The weary, worn, all-tired-out feelings come to everybody who tax the kidneys. When the kidneys are overworked they fail to perform the duties nature has provided for them to do. When the kidneys fail danger diseases quickly follow, urinary disorders, diabetes, dropsy, rheumatism, Bright's disease. Doan's Kidney Pills cure all kidney and bladder ills. Read the following case:

Veteran Joshua Heller, of 706 South Walnut street, Urbana, Ill., says: "In the fall of 1899 after getting Doan's Kidney Pills at Cunningham Bros.' drug store in Champlain, and taking a course of treatment I told the readers of the papers that they had relieved me of kidney trouble, disposed of a lame back with pains across my loins and beneath the shoulder blades. During the interval which had elapsed I have had occasion to resort to Doan's Kidney Pills when I noticed warnings of attack. On each and every occasion the results obtained were just as satisfactory as when the pills were first brought to my notice. I just as emphatically endorse the preparation to-day as I did over two years ago."

A FREE TRIAL of this great kidney medicine which cured Mr. Heller will be mailed on application to any part of the United States. Medical advice free. Strictly confidential. Address: Doan's Kidney Pills, Buffalo, N. Y. All druggists, price 50c.

The Grip Leaves Thousands in Its Path Weak, Nervous, Dyspeptic, Catarrh Wrecks.

FOR GRIP AND THE AFTER-EFFECTS.

For Grip and the after-effects, like debility, nervousness, dyspepsia and other catarrhal conditions resulting from the Grip, in the entire Materia Medica I have found no remedy that equals Peruna for prompt action.—Dr. S. B. Hartman, President The Hartman Sanitarium.

LIKE A DEMON grip has crossed our country, leaving behind scores of physical wrecks.

Victims of catarrh of the head, catarrh of the throat, catarrh of the lungs, catarrh of the stomach, catarrh of the kidneys, catarrh of the pelvic organs, are to be counted by hundreds of thousands. Grip is epidemic catarrh, and sows the seeds of chronic catarrh within the system.

This is so true that few grip sufferers are able to make a complete recovery until they have used Peruna.

Never in the history of medicine has a remedy received such unqualified and universal eulogies as Peruna.

did not hinder me from pursuing my daily work.

"I should like to see our Board of Health give it official recognition, and have it used generally among our poor sick people in Greater New York."—Joseph A. Finn.

D. L. Wallace, a charter member of the International Barbers' Union, writes from 15 Western avenue, Minneapolis, Minn.

"Following a severe attack of la grippe I seemed to be affected badly all over. I suffered with a severe backache, indigestion and numerous ills, so I could neither eat nor sleep, and I thought I would give up my work, which I could not afford to do.

"One of my customers who was greatly helped by Peruna advised me to try it, and I procured a bottle the same day. I used it faithfully and felt a marked improvement. During the next two months I took five bottles, and then felt splendid. Now my head is clear, my nerves steady, I enjoy food and rest well. Peruna has been worth a dollar a dose to me."—D. L. Wallace.

Mr. O. H. Perry, Atchison, Kan., writes:

"Again, after repeated trials of your medicines, Peruna and Manalin, I give this as my expression of the wonderful results of your very valuable medicine in its effects in my case after repeated trials.

"First, it cured me of chronic bronchitis of fifteen years' standing by using two bottles of Peruna in January, 1894, and no return of it.

"After I was cured of bronchitis I had a grippe every winter for several winters. But, through the use of Peruna, it got gradually weaker in its severity, until it dwindled down to a mere stupor for two or three days. Now the stupor does not trouble me any more."—O. H. Perry.

Deafness Cannot Be Cured by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflammation of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. Nine cases out of ten are cured by catarrh which is nothing but an inflamed condition of the mucous surface.

"I desire to give my voluntary testimony to the efficacy of your Cuticura Remedies. I have suffered for some years from Eczema, chiefly on the scalp, face, ears and limbs. I was for several months under professional remedies prescribed were of no avail, and I was gradually becoming dreadfully disfigured, and I lost nearly all my hair. I thought I would try Lydia E. I have tried many remedies, but none have done me any good. I have been purchasing them in order to make a collection for my family, and I have been suffering from similar complaints, and, as President of the Society, has told the Bible women to report if any other notice when a poor person is so afflicted, so be resorted to."

Rheumacide

The Standard Rheumatic Remedy.

STANDARD because able physicians declare that it is the only absolute cure for rheumatism in its various forms. A prominent physician recently said: "I have never been able to write a prescription that will cure rheumatism, owing to the fact that the usual remedies do incalculable harm to the digestive organs. RHEUMACIDE completely overcomes this difficulty—benefits rather than injures the organs of digestion—hence it can be taken for an indefinite period, or as long as need be, to effect a permanent cure."

The Doctor quoted covers the case exactly. "Rheumacide" is absolutely harmless.
