This is how we'll do it. To each person buying one pound of Alderly

in the north window of our store. It is made of cold rolled malleable  
steel, weighs 450 pounds, burns wood or coal and is a beauty in appear-

absolutely no cost, so why not you. Come and see it.

## POOR ECONOMY

Don't say the old carriage will have to do. No doubt it is unsightly and  
unsafe. It is poor economy to put good money into a job with which you  
will be dissatisfied all the year. Better come in and talk this matter over. Perhaps  
a look at my new styles will change your mind.
