THE WEEKLY BULLETIN ACTUALLY HAS A LARGER LOCAL CIRCULATION THAN ANY MOUNT JOY NEWSPAPER

TROLLEY ORDINANCE PASSED

The Bill for the New Gasoline Engine Was Held Up—Other Business

Borough Council was called into regular session Monday evening with all the members present except President Brown, W. B. Detwiler president pro tem.

Burgess Schock's report showed that he had collected \$151.35 the past month for pole tax, post office rent, show license money.

Mr. Hoffer of the Street committee reported all the gutters cleaned, crossings that were ordered, laid, repairs on North Barbara street almost completed, grades given for a number of pavements. He recommended a new crossing on West Donegal street at the Evangelical church and also one on New Haven street at W. Donegal which were ordered. The Clerk was instructed to notify the P. R. R. to repair the pavement at the New Haven street bridge approach. The street committee was ordered to repair Patterson alley from Mount Joy to Main street. Also to repair gutter on High street as they see fit. Upon motion North Market street was ordered repaired as soon as South Market street is macadamized.

There was some discussion in reference to the pavements on North Market. Alois Bube wants a grade and will be given same by a surveyor.

Mr. Detwiler reported the lights in good shape and those that were not burning repaired.

The special committee appointed to investigate sewer connections, reported two connections and upon motion the Ordinance committee was instructed to prepare an ordinance relative to the cost etc., of connecting with the borough's sewerage.

A communication from the Burgess gave the special committee's report: New engine and pumps in position and give satisfaction and bills for same in hands of finance committee. Also wheel purchased for turbine is too large and a smaller one must be purchased. Building at pumping station not completed but will be ere long.

David Wagner appeared before Council asking for a proper grade for his pavement and also complained about the alley rear of his property. Council will resurvey New Haven street from David to Marietta and put in markers which will then be the proper grade.

The report of the Union National Bank treasurer, was as follows: Balance in Borough account Aug. 7, \$3,768.59 and in Water account on same date of \$3,067.63.

A representative of the Middletown, Elizabethtown and Mount Joy Railway Company was before Council and requested that that honorable body should, if possible, pass the ordinance. When questioned by several councilmen they received the following information in reference to this line. It is the object of this trolley company to build a line from Middletown, belting the lower portion of that borough, thence to Hillsdale and thence to the Lancaster, Mount Joy and Harrisburg turnpike to Elizabethtown, through Rheems and along said pike to Elmer Strickler's, where it will cross the Hershey farm to the new road, through Florin and across Henry Shelly's farm to the borough, down West Donegal street to Marietta and down Marietta to the intersection of Main which will be the terminus of the line for the present. This company will be financed by a New York City Trust Company who will put out bonds but will sell none in this vicinity. All the surveys for the line have been completed and the management of this company is ready to begin building as soon as security permission.

The proposed ordinance was read and a vote taken which resulted in it passing Council unanimously.

The Finance committee then presented a large number of bills for payment, and all those approved by the committee were paid.

The bill of the Otto Gas and Gasoline Engine Works was not paid. This is the company that

furnished the large gasoline engine at the water works. Mr. Detwiler raised the objection. Mr. Hoffer stated that as the committee was appointed to buy and as they had carried out their work and everything was satisfactory, the bill should be paid. Mr. Hamaker was of the same opinion.

Mr. Detwiler was of a different opinion. He claims that this special committee was instructed to get bids on an engine and then buy from the cheapest party provided the engines were all right and that according to his knowledge the bid from the Otto Company was the highest one the committee received.

After some discussion Mr. Detwiler remarked that as the engine is to cost \$1,900 and he was given to understand that some dealer would have furnished the same caliber engine for \$1,200, he will not vote for the payment of that bill until the matter has been investigated.

Upon motion a special committee was appointed to investigate the purchase of this engine and report. The committee consists of Messrs. Detwiler, Hoffer and Longenecker.

The following bills were paid:

R. D. Wood & Co., supplies	\$ 4.95
Central Machine Works, sup.	23.86
P. R. R., freight	2.77
Clarence Schock, gasoline	71.40
Grey Iron Cast. Co., cross. plates	13.05
John H. Myers, hauling	43.00
Phoenix Iron Works,	22.50
Platte Iron Works, pumps,	1,742.32
Garland Packing Co.,	17.50
H. S. Newcomer, supplies	31.76
Rollman Mfg. Co., grease	.32
C. Schock, oil and supplies	61.69
Samuel Fasnaecht, labor	34.25
Philip R. Greiner, ladder	1.50
Frank Good, salary	40.00
Jacob Garber, salary	32.97
A. B. Welsh, labor	44.53
David Boyce, repairs and coll.	57.05
J. B. Kover, labor,	7.39
M. N. Brubaker, surveys	3.00
Electric Light Co., light for quar.	278.08
John J. Pennell, janitor, 2 mos. sal.	10.00
S. R. Snyder, hauling,	8.50
J. N. Stauffer & Bro., stone	106.00

Base Ball.
In an interesting game of ball here on Thursday afternoon, a picked nine defeated the Oriental Troubadours 11 to 5.

A team of juniors from Elizabeth town came to Florin Saturday afternoon and defeated the team of that place by a score of 17 to 5.

The best game of ball of the season is promised for Saturday when we will have Maytown here. Turn out and encourage the team as we need rosters as well as a strong nine to defeat the Maytowners. Barnhart will pitch for the visitors.

The Oriental Troubadours gave the All Stars a good drubbing on Saturday afternoon when they walked off with a game by the score of 23 to 5. The All Stars were patched for the occasion and this together with the poor work of Culp, who was wild as a plover, accounts for the defeat.

The local team won easily from the crack Greenwood team of Lancaster on Saturday afternoon, taking them into camp with a 15 to 2 score. The locals played excellent ball while the visitors were off in fielding and batting. The score:

Looks Like Business
Seven earloads of steel rails arrived here Saturday for the new trolley line. The cars are on Baker's siding and will soon be unloaded and the rails distributed along the route.

SHIRT FACTORY AGAIN LOOTED

Robbers Secured a Large Number of Men's Black Working Shirts

For the second time in less than six months the shirt factory of Stacks & Co., at Florin, has been robbed. The last offense was committed some time during Thursday night and it was discovered Friday morning when the employes reported for work.

Word was immediately sent to Mr. Stacks and he made an investigation. He found that the thieves got in through one of the office windows from which they removed the outside strips after which the windows were pulled out.

An examination of the stock showed that only men's black working shirts were stolen. Mr. Stacks was unable to say the exact number of shirts taken.

The robbery was reported to Constable Wittick at Columbia and the case is now in his hands. He went to Florin Friday to investigate.

Several months ago the factory was robbed but only boys' shirts were taken. They were later recovered in a barn buried under a quantity of hay.

Girls Will Take Up Farming

The Milton Grove correspondent of the Herald says: Several young ladies in this community are agitating the propriety of forming an amateur club of agriculturists with a view to leasing several acres of land for farming purposes early next spring. These fair farmers contemplate conducting their farm independently next year, and doubtless the fair graingers will not only realize profit but healthful recreation. It is said the girls will take turns about in working on the farm, going out in squads of two, and the torrid temperature of the hot summer months shall not deter them from working.

Dagos Quit Work

On Monday forty Italians, who had been working on the pipeline at Donegal Springs, quit, packed up their baggage and came here in search of their boss. They claimed they were not paid and wanted their money. Constable George Vogle was on the hunt for the boss while the dagos were about town doing likewise. That evening a number left for New York, Easton, Coatesville and other places. The time-keeper was carefully guarded at the Farmers' Inn by a number of men but later the matter was amicably adjusted.

An Auto Accident

Another accident occurred Sunday caused by an automobile frightening a horse. David Cooper and wife and Henry Smeltzer and lady friend drove to Landisville with one of Liveryman Wagner's teams. On their way home they met an auto. Their horse frightened and ran down over an embankment, upsetting the vehicle, breaking both wheels and throwing the occupants out, all of whom escaped injury. They were obliged to get another wagon to return home.

Again Committed

On Friday afternoon Squire Chas. H. Zeller gave a hearing to "Billy" Patton, charged with assaulting Katie Ober, aged twelve years. Mr. Zeller committed Patton to jail and the matter will be further investigated and he will then be given another hearing and final disposition made of the case.

Setout at Zeller's.

Owing to the sudden illness of State Councilor E. C. LeFean he was unable to attend the meeting of the Jr. O. U. A. M. Friday evening but this did not prevent the members from "puncturing" a table laden with good things by Mrs. Chas. H. Zeller.

Two Eclipses This Month

There will be two eclipses this month. One will be the eclipse of the moon on the 14th, and the other the total eclipse of the sun on the 30th. Mount Joyians should watch for them.

PERSONALS.

Frank Young of Lancaster, spent Sunday here with friends.

Frank Waughtell of Manheim, spent Thursday in our borough.

Miss Irene Goss, of Lobata, is the guest of her aunt, Mrs. David Gable.

H. E. Klugh, wife and two children, are guests of his sister at York today.

Rev. Wayne Channel and son of Phila., spent Monday in town with friends.

Mrs. Brennesholtz of Jersey City, and daughter Mrs. J. J. Engle are visiting in town.

Rev. H. R. Bozorth stopped off in town while the train stopped Friday evening.

H. K. Nissley has gone to Celtsbury, Md., where he has a large slating contract.

Oliver Spiekler is at Mount Gretna this week as a scorer of one of the regiments.

Miss Edith Kautz of Lancaster spent several days here the guest of Miss Mary Haines.

Mrs. Ed. Shreiner of Harrisburg, arrived here on Monday and is the guest of friends for several days.

Dr. Roop, president of the Lebanon Valley College was the guest of John W. Eshleman, last Tuesday.

Rev. C. F. Reitzel has gone to Martinsburg, Blair county, where he will spend a week with his father-in-law.

Mrs. J. R. Garvin and granddaughter Sara Garvin of Lancaster are guests in the family of Dr. Jno. J. Newpher.

P. C. Hore, wife and son of Philadelphia, left Monday for that city after spending some time in town with friends.

Clayton Myers and wife of Baltimore, were guests of the former's mother Mrs. Elizabeth Myers a few days last week.

Mrs. Wm. Manning is visiting her grandson Lieutenant Wm. Davis, in Fort Slogam, N. Y. in the regular army.

Miss Aller of Trenton, N. J., who spent some time here with her sister Mrs. M. M. Leib, has gone to Atlantic City.

John Haines and Charles Abecht, of Baltimore, and Harry and Will Haines, of Columbia, spent Friday as the guest of Paul Buohl.

Mrs. Rebecca Eshleman of Flat Rock, Ohio, and daughter Miss Nora of Cleveland, Ohio, are visiting the family of J. W. Shrite.

Great Senior Sagimore Dr. John J. Newpher assisted the Great Chiefs at the institution of a new tribe at York Monday evening.

Rev. C. C. Burkholder, of California, who has been visiting in this vicinity for several months, will start for his Western home next Monday.

Mrs. Brooks and Harvey Trone and wife of Marietta, Mr. Glatfelter and daughter of Maytown spent Sunday with the family of Hiram Walters.

Privileged Characters

The Italians that were holding forth at the P. R. R. passenger depot Monday and Tuesday, seemingly were privileged characters. They carried beer by the buckets full on Monday and yesterday had a keg on tap and played cards for money and were not molested in the least. If American citizens would practice anything of that kind, there would be an awful kick and we are surprised that no one objected to this "speakeasy" of two days duration, in the heart of the town and conducted by foreigners.

A Fine Job

Coachmaker G. W. Shickley turned out a fine piece of work on Monday. He remodeled the oil wagon for Jacob W. Shrite, who is the local agent for the Atlantic Refining Company. The painting and lettering was done in an artistic manner and the job speaks well for Mr. Shickley.

M. N. Stauffer offers his desirable property for rent on Camp Hill, near town. Apply at once.

LOCAL HAPPENINGS.

Happenings of the Week Told in a Brief Yet Interesting Manner.

Harry W. Leib celebrated his 51st birthday on Saturday.

The Oriental Troubadours are at Elizabethtown this week.

Peter Smith of Columbia, was the guest of Clyde Spera Monday.

Frederick Koch has gone to Tower City to work in a colliery.

B. F. Groff is making 1,200 bed-rollers for the G. I. C. Company.

Rev. I. E. Runk was taken ill very suddenly on the pulpit in the U. B. church on Sunday morning.

John Buohl has the contract for heating Clem Brubaker's residence with a Capital steam boiler, in Donegal.

The annual shoot of the National Guardsmen of Pennsylvania will be held on the rifle range at Mt. Gretna this week.

The Middletown Livery, Sale and Exchange Co. sold twenty-four head of horses at the Farmers' Inn on Saturday afternoon.

Charles Severe was kicked on the arm by a horse on Friday which was very painful. He was unable to drive the team Saturday.

Yesterday M. L. Greider and Dr. Frear of State College, spent the day at the tobacco experimental station near Milton Grove.

Mrs. Charles H. Zeller purchased the Henry Davis property on Mount Joy street yesterday from Melvin Miller, attorney for Mrs. Harvey Shelly.

Don't fail to attend the big festival in the park on Saturday evening for the benefit of the F. of A. Band. In case of rain, it will be held in the Hall.

There is a splendid opportunity for several young men to learn moulding at the Grey Iron Works at present. Apply immediately to J. W. Eshleman.

Local and Personal.

Prof. W. R. Heilig is now time-keeper on the pipe-line.

Three hundred of the trolley line employes east of town were laid off yesterday.

W. B. Detwiler is filling up and making improvements to his stable in the rear of his property.

A new street sprinkler arrived here on the P. R. R. yesterday but we do not know who purchased it.

Exra Ney took a straw party to Manheim last evening composed of young ladies and gentlemen who held a dance at Kauffman Park.

Miss Laura Staley, musical instructor of the schools of Montgomery county, spent several days with the family of A. K. Manning.

All but ten of the Italian strikers that quit on the pipeline at Donegal, changed their minds and left yesterday for Litz where they will again work on the pipeline.

Mrs. Martha Hulme Alexander wife of the late Dr. H. M. Alexander of Marietta, died at her home in Marietta after a six weeks' illness death being due to heart trouble. Funeral Friday afternoon.

Meeting of Association.

M. L. Greider of this place, in company with Dr. Frear of State College, will attend a meeting of the Lancaster County Tobacco Growers' Association at the experimental station near Cocalico on Saturday, Aug. 12. Mr. Greider will explain the method of growing and curing shade-grown Sumatra tobacco and will also exhibit samples of last year's crop.

Eye—Gross

On Thursday morning, Rev. A. S. Hottenstein, at East Petersburg, united in marriage John K. Eyer, of East Donegal, and Miss Fannie G. Groff, of Rapho. Samuel G. Groff, brother of the bride, was best man, and Miss Gertie M. Gebhart was bridesmaid. In the afternoon the newly-married couple left for Philadelphia.

The Reformed Menonites will have services in their meeting house on Sunday morning Aug. 13th.

New Lighting System

M. L. Greider & Co. who have recently taken the agency for the Acetylene Gas Generators, recently installed a 40-candle lighting machine at the home of Miss Katie Snyder. This is certainly an up-to-date lighting system and is even better than gas or electricity. The plant with its electrical appliance, is certainly all right, and the lights can be turned on by a small switch at each burner same as an electric light while some have been installed that can be lighted or extinguished with push buttons.

Acetylene, while it can only be consumed in small burners, owing to its richness, gives an intensely brilliant flame, and its rays diffuse to a far greater extent than any other known illuminant. It has been shown by actual test that Acetylene has twelve times the power of ordinary gas. A government test recently made, shows that a 28 candle power Acetylene light can be seen 45 miles. It emits no odor when burning, the flame is clear white, steady and without smoke. Rooms lighted by Acetylene are more wholesome and have pure and more refreshing atmosphere, stimulating the dweller to a greater agility of thought and action than rooms lighted by lamps breathing out their carbonic acid gas.

They claim that no other illuminant is as safe as Acetylene, and to bear us out in this claim we quote from the New York Journal of Commerce and Commercial Bulletin carefully compiled for 1901. "Although there were in use over 90,000 Acetylene gas machines during that year, not a fire is reported to have been caused by the use of Acetylene." In comparing the cost of different lighting systems we would say: 28 candle power city gas costs 11 mills per hour. 28 candle power kerosene costs about 9 mills per hour. 28 candle power electric light costs about 1 1/2-cents per hour. 28 Candle Power Acetylene costs about 4 mills per hour. The Generator is set in the cellar where water will not freeze as the gas is only held in the machine by the water.

The machine being automatic you can use one or all the lights at the same time and no trouble to turn them off or on when you like, they are always ready, day or night. Read ad carefully on page 4.

A Sure Corn Cure.

The United States Trade Reports, a magazine published at Cincinnati, Ohio, devoted to the financial, agricultural and mechanical interests of the United States, contains the following: "Having been asked to recommend a sure cure for corns, we made a thorough investigation of the subject, and, as a result we are now prepared to state that the corn cure which we find to be entirely reliable, safe to use and absolutely certain as a cure is 'Garber's Corn Cure.' This is a liquid preparation, put up in bottles, with brush attached, and if used according to directions it will instantly relieve all pain from corns and speedily cure them entirely. This preparation is sold direct by the Mt. Joy Mercantile Company, of Mount Joy, Pa., for the small sum of twenty-five cents, postpaid. We can assure all interested readers that there is nothing in the market that can equal 'Garber's Corn Cure' in efficiency and reliability. A single application will prove its merits, and a few days' treatment will suffice to cure the worst corn."

All Must Pay Tax

On all pool tables that a direct revenue is derived, the owners are obliged to pay \$30 for the first and \$10 for each additional table. Hotel proprietors were charged nothing as no direct revenue was received it was claimed but under the law the Mercantile Appraiser will be obliged to collect \$30 for every first table here after, no matter where it is. This war was started at Lancaster this week. Following is the law.

"Under the Act of 1845 the Department holds that a billiard or pool table run by hotelkeepers, where any profit from sale of drinks is derived from said tables, is liable for the State tax of \$30."

FLORIN NOTES.

Many Brief Items of Interest Throughout This Section.

Samuel Young visited friends at Lancaster Sunday.

Henry Young called on friends at Columbia Sunday.

Gilbert Weaver of Steelton, spent Sunday here with friends.

Mrs. Elmer Schlegelmilch spent last week at Maytown with friends.

Herbert Keener of Harrisburg, spent Sunday here with his parents.

Oscar Young spent Sunday with the family of Jacob Shelly near town.

Albert Haines spent Sunday at Blue Ball as the guest of Jacob Givler.

Miss Miriam Baer of Harrisburg, is visiting in the family of Henry P. Baer.

John Hambricht is visiting his brother Amos at Landisville for a few days.

Prof. H. E. Trout and daughter of Clearfield, spent a few days here with friends.

Miss Annie Shank was a guest in the family of John Mumma at Salunga, Sunday.

Mrs. Ed. Stoll and daughter of Edgewood Park, are visiting friends here for a few days.

Mrs. Spencer Ibaugh of Downingtown, visited former acquaintances in town Sunday.

Harry Musselman and family of Harrisburg, are spending a week in town with his parents.

Nehemiah Gantz entertained his Sunday School class on Sunday by taking them to Mount Gretna.

Ed. Rider moved his family and household effects from Camp Hill to Elizabethtown on Tuesday.

Mrs. Laura Eckert and son Paul of Lancaster, visited her sister Mrs. Ed. Booth Saturday and Sunday.

Wm. Leibfried of Lancaster, accepted a job in the painting department at Young Bros.' coach works.

Charles Welchans and sister, and Miss Ella Eshleman of Maytown, visited friends in town Friday evening.

The Brethren in Christ held their weekly prayermeeting Tuesday evening at the home of Daniel Heisey.

Mrs. Jacob Zeller and daughter Blanche, left on Monday for Mt. Gretna, where they will attend the U. B. campmeeting.

J. Hossler Stauffer of Newark, N. J., spent a day last week at York, the guest of his grandmother, Elizabeth Hossler.

Church Notes.

Services were held in the Donegal Presbyterian church Sunday morning.

Harvest Home services will be observed in the U. B. church at Florin on Sunday, September 3, both morning and afternoon.

The Brethren in Christ will hold prayer meeting services at the home of D. H. Engle tomorrow evening.

The Brethren in Christ denomination held preaching services in Mount Joy Hall on Sunday afternoon.

There were no services in the Methodist, Lutheran and Church of God churches last Sunday on account of the absence of their pastors.

The second quarterly Conference of the U. E. church will convene Aug. 12 and communion the following Sunday morning by the Presiding Elder J. H. Shirey.

A song service will be held in the U. B. church at Florin Sunday evening, when a specially prepared program will be rendered. The Misses Hollenbaugh, accompanied by several others and good local talent, will compose a very rare program. All are invited.

Alleged Forger Arrested

Constable Price of Lancaster, on Thursday arrested I. D. Haines on a charge of forging a check, preferred by John Hauenstein of near town, before Squire Zeller. He was locked up for a hearing.
