STOMACH TROUBLES AND CONSTIPATION.

No one can reasonably hope for good digestion when the bowels are constipated. Mr. Chas. Baldwin, of Edwardsville, Ill., says, "I suffered from chronic constipation and stomach troubles for several years, but thanks to Chamberlain's Stomach and Liver Tablets am almost cured." Why not get a package of these tablets and get well and stay well? Price 25 cents. For sale by J. S. Carmany Florin, and all Mount Joy druggists.

KOREAN IMPERIAL FAMILY.

Legend Ascribes a Supernatural Origin to Its Founder—A Curious Story Told in the East.

The origin of the Korean Imperial family, which is just at present experiencing the pressing attention of both the devil and the deep blue sea, is somewhat picturesque—that is, if it is possible to believe the legend which relates it, says the Manchester Guardian. It seems that the favorite wife of the king of a certain province in north China was walking along the banks of a river when she noticed something approaching with the current. The something proved to be a large egg, from which, when it was broken, emerged a boy child of great beauty. She carried the infant to the king, who seems, however, to have been of a skeptical turn of mind, for he ordered the child to be at once thrown into the royal sties, which housed a peculiarly savage breed of pig. Far from killing the child, however, they lavished porcine attentions upon him, which, being related to the king, caused him to repent, to have the child brought back to the palace, and to name it "Light of the Orient." The boy grew up to so many virtues and other excellencies that the king again grew jealous, and sought his death. Closely pursued, he arrived at the Yalu river. He fired an arrow into the water, and at once a great shoal of fish appeared, and formed themselves into a living bridge, over which he crossed the river in safety. On the other side he found an amiable nation, who elected him their king, and from him the present dynasty is descended, or purports to be, which is much the same.

SUMMER DIARRHOEA IN CHILDREN.

During the hot weather of the summer months the first unnatural looseness of a child's bowels should have immediate attention, so as to check the disease before it becomes serious. All that is necessary is a few doses of Chamberlain's Colic, Cholera and Diarrhoea Remedy followed by a dose of castor oil to cleanse the system. Rev. M. O. Stockland, Pastor of the first M. E. church, Little Falls, Minn., writes: "We have used Chamberlain's Colic, Cholera and Diarrhoea Remedy for several years and find it a very valuable remedy, especially for summer disorders in children." Sold by J. S. Carmany Florin, and all Mount Joy druggists.
