### KILLED NEAR RHEEMS

Clarence Fasnacht Shot in the Brain by John Zeager.

A very sad accident occurred at Pleasant Hill on Saturday afternoon when a young lad was accidentally shot and died within two hours at the home of Jacob Zeager.

During the afternoon Clarence Y., the thirteen year old son of John Fasnacht, a neighbor called at the home of the latter to spend the afternoon. While in the kitchen young Fasnacht noticed a Flobert rifle lying on a settee and asked John Zeager, a boy about twelve years of age, to show it to him. John, thinking the rifle was unloaded, started to get it. As he drew it towards him the hammer came in contact with an ironing board, and to the horror of the four or five boys in the room there was the report of a shot.

As soon as the gun was discharged young Fasnacht fell to the floor, but he almost immediately arose to his feet and walked over to a window. There he stood for a moment or two and then turning away from it fell unconscious to the floor.

Elder persons about the place were at once summoned by the boys and Dr. Bryson, of Elizabethtown, was sent for. Everything possible was done for the injured lad, but the bullet had entered the brain at the forehead and he remained in an unconscious condition until his death occurred about two hours later.

Deputy coroner Miller of Elizabethtown, was notified and held an investigation. All present united in declaring the shooting accidental.

### Supervisors Illegally Chosen

Judge Bechtel of Pottsville, yesterday handed down a lengthy opinion concerning in by the entire court, decreeing that the act of 1905, which provided for the election of three supervisors in townships of the second class, does not apply to that county, because its townships have never been classified. The same would quite likely prove true here in case our townships had never been classified, but whether or not that was ever done, we are unable to say at present.

### The Outlook is Bright

After being dead to the base ball world for a few years, Mount Joy will again endeavor to push to the front with a good representation on the diamond. The field of Councilman W. B. Detwiler, near Frank street, between the properties of Clinton Eby and Daniel Kramer, has been secured and the diamond is now being put in condition. This location is undoubtedly the best and most convenient in the town, a elevated shady place for spectators and out of the way to deadheads.

It is quite likely that a game will be played here on Saturday with some strong team and the aggregation representing Mount Joy will be the best to be had in the town and will include players from such teams as the G. I. C., High School, Conrad's All Stars, Upland, and a number of college stars. Within a few days a public meeting will be held for the purpose of electing eight directors who will effect an organization and manage the team. Already about \$50 has been subscribed and prospects for a bright future are promising.
