

\$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical profession. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. CHENEY & CO., Toledo, O.; Sold by H. D.uggs, Inc., Take Hall's Family Pills for constipation.

SORE NIPPLES

A cure may be effected by applying Chamberlain's Salve as soon as the child is done nursing. Wipe it off with a soft cloth before allowing the child to nurse. Many trained nurses use this salve with the best results. Price 25 cents per box. Sold by J. S. Carmany, Florin, and all Mount Joy Druggists.

Garber's Improved Poultry Powder!

POULTRY POWDER.—We claim that this Powder will largely increase egg production, strengthens weak and drooping fowls, promotes the health and growth and development of all varieties of Poultry, and insure fine condition and smooth plumage. Compounded upon the most scientific chemical principles, being highly tonic, stimulating, antiseptic and alterative makes it a most powerful and natural preventive and curative agent, beside being specially adapted to making hens lay. As an egg food for making hens lay it has no superior. For carrying fowls safely through moulting; fitting for exhibition and market, increasing the size and strength, and hastening the growth of young poultry, it has no equal; is absolutely pure and highly concentrated. One ounce is worth a pound of any other kind. Strictly a medicine, to be given in the food, once daily, in small doses. Prevents and cures all diseases of hens. Worth its weight in gold when hens are moulting and to keep them healthy there is no other food on the market like it 1 1/2 lbs. 25c., 3 lbs. 65c.
