Reception to Pastor

A Very Enjoyable Event—All Local Pastors Took Part

One of the most delightful receptions ever held in this place; was that given by the Trustees, Ladies' Aid and members and friends of the Methodist church, Thursday evening. The exercises were held in the lecture room of the church. T. B. Himes, Sunday school Supt., was master of ceremonies and did his part to perfection. Miss Gertrude Metzgar was organist. Miss Anna K. Miller, Miss Maud Ernst, and Miss Mary Stoll rendered effective and beautiful vocal solos. Master Clarence Brubaker, little Miss Catherine Hoover and Miss Mary Long entertained the audience by select recitations. The exercises were opened by the congregation singing "Blest be the Tie that Binds" followed by an appropriate prayer by Rev. Father John Boehm.

A unique feature of the reception was the presence of the five ministers of the town with their wives. Rev. A. A. DeLong, Evangelical; Rev. K. J. Stewart, Presbyterian; Rev. Charles Reitzel, Bethel; Rev. Richard C. Rengier, Lutheran; Rev. E. C. Burtner, United Brethren. Each gave a brief but appropriate address of welcome to pastor Rev. J. Emmett Deacon of the Methodist church.

Rev. Deacon, in response, spoke feelingly of the fraternal spirit and good-fellowship manifested in these addresses, and gave assurance that he was most heartily in favor of a continuance of the same cordial relations and would lend his influence to that end.

As the congregation came forward to shake hands with him, he presented each one with a souvenir card telling what they owed to others on such a social occasion, "A Handshake," "A Friendly Chat," "An Introduction to Someone Else," together with subjects suggested for conversation.

Then followed a social of rare enjoyment, while Mrs. Newpher, president of the Ladies' Aid, with her corps of excellent helpers, served refreshments. All departed assuring their hosts they had never had a more enjoyable time.

Mrs. Deacon was the recipient of a beautiful and fragrant bouquet of flowers. The lecture room was tastefully decorated with flowers and potted plants.

The meeting was called for the purpose of taking such action on the resignation of Frank Good, Clarence Schock encroaching on the borough and W. B. Detwiler's Donegal street porch, as Council sees fit.

Mr. Hamaker reported that Mr. Good refused to sign the agreement drawn up by the Water committee. Upon motion Mr. Good's resignation was accepted. The application of Harry People was received. Mr. Hamaker moved that an advertisement for applicants be inserted in the three local papers. Motion carried. All applicants must have their names with the Water committee not later than Saturday, April 27. A special meeting of Council will be held the following Monday evening to take action on same.

The question of Clarence Schock encroaching on Apple Tree alley, was discussed. Mr. Longenecker reported that he called on Mr. Schock and they discussed the matter. The latter argues that all the stables on the south side of said alley from Market street east, are on borough property by at least three feet and that his buildings on opposite side of alley are on the line. Mr. Schock further stated that he will fence up his property. It was decided to employ the County Surveyor and survey the alley. Upon motion of Mr. Zeller, the Solicitor will be consulted in the matter and same will be left in the hands of the proper committee.
