New Light Ordinance Passes Second Reading—Routine Business

Borough Council convened in regular session Monday evening at 8.40 with all members present except Mr. Greider who is ill.

The clerk read a communication from David H. Nissley Post, No. 478, asking for an appropriation to defray part of the Memorial Day expense. No action.

The ordinance of the Elizabethtown and Marietta Electric Light Company was read. In it are embodied clauses to the effect that said line must be completed within eight months, that said company shall charge no more for light than is charged at Marietta, Elizabethtown, Manheim and other places the company shall give a bond of \$5,000, for carrying out the contract to the letter, etc.

A motion to suspend the rules for final passage of the above ordinance was made but fell by the wayside. Messrs. Hamaker and Mumma voting against and Messrs. Longenecker, Zeller and Tyndall for. Motion lost as it required a two-third vote.

Burgess Shrite's report showed that he had collected and turned over \$1 the past month.

The Street committee reported ashes and rubbish partly hauled but as the weather was not favorable, asked for an extension of time to June 8. Same was granted.

The Apple Tree Alley matter was reported as still being in the hands of the Solicitor.

Upon motion the Street committee was instructed not to remove oyster shells, clay, etc., hereafter when hauling ashes and rubbish. The Street committee was ordered to purchase enough crossing plates to supply the demand. Also ordered to place Delta and Donegal streets in proper shape at the expense of the trolley company, according to section 2 of their ordinance.

Mr. Hamaker of the Water committee reported the purchase of a fire plug for the west end and presented a ferrule taken from the feed pipe at the Rollman Mfg. Co.'s gasoline engine.

Messrs. Hamaker and Tyndall went to that company's plant and Mr. Schock took the ferrule out in their presence. The ferrule is a brass stop, inserted into a pipe that feeds water for cooling purposes on the engine. In the ferrule is a sixteenth hole through which the water passes. Water superintendent Martin Hiestand stated that it was impossible to run such a large engine with such a feed to keep it cool and that engine would get hot in short order. He also said if ferrule showed was used, the water passed on outside. There was a long discussion relative thereto.

Mr. Zeller reported that interior of house at pumping station will be repaired and fences painted this month.

Mr. Hiestand stated that subsidence should be cleaned, all manufacturers should have water meters, reservoir cleaned, engine tested and same was all right, fire hydrants flushed, and all necessary tools purchased for pumping engine.

Mr. Shatz, pumping engineer, reported spouting on house in bad shape and house sank about two inches at one corner. Also that water is clearer in race than subsidence and that he can only pump about three hours at a time at present with turbine then he must lay off four hours.

Also that the borough consumes more water at present than he can pump into the reservoir by pumping 24 hours a day with turbine.

Mr. Hoffer of the Board of Health reported the sanitary condition of the borough good, several cases of measles and no complaints.

The treasurer's report showed a balance of \$2,568.31 in the Borough account and \$1,789.24 in the Water account. This does not include the hotel license money which is almost \$1,000. With the latter money the borough will have over \$5,000 to its credit.

J. N. Stauffer and Bro. asked Council's permission to lay a pipe from their pond to the race for the purpose of draining same. This was left in the hands of the Water committee.

Some repairs were ordered at the pumping station, bills were paid and council adjourned.

Fine Observance.

As is the usual custom, Memorial Day was observed here as on former occasions by the members of Lieutenant D. H. Nissley post, No. 478, G. A. R., Lieutenant D. H. Nissley camp, No. 74, S. of V., the secret and civic organizations of the borough, with visiting organizations from other places.

In the morning detachments of the local organizations visited the Mount Joy, the Lincoln, the Camp Mill (Florin) cemeteries, and the burial grounds at Donegal church and Kreybill's meeting house, decorating the graves of their departed comrades, returning to Mount Joy preparatory to the services to be held in the borough in the afternoon, the parade forming at 1:30 o'clock. The parade formed on Market street, right resting on Main in the following order: Borough council, Foresters' band; Elizabethtown G. A. R., Boys' Brigade, Maytown band, Elizabethtown S. of V., Mount Joy, S. of V., P. O. S. of A., Salunga band, Sagwa and Otsego tribe of I. O. R. M., of Florin and Mount Joy, respectively. MUST SHOW US.

Fish stories are certainly in evidence and the one about the straggling of the local trolley line beats the one Shilkey Bumblecock produces in another column. This morning we telephoned to trolley headquarters and those interested there know nothing of the move. Then again Conductor Groff tells us that the company just purchased a strip of land in the vicinity of Bender's mill, for a certain purpose. He also told us that the rumor is a false one, as surely, the trolley company would not keep men busy daily sloping the sides of the "cuts" at points between here and Salunga if it intended putting down the tracks somewhere else. We presume the author of this baseless rumor received his information from the same source that he got what the P. R. R. contemplated more about six months ago.

Gantz—Derr.

Mr. and Mrs. Wm. H. Gantz have issued announcements of the marriage of their daughter Miss Nora L., to Daniel Herman Derr on Thursday, June 6th, at the bride's home. Rev. R. C. Rengier will tie the nuptial knot. The wedding will be private. They will leave on an extensive tour through the west and will be at home after June 15.

Will Live at Manheim.

John Long, aged 87 years, was taken to Manheim last Wednesday by his nephew and niece, who will care for him the remainder of his life. Mr. Long was living at the Exchange hotel and has almost been a lifelong resident of our borough.

Two of a Kind.

Eclipsing the fame of Henry G. Flory of Rapho township, who is 70 years old and drives a horse aged 28, is the fame of his neighbor Joseph Newguard. He has lived 78 years, and his favorite horse has lived 30.
