**Garber's Improved Poultry Powder!**

**POULTRY POWDER.**—We claim that this Powder will largely increase egg production, strengthen weak and drooping fowls, promote the health and growth and development of all varieties of Poultry, and insure fine condition and smooth plumage. Compounded upon the most scientific chemical principles, being highly tonic, stimulating, antiseptic and alterative makes it a most powerful and natural preventive and curative agent, beside being specially adapted to making hens lay it has no superior. For carrying fowls safely through molting; fitting for exhibition and market, increasing the size and strength, and hastening the growth of young poultry, it has no equal; is absolutely pure and highly concentrated. One ounce is worth a pound of any other kind. Strictly a medicine, to be given in the food, once daily, in small doses. Prevents and cures all diseases of hens. Worth its weight in gold when hens are moulting and to keep them healthy there is no other food on the market like it 11 lbs. 25c., 3 lbs. 65c.
