Not a New Idea

To prove that the handkerchief surprise is not a new idea, no better proof could be asked than this: Miss Edna Frank, of near Ramsey's tollgate, celebrated her fourteenth birthday on Saturday last and among the three dozen or more handkerchiefs which she received was one from a great aunt which had been given to her on a similar occasion forty-three years ago.

Base Ball

The strong Felton A. C. base ball team of Steelton came here on Saturday and were completely surprised and defeated, shut out at that, by a score of 2 to 0 in the prettiest game on the local grounds thus far this season. Brown was on the mound for the locals and had the visitors at his mercy, not allowing a hit or a run and not even a base on balls. Manlie, for the visitors, also pitched good ball but our boys found him for five safe ones. The game was called in the sixth on account of rain. The score is appended:

Sacrific hits, Cassel: base on balls, off Manlie 1; struck out, by Brown 7, by Manlie 3; passed balls, Harper: stolen bases, Erlic; double plays, Books to White: earned runs, Mount Joy 1; umpire, Schroll time of game 45 minutes.

The Lancaster Morning News says: "Mount Joy won from Birdsboro on Saturday 3 to 2, making the three runs in the ninth." That isn't our Mount Joy, thank you, as we took the Felton A. C. of Steelton into camp 2 to 0.

The next three games to be played here will be hummers. On Saturday, Aug. 1, the Athletics of Lancaster, the only team to defeat the locals this season, will be the attraction. On Saturday, Aug. 8, New Holland, late of the Inter-county League, will be the attraction and on Saturday, Aug. 15, the Felton A. C. team, of Steelton, undoubtedly the strongest amateur team in this section will be the attraction at Eby park. Captain Cassel will endeavor to give us the best local talent obtainable on the diamond this year and last Saturday's game was an example. All he asks is the public's support which must be had as teams of the above kind are expensive. Be loyal, support the team and you'll see good base ball.

COMFORTING WORDS

Many a Mount Joy Household Will Find Them So.

To have the pains and aches of a bad back removed; to be entirely free from annoying, dangerous urinary disorders is enough to make any kidney sufferer grateful. To tell how this great change can be brought about will prove comforting words to hundreds of Mount Joy readers.

Mrs. M. M. Frank, living on West Main St., Mount Joy, Pa., says: "Hard work was probably the cause of my kidney complaint. My back was never strong, and pained me a great deal. I was very nervous and became easily tired and was unable to sleep well at night. I was finally advised to try Doan's Kidney Pills and progressed a box at E. W. Garber's drug store. I was surprised at the quick relief I received, continued using them and it was only a comparatively short time before I was cured. I am today in excellent health without a sign of kidney disease, and give Doan's Kidney Pills the credit."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

TOUR TO YELLOWSTONE PARK AND THE CANADIAN ROCKIES

In Northwestern Wyoming in the heart of the Rocky Mountains, lies one of nature's richest treasurers—the Yellowstone National Park. Set apart by Act of Congress for the enjoyment of mankind, it is America's greatest show ground. To visit this park is to see nature in a variety of majestic moods. Mammoth hot springs, with multicolored terraces, cliffs of glass, beautiful lakes, mighty falls, glorious canyons, and geysers of all descriptions, are found in this wonderful region.

On August 24 a personally-conducted tour through the Yellowstone Park to Portland and Seattle, returning through the magnificent Canadian Rocky Mountains, will leave the East by special train over the Pennsylvania Railroad. Five and one-half days will be spent in the Park, one day in Portland, one day in Vancouver, one day at Field, B. C., one day at Laggan, Alba., one day at Banff, and stops will be made at many other points of interest. The tour will cover a period of twenty-two days.

As an educational trip for either teacher or scholar, this tour is especially attractive, as it covers a section of America rich in scenery and replete with the marvelous manifestations of nature.

The rates, which will cover all necessary expenses, will be \$246 from New York, \$243.20 from Philadelphia, \$241.20 from Washington and Baltimore, \$230.80 from Pittsburgh, and proportionate from other points.

Preliminary leaflets may be obtained of Agents, and detailed itineraries will be ready for distribution shortly. Persons desiring to avail themselves of this opportunity to visit the Park of the Nation should make application for Pullman space early as the party will be limited. Make application through local Ticket Agent or address George W. Boyd, General Passenger Agent, Broad Street Station, Philadelphia.
