The Purchase of a Piano

Three considerations only can influence the careful purchaser in his selection of a piaco.

> 1--Its Musical Qualities 11-Its Durability

111--Its Beauty

That the HARDMAN PIANO is musically perfect is a fact which demonstrates itself to the trained musical ear.

That the HARDMAN PIANO retains its sweetness and certainly of tone-that it is durable-is a fact which demonstrates itself in the sound of a long used HARDMAN.

You won't tell your family doctor the whole story about your private illness — you are too modest. You be afraid to tell Mrs. Pinkham, at Lynn, Mass., the things you could not explain to the doctor. Your etter will be held in the strictest confidence. From her vast correspondence with sick women during the past thirty years she may have gained the very knowledge that will helpyour case. Such letters as the fol-lowing, from grateful women, establish beyond a doubt the power of

My physi-cian said I must go through an opera-tion to get well. A friend told me about Lydia E. Pinkham's Vegetable Compound, and I took it and wrote you for advice, following your directions carefully, and thanks to you I am to-day a well woman, and I am telling all my friends of my experience."

FACTS FOR SICK WOMEN. For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and has positively cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, flatulency, indiges-
