**1879. 1909. THIRTY YEARS.**

With the close of this year's business the HEINITSH FURNITURE AND CARPET STORE closes its thirtieth year of continuous progressive business. The healthy and steady growth of this business can be attributed largely to our constant effort to give

**This is All About Coffee**

Our claim is a big one. As coffee sellers we are the first—First in Quality, First in Quantity and First in Down Right Value. You're after the goods because you want quality. We are after the money because quality brings it.

FIRST IN QUALITY—Every woman or man who has used our 18 cent coffee knows its value and that it is unequalled at anything near this price. We want you to know we are in earnest about this. Our faith in our coffee is fixed; so is the faith of those who use it. So will your faith become when you begin to use our coffee.

Superior coffee at 25c has smoothness. It is soothing, delicate, rich and can be used in any reasonable quantity without the slightest ill effects.

Special A is also a mild class of pure coffee. It is a very mellow coffee. The flavor suggests everything that coffee is, and for flavor and color we recommend this grade; 30c. per lb.

Red Seal is what the Bostonians call the "aristocrat's" cup. Being 38c. a pound you naturally expect something very unusual and you get it. A true after dinner drink, perfect in quality, perfect in age, in aroma, in roasting, in everything. Sample given of any grade.

Many New Rugs and Carpets For the Holiday Season

And more coming in every day. Nothing more reputable for Christmas than a Rug or Carpet.

Don't you think it a good time to have that papering done? The new patterns are handsome, and at this season you get the advantage of the low rates for hanging. Brighten up that room for the holidays. Won't cost much. We will cheerfully give you estimates. We will remove Carpets.

Christmas Pictures are here—all the novelties, Engravings, Pastels and Prints. Small frames for photographs—in Rich Gold, Oaks and Blacks. Special sizes.

We make a specialty of framing pictures to order. Patterns of mouldings to select from and prices much lower. Expert framers to do the work. We would suggest that you order early.

Have you tried Vitrophone—the new substitute for the horn? Easily put on, and at a small cost you can shut out the street.

**A Happy New**

is the Wish of

**The Busy Furniture**

That our efforts to carry a line of Medium and High-Grade Furniture, such as not usually carried in stock in a city of this size, are fully appreciated was again made evident by our unusually heavy Christmas Trade, which compelled us to increase the force in our shipping department, and if by chance in the rush and hurry of the last few days any piece got out that is not entirely satisfactory we will consider it a special favor to report it at once. If your purchase should arrive a little late, we trust you will pardon us, or, notwithstanding our increased force, we have been taxed to the utmost.

Thanking you for your liberal patronage in the year just closing, and trusting our continued efforts to please you will warrant a continuance of the same, we beg to remain,

Respectfully,
