Wo Id's Youngest Evangelist

Lonnie Lawrence Dennis

The United Brethren Church at Florin, in Which the Boy Evangelist will Preach.

The Boy Preacher

Lonnie Dennis, the Youngest Evangelist in the World, Will Preach in the Florin U. B. Church.

Lonnie Lawrence Dennis, the subject of the above sketch, will be in Florin and preach his first sermon on Sunday morning April 11th. This young man is the marvel of the age and is beyond a doubt the world's youngest Evangelist. A short time ago he was at Elizabethtown and on numerous occasions the church failed to hold the people who came to hear him. Mr. Dennis began to travel and engage in Evangelistic work continually since the age of four years. He has traveled and spoken in nearly every state in the Union, besides the principal places in Europe and Asia. This will certainly be a rare opportunity and he will be greeted by a crowded house every night.

He will preach his first sermon on Sunday, April 11 at 10.30 a. m. He will speak at 2.00 and 7.30 p. m. and each succeeding evening at 7.30 p. m. for a week or ten days. He will be accompanied by his mother Mrs. G. G. Dennis. He is only fifteen years old.

Only Too True

We publish by request the following clipping taken from the Banner, a little religious paper published at Rock Hill, S. C.: I expect to pass through this world but once. Any good thing therefore, that I can do, or any kindness that I can show to a fellow-creature, let me do it now. Let me not defer or neglect it, for I shall not pass this way again.

Whew! That's High

Over at Columbia yesterday farmers paid \$1.25 a bushel for wheat.

Have You Read

The "New Regime"? It is a book worth inquiring for. If you are a lover of good reading you can find it between this cover. The author of the book is John Ira Brandt, a former Mount Joy boy. The story is that of the political, social and industrial life which exists in the year A. D. 2202, as depicted by the author. There are many other interesting subjects which you may enjoy for yourself when you read it. For further information inquire of C. Owen Brandt, Mt. Joy.

Who Can Beat This

S. E. Myers of Newtown has a hen's egg that measures 8½ inches in circumference around the long way and 7 inches around the other way. This is certainly a big egg and many hens of that kind would make the recent egg trust look like thirty cents.
