

**The "Foster & Cochrane Special"**  
Sewing Machine, \$17 & \$19

Consider well its advantages—they lead you to select it in preference to others.

It has but trifling vibration, running easier and wearing longer. It makes a perfect stitch. Its vibrating shuttle is easiest to handle. It has a positive self setting needle attachment so the needle cannot be set wrong. The four foot rigid feel without springs, makes even stitching. The self-threading shuttle is a time saver.

**Not the Least Advantage is the Moderate Price**

**With Hand Drop Head, \$17, Automatic Drop Head \$19**

You'll better appreciate it's merit when you come and see it operate.
