### Circulation Counts

The wise advertiser spends his money where he is assured full returns. The paper that lies about how many subscribers it has, does not appeal to advertisers. It's the paper that spends money by improving and bettering its publication and giving people the news, thereby getting many new subscribers, that interests the man who has money to spend for publicity. There is no fake or bluff about the paper that makes an honest effort and is not afraid to share its success with the public. Circulation counts.

Thousands of dollars worth of feed are wasted yearly by the imperfect digestion of food stuffs by our domestic animals. Food that is not digested is a total loss and is a menace to the health of the animal. The Fairfield Blood Tonic perfects digestion and purify the blood, thus saving feed and fortifying the animal against disease. A separate preparation is compounded for each kind of animal.

For sale by F. H. Baker, Mount Joy; H. C. Greider, Landisville, and D. B. Ebersole, Elizabethtown.

### GIVING OUT

The Struggle Discourages Many a Citizen of Mount Joy

Around all day with an aching back;

Can't rest at night;

Enough to make any one give out;

Doan's Kidney Pills will give renewed life.

They will cure the headache;

Cure every kidney ill;

Here is Mount Joy proof that this is so:

Mrs. Jacob Childs, Mount Joy Street, Mount Joy, Pa., says: "It would be hard to describe the suffering I endured from kidney trouble. I had all the symptoms which attend this malady. Backache was constant, I had chills and spells of dizziness and my condition was fast becoming worse. My kidneys were also much disordered when I began taking Doan's Kidney Pills. I had never used a remedy that acted as quickly as they did. The pain lost its severeness and I rapidly grew strong. I am now in better health than I have been in years and know it is due to Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn & Co., Buffalo New York, sole agents for the United States. Remember the name—Doan's—and take no other.

### When Your Horse is Stolen

Farmers ought to know that whenever a horse is stolen from their stables, the best thing to do is to report the theft at once to the State police in their office in the State Capitol building, at Harrisburg. Without any charge whatever to the farmer the best police employed by the state will at once be put upon the case. Don't wait a day and give the thief a chance to get a start, but report your loss at once. The state is interested in running down horse thieves and a farmer need not fight his loss alone.

### Taft's 13,300 Mile Trip

President Taft's coming "swing around the west" will come within about 700 miles of equaling the record-breaking trip taken by President Roosevelt in the Spring of 1903. Mr. Roosevelt's trip covered 13,955 miles while Taft's trip, as now planned, will cover 13,300. It is barely possible that a few short trips will be added to the itinerary as now arranged for no other reason than to bring the total above the Roosevelt mark.

### Congressman Griest Credited

Congressman Griest has scored a notable personal victory thru an order just issued by the Postoffice Department, authorizing the issue of a new postage stamp to commemorate the Hudson-Fulton celebration. Mr. Griest is the Congressional representative from that district in which Fulton was born and last March he conferred with the hope of having a Hudson-Fulton stamp issued and the order has now been made.

### No Wonder She's Cross

The woman who has a thousand petty cares and annoyances while she suffers with headache or sideache must not be blamed if she cannot always be angelically amiable. What she needs is thoughtfulness from her family and such a simple and natural remedy as Lane's Family Medicine the herb tea that makes the weak women strong and well. Sold by druggists and dealers, 25c.

### A Feat With His Feet

There was considerable excitement in the southern end of Elizabethtown when on a wager, a young man performed a great feat with his feet, for he carried a fifty pound watermelon without touching it with his hands from Engle's store to Rheems without letting it down. His compensation was the watermelon.

## Artistic Monuments

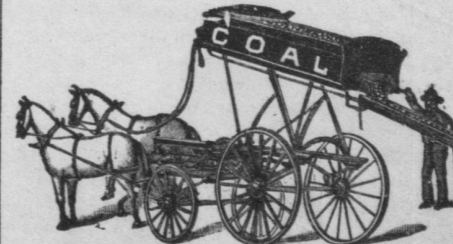

COST NO MORE THAN PLAIN ONES IN WHITE BRONZE

Marble is entirely out of date. Granite soon gets moss-grown, discolored, requires constant expense and care, and eventually crumbles back to Mother Earth. Besides, it is very expensive. WHITE BRONZE is strictly everlasting. It does not crumble with the action of frost. Moss growth is impossible. It is more artistic than any stone. Then why not invest in it? It has been adopted for over one hundred public monuments, and by thousands of delighted customers in all parts of the country. It has been on the market over 25 years and is an established success. Many granite dealers have bought White Bronze for their own burial plots. We have hundreds of beautiful designs of all grades of work, and want to have you see them if you are interested in a monument, headstone, marker or grave cover. On receipt of a postal card will be pleased to call with designs and samples of White Bronze.
