CURE YOUR KIDNEYS.
Do Not Endanger Life When a Mt. Joy Citizen Shows You the Cure

Why will people continue to suffer the agonies of kidney complaint, backache, urinary disorders, lameness, headaches, languor, why allow themselves to become chronic invalids, when a certain cure is offered them?
Doan's Kidney Pills is the remedy to use, because it gives to the kidneys the help they need to perform their work.

If you have any, even one of the symptoms of kidney diseases, cure yourself now, before diabetes, dropsy or Bright's disease sets in. Read this Mount Joy testimony:
Mrs. H. N. Nisley, Mount Joy St., Mount Joy, Pa., says: "I take pleasure in again recommending Doan's Kidney Pills. Since I publicly endorsed them in 1907, I have had no recurrence of kidney complaint. My back was very weak and I was annoyed by other symptoms of disordered kidneys. There was a dull pain thru my loins and I had chills and dizzy spells. Doan's Kidney Pills were so highly recommended that I finally began using them. The first few doses helped me and continued use affected a cure. I am pleased to tell of my experience in view of the benefit I received."

A Wonderful Discovery for Pimples

It is surprising how quickly and easily pimples and black-heads can be cured with the following prescription, which was made known to the public a short time ago by a celebrated specialist on skin diseases, cost. Clearola, one half ounce, E-nov retired, who used it in a long and successful practice with wonderful results. To use his own words: "There is nothing yet discovered that can compare with it for promptly removing pimples, eczema, black-heads, blotches, red face and noses, and in fact any disease of the skin: cheese cloth bag.

DREADNAUGHT CARS.

The nub of railroading is first class equipment and reliable service. The Pennsylvania Railroad provides this for the public. For many months big all-steel coaches, built like Dreadnaughts, have been operated on all through trains. Their easy-riding qualities and steadiness of motion have been widely praised. The all-steel dining cars too have distinctive advantages over the wooden ones. They are stronger and steadier, and the act of eating is made more enjoyable by the smoother movement.

There are also some steel Pullman Cars—Combined Parlor-Smokers and Baggage—in the service now. Travelers like them. They have plenty of elbow room and they glide over the rails. The Sleeping Cars are coming. Some four hundred parlor and sleeping cars will be in use by Summer. These steel coaches and cars are the strongest vehicles ever built for passenger transportation. They are fire proof, break proof and bend proof. They represent the climax of safety and the perfection of comfort in railroad travel.

The Pennsylvania Railroad has always been the leader in all manner of improved equipment as well as in all methods of making their patrons more comfortable. This is why it is known and honored as The Standard Railroad of America.
