## When You Buy Clothes

This Spring you are, of course, anxious to get those clothes that will serve you best according to the money you put into them.

We are sure that the clothes we have to offer you are good enough to bear out any statement made by us concerning them. We are confident that any man who will compare our values with those he can get elsewhere, will surely decide on ours. **And so we want you** to call and see what we have to offer you. As you know, we sell only standard makes of merchandise, all of which are inconditionally guaranteed to give perfect satisfaction according to the price, and the makers back us up in that guarantee.

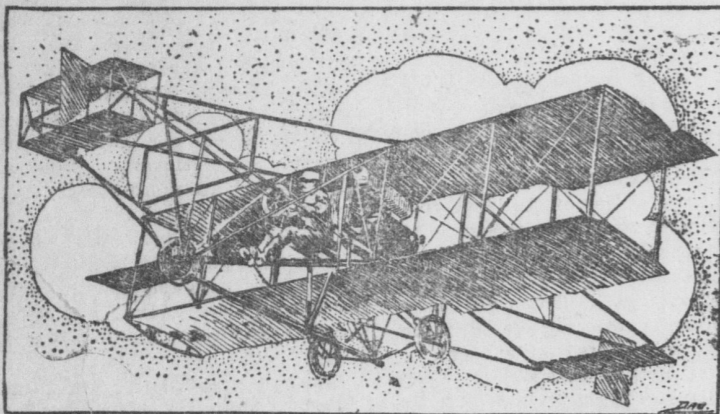

If you are anxious to make every dollar count, you cannot afford to overlook this store when making your clothes purchases.

Put us to the test, we'll "make good."

## What to Do for Your Rheumatism

When your muscles ache and your joints pain and every part of your body feels sore, when your knuckles swell up and your feet commence to twist out of shape, it is a pretty good indication that there is Rheumatism in your system.

Now the first thing you want to know is how you can get well, how you can be your old self once more, free to walk, bend, turn, without the accompanying pains.

You no doubt would like to get a good night's sleep and relieve your troubled mind; you'd like to eat as other folks do without your food turning to uric acid and the acid burning like fire.

Now let us point out to you a way—first, consult a physician, but if this is impossible, here is another— a sensible, reasonable, safe way—to treat your rheumatism, and if it doesn't bring about absolute relief you will at least know that you have tried the best remedy known to a national association of 12,000 druggists by securing a package of A. D. S. Rheumatic Remedy—the best remedy that the American Druggists Syndicate could devise—a remedy that has brought relief to many sufferers who have tried numerous other ways in vain.

No person who has rheumatism— either in the first or advanced stage —is doing himself justice without giving it a trial.

We do not claim, mind you, that it is sure to cure every case—that it would be unreasonable and a little too much to expect.

No medicine would do this—but we do say that this remedy is the one which has proved to be the best in the experience of 12,000 druggists, who are members of the American Druggists Syndicate, and who make it in their laboratory and sell it in their drug stores.

We say that these men have watched the effects on people in all parts of the country, and the percentage of cases where it has been highly beneficial is so large that it greatly outweighs the few disappointments. Don't take anything for granted; consider carefully who it is that recommends a medicine for you, and get the medicine which you know is free from any habit-forming drugs.

A. D. S. Rheumatic Remedy answers all these requirements, and there are 12,000 responsible druggists who advise you to take it. I. B. Bishop is a well-known Vermont druggist, located at West Derby, and he says: "There is lots of rheumatism in my neighborhood and I have splendid success with the A. D. S. Rheumatic Remedy. An old woodsman came into the store one day, bent almost double with a severe attack of this disease.

"I sent him home with a bottle of the A. D. S. remedy and the next time he came in he told me that he had just walked from one end of the county to the other, more than twenty miles, and never felt better in his life.

"It has helped the young and old alike and I do not hesitate to advise its use in all ordinary cases of Rheumatism."
